Report on Faculty Development Program (FDP)

Topic: *Outcome-Based Education (OBE), Autonomy, and National Education Policy (NEP)*

Dates: March 7, 8, 9 (Offline) & March 11, 12 (Online), 2025

Organized by: Department of Computer Science & Engineering

Venue: Sanjeevan Group of Institutions, Panhala

Resource Person: Dr. R. B. Patil, HOD, CSE, TKIET, Warananagar

The Department of Computer Science and Engineering, Sanjeevan Group of Institutions, Panhala, successfully organized a Faculty Development Program (FDP) on *Outcome-Based Education (OBE), Autonomy, and NEP*. The objective of this FDP was to enhance the knowledge and skills of faculty members in understanding and implementing OBE principles, the role of autonomy in higher education, and the reforms introduced under NEP 2020.

The program was conducted in offline mode on March 7, 8, and 9, 2025, followed by online sessions on March 11 and 12, 2025. The sessions were delivered by Dr. R. B. Patil, an academicians with over 22 years of experience, who shared valuable insights into OBE framework, accreditation requirements, curriculum design, and the implementation of NEP in higher education institutions.

A total of 42 participants registered for the program, including 20 in-house faculty members and 22 faculty members from other institutions. The registration fee collected amounted to ₹6,400.

The FDP provided a strong platform for faculty members to update their knowledge, interact with an expert, and engage in practical discussions and case studies. Participants gained a clear understanding of how OBE and NEP can be effectively integrated into teaching-learning processes.

The program concluded successfully with positive feedback from participants, highlighting its effectiveness and relevance in the current academic landscape.

Subject: Invitation to be a Resource Person for Faculty Development Program (FDP)

Respected Sir,

On behalf of the Sanjeevan Group of Institutions, Panhala, and the Department of Computer Science and Engineering, it is our pleasure to invite you as the esteemed resource person for the upcoming **Faculty Development Program (FDP) on Outcome-Based Education, Autonomy, and NEP.**

The FDP is scheduled to be conducted on **March 7, 8, and 9, 2025 (Offline) and March 11, 12, 2025 (Online)**. Given your vast experience of 22 years in academics and expertise in the domain, we believe that your insights will be immensely valuable to the participating faculty members.

The remuneration for your participation has been agreed upon as **₹10,000 (inclusive of travel expenses)**. Additionally, lunch will be provided by the institute during the offline sessions. X

We sincerely hope that you will accept our invitation and share your knowledge and expertise with us. Kindly confirm your availability at your earliest convenience.

Looking forward to your positive response.

NOTICE

Work Distribution for Faculty Development Program (FDP)

This is to inform all concerned faculty members that the following work distribution has been assigned for the smooth conduct of the **Faculty Development Program (FDP) on Outcome-Based Education, Autonomy, and NEP**, scheduled for **March 7, 8, 9 (Offline) & March 11, 12 (Online), 2025**.

Work Distribution:

1. **Mr. Samindar Vibhute** (Coordinator & Communication)
 - o Overall coordination of the FDP.
 - o Handling communication with the Principal and Resource Person.
 - o Preparing official documents (Permission Letter, Invitation Letter, etc.).
 - o Ensuring smooth execution of both offline and online sessions.
2. **Mr. Vishal Pawar** (Logistics & Arrangements)
 - o Arranging the venue, seating, projector, and other technical requirements for offline sessions.
 - o Coordinating with the institute for lunch arrangements for the resource person.
 - o Ensuring smooth connectivity and support for online sessions.
3. **Ms. Nurain Sayyad & Ms. Mayuri Patil**
(Registration, Publicity, Documentation & Attendance)
 - o Managing faculty registrations (both in-house and external).
 - o Maintaining attendance records for all sessions.
 - o Issuing participation certificates.
 - o Preparing and circulating FDP publicity materials (posters, WhatsApp messages, emails, etc.).
 - o Taking photos and videos during sessions for documentation.

All faculty members are requested to ensure the successful execution of their respective responsibilities. Kindly coordinate with each other as required.

