Report – Career Guidance on Entrepreneurship Workshop
A Report
On
One Day Workshop on “Career Guidance on
Entrepreneurship”

1. **Title of Workshop :** Career Guidance on Entrepreneurship
2. **Date of Workshop:** 26th December 2022 (From 9:30 am to 4:15 pm)
3. **Kind of Activity:** Hands on Entrepreneurial skills Training
4. **Organized By :** Students Affair Cell & T&P Cell of BS&H Department
5. **Collaborating Agency :** Central Railways ,Pune
6. **Resource Person /Trainer :** Mr.Pulkit Tiwari, Class 1 officer,
Sub-Divisional Railway Manager, Pune

7. **Objectives of the Workshop:**

Entrepreneurial skills can encompass a broad range of various skill sets like technical skills, leadership and business management skills and creative thinking. Because entrepreneurial skills can be applied to many different job roles and industries, developing your entrepreneurial skills can mean developing several types of skill sets. For instance, to be a successful business owner, you may need to develop your business management skills. To build and maintain successful project teams you might need to improve your leadership and communication skills. Entrepreneurial skills can encompass a large range of both soft and hard skills. Because of the many business roles entrepreneurs may take on, they may also develop a variety of different skill sets to accommodate the growth of their businesses and brands.

Entrepreneurship as a career alternative is becoming more and more popular across age, gender, and ethnic origin. Being an entrepreneur is not limited to certain personality types or stereotypes; there is possibly an entrepreneurial spirit in all of us. As the global economy grows and changes, there are more and more opportunities for individuals to become entrepreneurs and adopt careers that fit their lifestyles. Entrepreneurship is a vital part of any national economy.

After completing this workshop students will be able to:

1. To understand different career paths and how to choose the right one for their interests and goals.

Report – Career Guidance on Entrepreneurship Workshop

2. Developing a resume and cover letter that effectively communicates their skills and experience to potential employers.
3. Networking with professionals in their field and learning how to build and maintain professional relationships.
4. Identifying their strengths and weaknesses and developing strategies to improve their performance in the workplace.
5. Learning how to set goals and create a plan to achieve them.
6. Understanding the basics of entrepreneurship and how to start and run a small business.
7. Developing critical thinking, problem-solving, and decision-making skills.
8. Learning how to manage time effectively and prioritize tasks.
9. Improving communication and collaboration skills.
10. Gaining confidence in their abilities and becoming more self-motivated.

Overall, the goal of a career and entrepreneurship workshop is to help participants develop the skills and knowledge they need to succeed in their chosen career or start their own business.

8. **Place of Activity (venue):** Drawing Hall & BS&H Department

9. **Number of Participants:** Total 184 students participated for this workshop

10. **Participants from:** All Branch Students from Engineering Department
(First Year)

11. **Workshop Discussions & Hands on Training on:**

Day Monday (26/12/2022)	Guidance on Career & Entrepreneurship <ul style="list-style-type: none">➤ Speaker targeted to provide opportunities to our students to expand their dexterities in various significant facets involved in building Career Opportunities in Entrepreneurship and Innovation. He also elucidated on <ul style="list-style-type: none">➤ how to be an entrepreneur focusing on core areas of the Business building like the relationship between Innovation & Entrepreneurship,➤ Types of Entrepreneurs, Functions of an Entrepreneur,➤ Barriers to Entrepreneurship, Qualities of an Entrepreneur, Circle diagram for startup, Internal & External Factors of Entrepreneurship and finally pondered on 'My startup story and Innovation'.
Interactive Activities on Above during the workshop were conducted

Annual Report of Career Development Cell (Academic Year 2022-23)

The career development cell of the institute completed the foundation course towards preparation of civil services examinations in the academic year 2022-23 with relevant modifications from the prior courses conducted in previous years .

Following is a brief overview of the course conducted by the cell in academic year 2022-23.

Name of the course	: Competitive Examination guidance Programme
Session I	: 3 March 2023
Session II	: 09 March 2023
Total Sessions	: 2 sessions (4Hrs.)
Total Students Benefited	: 139
Conducted by	: Prof. Nishant B Tharkar
Content of the Course	: Opportunities through Competitive Examination.

