Sahajayoga Meditation Session Report

Date: 15/02/2024 Time 2 Hr.

Trainer: Mr. Suhas Devmore, Co-ordinator Sahajayoga Trust, Kolhapur

Beneficiary: 70 Students of F.Y. B.Tech

Contents of Session:

Introduction to Meditation:

Sahaja Yoga is a unique method of meditation based on an experience called Self Realization (Kundalini awakening) that can occur within each human being. Through this process an inner transformation takes place by which **one becomes moral, united, integrated and balanced.**

Awareness of Subtle system in Body:

Inside every human being there is a network of nerves and sensory organs that interprets the outside physical world. At the same time, within us resides a subtle system of channels (*nadis*) and centers of energy (*chakras*) which look after our physical, intellectual, emotional and spiritual being.

Steps in self realization:

Now, after the end of the meditation, see if you are feeling relaxed and if your thoughts have slowed down or gradually disappeared. This is the first stage of meditation - thoughtless awareness - where you are fully alert but without any thoughts, in a state of pure and peaceful consciousness.