For any queries, please contact the undersigned.

To,
The Principal,
Sanjeevan Group of Institution, Panhala

Subject: Permission to Conduct "Basic Electrical Engineering Workshop"

Respected Sir/Madam,

We, the faculty/students of the Department of Electrical Engineering, request your kind permission to conduct a Basic Electrical Engineering Workshop for Second Year Engineering Students on 05 Aug 2024 to 09 Aug 2024.

The objective of this workshop is to provide students with practical knowledge of fundamental electrical concepts, safety measures, and basic circuit operations. This will enhance their understanding of the subject and help in bridging the gap between theoretical and practical learning.

We assure you that all necessary arrangements will be made responsibly, and the event will be conducted under proper supervision and safety precautions.

We, therefore, request you to kindly grant permission to organize this workshop.

Thanking you,

SYLLABUS OF BEE

Day -1: DC Circuits

Electrical circuit elements (R, L and C), Concept of active and passive elements, voltage and current sources, concept of linearity, unilateral and bilateral elements. Kirchhoff's laws, Mesh and nodal methods of analysis.

Day-2: Steady State Analysis of Single Phase AC Circuits

Representation of Sinusoidal waveforms – Average and effective values, Form and peak factors. Analysis of single phase AC Circuits consisting R-L-C combination (Series and Parallel) Apparent, active & reactive power, Power factor. Concept of Resonance in series & parallel circuits, bandwidth and quality factor. Three phase balanced circuits, voltage and current relations in star and delta connections.

Day-3: DC machines

Magnetic circuits, ideal and practical transformer, equivalent circuit, losses in transformers, regulation and efficiency.

Principle & Construction, Types, EMF equation of generator and torque equation of motor, applications of DC motors (simple numerical problems)

Day-4: AC machines

Three Phase Induction Motor: Principle & Construction, Types, Slip-torque characteristics, Applications (Numerical problems related to slip only) Single Phase Induction motor: Principle of operation and introduction to methods of starting, applications. Three Phase Synchronous Machines: Principle of operation of alternator and synchronous motor and their applications.

Day-5: Electrical Installations

Introduction of Switch Fuse Unit (SFU), MCB, ELCB, MCCB, ACB. Types of Wires, Cables and Bus-bars. Fundamentals of earthing and lightning protection. Types of Batteries.

Programme details:

Electrical Engineering department organized a Guest Lecture on “Basic Electric Engineering” on 05 Aug 2024 to 09 Aug 2024 at Sanjeevan Engineering & Technology Institute, Panhala.

For this Bridge Course 30 students from S.Y. Electrical engineering Departments were present from our college.

Students of departments learned and enjoyed lecture enthusiastically. Bridge Course will be useful for students to provide a set of basic knowledge about electrical field. The Bridge Course was co-ordinate by Mr. V. M. Ghewari along with all Departmental staff members.

Subject- Letter of Invitation for A Guest Lecture on "How to Become an Entrepreneur" for Final Year Engineering Students.

Respected Madam,

Our Institute is established in 2009 in a view to impart engineering education to Under Graduate Students. By learning your expertise and vast experience in the area of entrepreneurship development, we are pleased to invite you to deliver a lecture on "How to Become an Entrepreneur" for Final Year Engineering Students. We are confident that our students would be enriched with your lecture. This lecture will be helpful for our engineering students from their career point of view. The lecture is planned on 1st October 2024. Kindly give your consent

Thanking you.

