Strengths of programme	Improvement with reference to part A
Its Helpful while we face interview. Some time we get nervus and we fail to answer the question even we know the Answer. This program help us to build confidence. Due to this program many candidates place in good organization. Thank You so much SETI Organization, all Staff And Management. We will always be thankful for your support and efforts you took for us. Organization is working hard for Students only students should attain properly. I am sure if the student attain that then no one can stop them from placing on good organization.

TEACHER'S FEEDBACK

Name of Faculty: Dr. G. C. Kali	
Designation: Asst. Prof.	Department: mechanical
Date of joining the institution: 1st Nov. 2010	Qualification with Specialization: PhD. CAD/CAM/CAE.

1 Please mention the subjects/courses you taught in the last academic year.

CAD/CAM

2 What curriculum gaps you identified to satisfy Cos and POs and do you suggest any changes in the syllabus to university BOS for next syllabus revision.

Types of meshing elements should be included in curriculum

3 Would you like to add any experiments to existing syllabus so that specific CO/PO can be satisfied?

Mini project over CAD/CAM should be included

4 Do you suggest any value addition to institute/Department for better student learning?

Digital classroom usage should be enhanced

5 What are you plan next year to develop industry-department interaction, how do you define your role there

MoU with CAD agency is in the plan

6 What do you understand from the student feedback on your class room teaching?

More practical orientation required

7 Weather the implementation of remedial class has improved class attendance? Suggest any flaws/improvement if any.

TEACHER'S FEEDBACK

Name of Faculty: Mr. Dhananjay Vasantrao Patil.	
Designation: Asst. Prof.	Department: Mechanical Engg.
Date of joining the institution: 24/06/2013	Qualification with Specialization: M.E (Mechanical) Ph.D. (Pursuing)

1 Please mention the subjects/courses you taught in the last academic year.

Energy & Environmental Engineering, Manufacturing process-I

2 What curriculum gaps you identified to satisfy Cos and POs and do you suggest any changes in the syllabus to university BOS for next syllabus revision.

No.

3 Would you like to add any experiments to existing syllabus so that specific CO/PO can be satisfied?

To produce simple casting & identify defects in casting if any.

4 Do you suggest any value addition to institute/Department for better student learning?

No

5 What are you plan next year to develop industry-department interaction, how do you define your role there

TEACHER'S FEEDBACK

Name of Faculty: Prof Nasrin G Khan

Designation: Assistant Professor Department: Mathematics

Date of joining the institution: 23 Sep 2010 Qualification with Specialization: M.Sc. B.Ed (Mathematics)

1. Write the name of the subjects / courses you taught in the last academic year:

Engineering Maths-I, Engg Maths-II, Engg Maths-III, Numerical Methods.

2. What are the gaps you identified to satisfy the PEOs and do you suggest any changes in the curriculum / syllabus for the PEOs?

① Maths should be till last year ② As per admission criteria (35-40%) poor students need more practice need more time which is not possible for that particular semester ③ Requires visit

3. What are the measures that you suggest so that the PO can be satisfied?

① Batchwise tutorials to be included ② Practical oriented syllabus shoul be contained

4. Do you suggest any additional activities that the Institute / Department can perform to better student learning?

Industrial visits, Guest lectures (more)

5. What are your plans next year to provide industry / department interaction? How do you define your goals?

Internship.

6. What do you understand from the student feedback on your class room teaching?

More practice should be done by students.

7. Was the implementation of remedial classes improved class attendance? Suggest any improvement, if any.

yes, tests for poor students.

Name of Faculty: Dr. Vishal S. Patil	
Designation: Asst. Prof.	Department: Basic Sciences and Humanities
Date of joining the institution: 18/06/2012	Qualification with Specialization: M.Sc. Ph.D. (Organic Chemistry)

1 Please mention the subjects/courses you taught in the last academic year.

Engineering Chemistry

2 What curriculum gaps you identified to satisfy COs and POs and do you suggest any changes in the syllabus to university BOS for next syllabus revision

—

3 Would you like to add any experiments to existing syllabus so that specific CO/PO can be satisfied?

1) Water quality Parameters experiment

4 Do you suggest any value addition to institute/Department for better student learning?

1) Suggested Weekly test for students
2) Recording facility for the lectures should be available at the college level

5 What are you plan next year to develop industry-department interaction, how do you define your role there

No

6 What do you understand from the student feedback on your class room teaching?

student appreciated our teaching still we are providing additional beyond the syllabus point to the students

7 Weather the implementation of remedial class has improved class attendance? Suggest any flaws/improvement if any.

Yes.

Date of joining the institution: 1/08/2017	Qualification with Specialization: M.A NET / SET (Ph.D)

1 Please mention the subjects/courses you taught in the last academic year.

Communication skills, English, Business comm. Soft skills Dev.

2 What curriculum gaps you identified to satisfy Cos and POs and do you suggest any changes in the syllabus to university BOS for next syllabus revision

@ Yes, Communication skills should be introduced to all branches upto final year.

3 Would you like to add any experiments to existing syllabus so that specific CO/PO can be satisfied?

Yes, there must be inclusion of soft skills at first year

4 Do you suggest any value addition to institute/Department for better student learning?

More Guest lecture of subject expert should be organised for students

5 What are you plan next year to develop industry-department interaction, how do you define your role there

—

6 What do you understand from the student feedback on your class room teaching?

They understand the subject well, however require PPT.

Name of Faculty: Rahul Sukumar Nejkar	
Designation: Asst. Prof.	Department: CSE
Date of joining the institution: 24/06/2013	Qualification with Specialization: M.E.(CSE)

1 Please mention the subjects/courses you taught in the last academic year. 2020-21

OS-I, DMS, CB,

2 What curriculum gaps you identified to satisfy Cos and POs and do you suggest any changes in the syllabus to university BOS for next syllabus revision

Practical approaches. no. of hrs should be extended

3 Would you like to add any experiments to existing syllabus so that specific CO-PO can be satisfied?

Unix OS,

4 Do you suggest any value addition to institute/Department for better student learning?

Industrial Training to students

5 What are you plan next year to develop industry-department interaction, how do you define your role there

Out of syllabus contents

6 What do you understand from the student feedback on your class room teaching?

Interaction with std. important

7 Weather the implementation of remedial class has improved class attendance? Suggest any (how) improvement if any.

TEACHER'S FEEDBACK

Name of Faculty: Mrs. Tejashri V. Deokar	
Designation: Asst. Professor.	Department: CSE
Date of joining the institution: 2/7/2018	Qualification with Specialization: M.Tech CSE

1 Please mention the subjects/courses you taught in the last academic year. 2018-19

mobile application, algorithm, system programming, compiler construction.

2 What curriculum gaps you identified to satisfy Cos and POs and do you suggest any changes in the syllabus to university BOS for next syllabus revision.

big gaps is students are unaware about what exactly happens in Industry?. so that types of courses should be there.

3 Would you like to add any experiments to existing syllabus so that specific CO/PO can be satisfied?

practicals should be more, so that students should gain extra knowledge through it.

4 Do you suggest any value addition to institute/Department for better student learning?

better to use e-resources & try to explain real time problems.

5 What are you plan next year to develop industry-department interaction, how do you define your role there

by making MOU with some companies/industry.

6 What do you understand from the student feedback on your class room teaching?

students demand real time courses.

7 Weather the implementation of remedial class has improved class attendance? Suggest any flaws/improvement if any.

definitely yes. If a particular student want to clear his doubt it will through remedial classes.