The course emphasized on creating a strong foundation of social science subjects towards preparation of civil services examinations at central and state level and casting them as a examination ready entity by the time they pass out from the institute.

The target subscribers for the course were primarily, final year and pre-final year students.

Report on the Career Counselling & Guidance Program, March 16, 2023

Report on the Career Counselling & Guidance Program conducted by Dr. Ajay Krishna Maske on March 16, 2023, for the first-year and third-year students of Sanjeevan Engineering and Technology Institute. The objective of this program was to explore and shed light on career opportunities available after completing a B.Tech degree in various sectors.

Introduction: The Career Counselling & Guidance Program was organized to provide students with a comprehensive understanding of the career paths and opportunities available to them post-B.Tech. Dr. Ajay Krishna Maske, an expert in career guidance and counselling, conducted the program to assist students in making informed decisions about their future.

Key Highlights:

Career Path Exploration: Dr. Maske introduced students to a wide range of career options across sectors such as engineering, technology, government, private, research, and entrepreneurship. He highlighted the diverse pathways they could pursue, from pursuing further education to entering the workforce directly.

Expert Insights: The program included presentations, interactive discussions, and expert insights from Dr. Maske, who shared his experience and expertise in the field. He discussed the current job market, industry trends, and the skill sets required to excel in various career domains.

Individual Consultations: Dr. Maske offered one-on-one consultations to students, where he addressed their specific career concerns, aspirations, and queries. This personalized guidance allowed students to receive tailored advice based on their unique interests and goals.

Pathway Planning: The program assisted students in creating individual career roadmaps and goals, emphasizing the importance of setting short-term and long-term objectives to achieve career success.

Impact:

The Career Counselling & Guidance Program left a positive and profound impact on the students. It helped them gain a clearer perspective on their career options and the steps needed to achieve their goals. Students expressed their gratitude for the guidance and advice provided by Dr. Maske, which has bolstered their confidence and decision-making abilities.

Conclusion:

Dr. Ajay Krishna Maske's Career Counselling & Guidance Program was an invaluable initiative to empower our students with the knowledge and insights needed to make informed career decisions. It not only broadened their horizons but also provided a sense of direction and purpose as they navigated their B.Tech journey and planned for their future.

We extend our heartfelt appreciation to Dr. Maske for his unwavering commitment to our students' well-being and for his dedication to their career development. We look forward to continuing this initiative in the future to ensure that our students receive the guidance they need to flourish in their chosen careers.

Should you require any further information or have additional questions about the program, please do not hesitate to contact us.

Sincerely,

Sanjeevan Engineering and Technology Institute

COMPETITIVE AWARENESS PROGRAM FOR UPSC, MPSC, AND SSC WITH TEST SERIES FOR STUDENTS

Sanjeevan Engineering and Technology Institute

Comprehensive report on the Competitive Awareness Program conducted for the final year students of Sanjeevan Engineering and Technology Institute on July 7, 2023. This program was designed and led by Dr. Ajay Krishna Maske to prepare students for various competitive exams such as UPSC, MPSC, and SSC.

Introduction: The Competitive Awareness Program was organized with the objective of equipping final-year students with the knowledge and skills required to excel in highly competitive examinations like UPSC, MPSC, and SSC. The program aimed to enhance the students' awareness of the examination patterns, build their confidence, and provide them with a clear roadmap to success.

Key Highlights:

Test Series: Dr. Ajay Krishna Maske conducted a series of comprehensive tests that closely resembled the format and difficulty level of UPSC, MPSC, and SSC exams. These tests were carefully crafted to evaluate the student's proficiency in various subjects and exam patterns.

In-Depth Guidance: Dr. Maske offered detailed guidance and insights into the examination process. He discussed the syllabus, exam pattern, and strategies to approach different sections of the exams. He also provided recommendations on time management and answer writing techniques.

Interactive Sessions: The program included interactive sessions where students could ask questions and clarify their doubts. This created a conducive learning environment, encouraging active participation and engagement.

Performance Analysis: Dr. Maske, along with the faculty, meticulously analyzed the performance of each student in the test series. This analysis helped students identify their strengths and weaknesses, allowing them to focus on areas that needed improvement.

