Introduction

The Department of Basic Sciences and Humanities at Sanjeevan Group of Institutions, Panhala, conducted a Five-Days Life Skills Programme from 9th to 13th September 2024 for First Year B.Tech students. The programme aimed to enhance students' holistic development and equip them with essential life skills such as communication, emotional intelligence, interpersonal skills, and decision-making abilities. Each day focused on a distinct theme supported by expert sessions, interactive activities, and reflective exercises.

Day 1: Self-Awareness and Self-Exploration

Date: 9th September 2024

Session Conducted by: Prof. Priya Patil, Life Skills Trainer

Objectives:

- - To help students understand themselves better.
- - To identify personal strengths, weaknesses, opportunities, and threats (SWOT).
- - To introduce the concept of values and belief systems.

Activities Conducted:

- - Ice-breaking and team bonding games.
- - SWOT Analysis worksheet activity.
- - Values Clarification exercise through storytelling.
- - Reflection journal writing: 'Who Am I?'

Outcome:

Students gained clarity on their personal goals and developed an awareness of their potential and limitations. The session created a foundation for the rest of the programme.

Day 2: Effective Communication Skills

Date: 10th September 2024

Session Conducted by: Dr. R. S. Deshmukh, Communication Expert

Objectives:

- - To develop verbal and non-verbal communication skills.
- - To improve listening skills and clarity in speech.
- - To enhance public speaking and presentation abilities.

Activities Conducted:

- - Say It Without Words non-verbal communication challenge.
- - Listening Skills Test and group reflection.

NAAC Accredited

- - One-minute extempore speeches.
- - Pair-and-share storytelling activity.

Outcome:

Students developed a better understanding of how communication works in both personal and academic contexts. Many overcame hesitation and participated confidently in extempore sessions.

Day 3: Interpersonal Relationships and Teamwork

Date: 11th September 2024

Session Conducted by: Ms. Snehal Jadhav, HR Consultant and Trainer

Objectives:

- - To build healthy peer relationships.
- - To understand group dynamics and roles in teams.
- - To resolve interpersonal conflicts effectively.

Activities Conducted:

- - The Human Knot group activity.
- - Team-building case studies and analysis.
- - Role Play on conflict scenarios and peer communication.
- - Trust-building circle discussions.

Outcome:

Students gained insight into empathy, cooperation, and the significance of trust in teamwork. They were able to appreciate the diversity in personalities and learnt to resolve disagreements constructively.

Day 4: Emotional Intelligence and Stress Management

Date: 12th September 2024

Session Conducted by: Dr. Amol Khedekar, Psychologist and Wellness Coach

Objectives:

- - To help students recognize and manage emotions.
- - To equip them with techniques to reduce academic and personal stress.
- - To introduce mindfulness and emotional regulation practices.

Activities Conducted:

- - Emotion Mapping Exercise.
- - Stress Triggers Quiz.

NAAC Accredited

- - Guided Mindfulness and Breathing Meditation.
- - Gratitude Letter writing for emotional release.

Outcome:

Students learned practical techniques to manage stress and control emotional outbursts. They expressed feeling calm and more balanced after mindfulness practices.

Day 5: Decision Making and Problem Solving

Date: 13th September 2024

Session Conducted by: Prof. S. S. More, Academic Counsellor

Objectives:

- - To develop critical and creative thinking abilities.
- - To understand structured decision-making processes.
- - To empower students to solve problems rationally.

Activities Conducted:

- - What Would You Do? scenario-based discussions.
- - Case Study Analysis using the 6-Step Problem Solving Model.
- - Group Challenge: Build a bridge using limited resources.
- - Programme feedback and reflection session.

Outcome:

Students improved their decision-making skills and began to understand the importance of analysis before action. The group challenge promoted creativity, collaboration, and logical thinking.