Yours faithfully,

Constitution of India – Basic features and fundamental principles

The Constitution of India is the supreme law of India. Parliament of India can not make any law which violates the Fundamental Rights enumerated under the Part III of the Constitution. The Parliament of India has been empowered to amend the Constitution under Article 368, however, it cannot use this power to change the “basic structure” of the constitution, which has been ruled and explained by the Supreme Court of India in its historical judgments. The Constitution of India reflects the idea of “Constitutionalism” – a modern and progressive concept historically developed by the thinkers of “liberalism” – an ideology which has been recognized as one of the most popular political ideology and result of historical struggles against arbitrary use of sovereign power by state. The AICTE Model Curriculum for Mandatory Courses & Activities (Non-Credit) for Undergraduate Degree in Engineering & Technology 116 | Page historic revolutions in France, England, America and particularly European Renaissance and Reformation movement have resulted into progressive legal reforms in the form of “constitutionalism” in many countries. The Constitution of India was made by borrowing models and principles from many countries including United Kingdom and America. The Constitution of India is not only a legal document but it also reflects social, political and economic perspectives of the Indian Society. It reflects India’s legacy of “diversity”. It has been said that Indian constitution reflects ideals of its freedom movement, however, few critics have argued that it does not truly incorporate our own ancient legal heritage and cultural values. No law can be “static” and therefore the Constitution of India has also been amended more than one hundred times.

These amendments reflect political, social and economic developments since the year 1950. The Indian judiciary and particularly the Supreme Court of India has played an historic role as the guardian of people. It has been protecting not only basic ideals of the Constitution but also strengthened the same through progressive interpretations of the text of the Constitution. The judicial activism of the Supreme Court of India and its historic contributions has been recognized throughout the world and it gradually made it "as one of the strongest court in the world".

Title of Guest Lecture : “Constitution of India”
Date : 11 Nov 2024 to 15 Nov 2024.
Resource Persons : Mr.Avinash A.Futane
Co-ordinator : Mr. V. M.Ghewari
Organising Committee : Electrical Engg. Department

Programme details:

Electrical Engineering department organized a Guest Lecture on “**Constitution of India**” on 11 Nov 2024 to 15 Nov 2024. at Sanjeevan Engineering & Technology Institute, Panhala.

The chief guest and Resource person for the course was Mr.Avinash A.Futane, Executive Director, TAKSHILA ACADEMY, Kolhapur.

For this Guest Lecture 74 students from S.Y.Electrical engineering Departments were present from our college.

Our Resource person Mr.Avinash A.Futane delivered the session on “**Constitution of India**.”

Students of departments learned and enjoyed guest lecture enthusiastically. This guest lecture will be useful for students to provide a set of basic rules that allow for minimal coordination amongst the members of a society. The guest lecture was co-ordinated by Mr. V. M.Ghewari along with all Departmental staff members.

The vote of thanks expressed by Mr. Y.R.Naik

To,
The Principal,

Subject: Permission to Conduct One Week FDP on "PLC and Automation for Industrial Need."

Respected Sir/Madam,

I am writing to seek your kind permission to initiate arrangements for PLC and Automation training required for our department's industrial and practical learning activities.

With the growing demand for industrial automation and process control skills, it has become essential to provide our students with hands-on experience in Programmable Logic Controllers (PLC), SCADA systems, sensors, and automation modules. Establishing or upgrading this facility will help bridge the gap between academic knowledge and industrial practices, enhancing employability and technical competence.

We propose to conduct the setup/training in collaboration with The World of Automation, Pune, ensuring compliance with the latest industrial standards. Necessary budgetary estimates and equipment specifications will be submitted for your kind approval.

We therefore request your permission to proceed with the proposal for PLC and Automation training to meet industrial requirements and strengthen our departmental practical infrastructure.

Thanking you in anticipation for your kind consideration and support.

Subject: Thank You for Your Valuable Support and Contribution in PLC and Industrial Automation Training

Dear Sir/Madam,

On behalf of Sanjeevan Group of Institution, Panhala we would like to express our sincere gratitude to The World of Automation, Pune for your valuable contribution and support in enhancing our knowledge of PLC and Automation for Industrial Needs.

Your expert guidance, hands-on demonstrations, and insightful sessions have greatly benefited our students/staff by providing practical exposure to the latest industrial automation technologies. Such collaborations bridge the gap between academic learning and real-world applications, and we deeply appreciate your efforts in making this initiative a success.

We look forward to continuing this association and collaborating on more industrial training and development programs in the future.

Once again, thank you for your time, expertise, and support.

With sincere appreciation,

Yours faithfully,