Feedback and Impact

The students were highly engaged throughout the programme. Over 90% of participants gave positive feedback, appreciating the experiential learning and relevance of the topics. They reported increased self-confidence, better peer interaction, and reduced anxiety about academic challenges.

Conclusion

The Life Skills Programme provided students with a platform for self-growth, resilience, and social bonding. It was a step towards transforming technical students into emotionally intelligent and socially responsible individuals. The Department of Basic Sciences and Humanities aims to conduct more such skill-based modules in the future.

One Page Report on Student Development Program Corporate Etiquettes

The Department of Computer Science and Engineering successfully conducted a Student Development Program (SDP) on "Corporate Etiquettes" from Monday, August 5, 2024, to Friday, August 9, 2024. This program was tailored for Third Year students of Divisions A and B, with the objective of enhancing their soft skills and professional conduct.

Program Highlights:

The SDP aimed to refine students' personal and professional skills through a detailed exploration of corporate etiquettes. The program provided valuable insights into key aspects such as communication, grooming, and behavioural attitudes, crucial for professional success.

Venue and Timing:

- Venue:** Central Drawing Hall, Sanjeevan Group of Institutes, Panhala
- Timing:** 9:15 AM to 4:00 PM each day

Daily Schedule Overview:

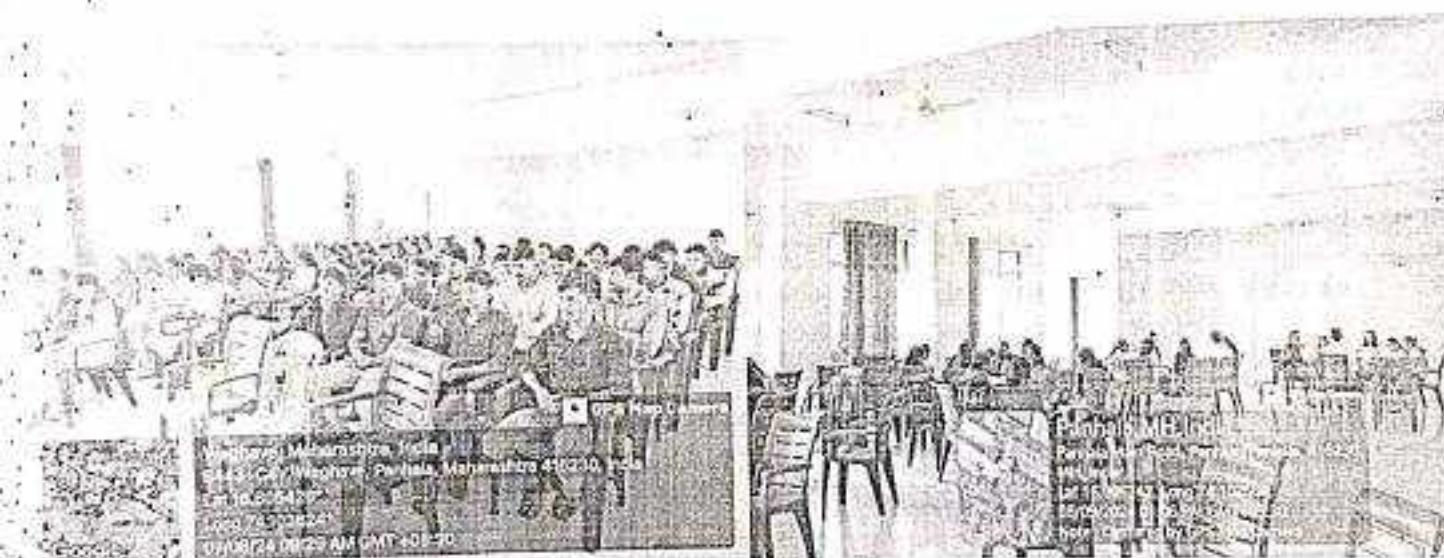

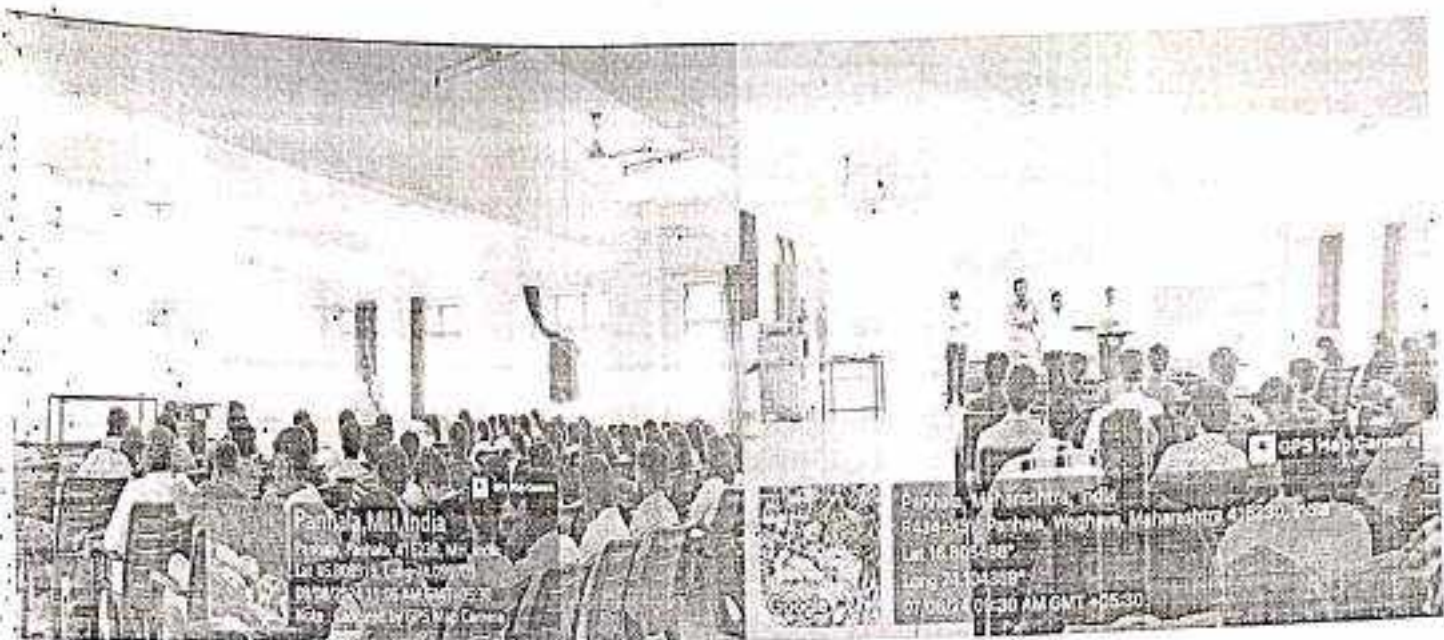

- Monday, August 5, 2024:** The program commenced with an introduction to corporate etiquettes, focusing on grooming, attitude, skills, and professional appearance.
- Tuesday, August 6, 2024:** Students engaged in role play to practice first impressions, learned about maintaining a positive attitude, and explored techniques for attitude adjustment.
- Wednesday, August 7, 2024:** The day featured role play on handling workplace challenges, training in verbal and non-verbal communication, and active listening exercises.
- Thursday, August 8, 2024:** Activities included role play on effective communication scenarios, preparation for interviews, and strategies for handling common interview questions and responses.
- Friday, August 9, 2024:** The final day consisted of mock interviews, sessions on analytical thinking and problem-solving, and a group activity involving case study analysis.

The SDP on "Corporate Etiquettes" provided Third Year students with crucial skills and knowledge to enhance their professional conduct. The Department of Computer Science and Engineering is pleased with the successful execution of the program and the positive impact it has had on the students.