Impact:

The Competitive Awareness Program received an overwhelming response from the students. The program not only boosted their confidence but also instilled a sense of determination to excel in their chosen competitive exams. The students expressed their gratitude for the guidance and support they received, and they feel well-prepared to take on the challenges of UPSC, MPSC, and SSC examinations.

Conclusion:

The Competitive Awareness Program conducted by Dr. Ajay Krishna Maske was a resounding success. It played a vital role in equipping our final-year students with the necessary tools to pursue their ambitions of a successful career in the civil services and government sectors. We express our sincere appreciation to Dr. Maske for his dedication and expertise in guiding our students.

We believe that the knowledge and skills gained during this program will undoubtedly benefit our students as they embark on their competitive examination journey. We look forward to similar initiatives in the future to continue supporting our students' academic and career aspirations.

Please feel free to reach out if you require any further information or have additional inquiries regarding this program.

Sincerely,

Sanjeevan Engineering and Technology Institute

Career Awareness Program Report

Date: 24-09-2021

Venue: Drawing Hall, Sanjeevan Engineering College

Program Title: Career Awareness Program

Conducted By: Dr. Ajay Krishna Maske

Introduction: On 24th September 2021, a highly informative and impactful Career Awareness Program was conducted by Dr. Ajay Krishna Maske at the Drawing Hall of Sanjeevan Engineering College. The program aimed to provide students with valuable insights into various career options, guidance on career planning, and group counseling sessions to help them make informed decisions about their future paths.

Program Highlights:

Expert Counselor: Dr. Ajay Krishna Maske, a renowned career counselor, led the program. With his vast experience and deep understanding of career choices and pathways, he provided expert guidance to the students. His empathetic and supportive approach created a conducive environment for open discussions and group counseling.

Career Exploration: The program emphasized the importance of self-assessment and understanding personal interests, strengths, and values. Dr. Maske conducted interactive sessions to help students explore different career options, discussing various industries, job roles, and emerging trends. The students were encouraged to identify their passion and align it with potential career paths.

Goal Setting and Career Planning: To facilitate effective career planning, Dr. Maske guided the students in setting short-term and long-term goals. He emphasized the importance of strategic planning, skill development, and continuous learning to achieve career success. Students were encouraged to identify specific steps and action plans to accomplish their career objectives.

Group Counseling: The program included group counseling sessions where students had the opportunity to share their concerns, doubts, and aspirations. Dr. Maske actively listened, provided guidance, and addressed individual queries, creating a supportive atmosphere for personal growth and decision-making.

Resources and Tools: Dr. Maske shared valuable resources, including career assessment tools, industry reports, and online platforms, to help students further explore career options and stay updated with industry trends. He highlighted the significance of networking, internships, and skill-building activities for career advancement.

Conclusion: The Career Awareness Program conducted by Dr. Ajay Krishna Maske at Sanjeevan Engineering College was a remarkable initiative that empowered students to make informed decisions about their careers. Dr. Maske's expertise and group counseling sessions provided invaluable guidance to the students, helping them understand their interests, set career goals, and plan for their future.

The program not only equipped students with knowledge about different career options but also fostered self-reflection and personal growth. By facilitating open discussions and addressing individual concerns, Dr. Maske created an environment that encouraged students to explore their potential and make well-informed career choices.

The collaboration between Dr. Ajay Krishna Maske and Sanjeevan Engineering College proved to be immensely beneficial, enabling students to gain clarity and confidence in their career paths. The Career Awareness Program served as a stepping stone for students to embark on a successful and fulfilling professional journey.

Career Enhancement Program Report: International Career Opportunities

Date: 08-10-21

Venue: Sanjeevan Institute, Panhala

Program Title: Career Enhancement Program - International Career Opportunities

Conducted By: Mr. Abhey Kelkar, Mahalaxmi Academy Kolhapur

Introduction: On 8th October 2021, an insightful and engaging Career Enhancement Program on International Career Opportunities was conducted by Mr. Abhey Kelkar from Mahalaxmi Academy Kolhapur at Sanjeevan Institute in Panhala. The program aimed to provide students with valuable information and guidance on pursuing careers abroad and exploring international job opportunities.

Program Highlights:

Expert Speaker: Mr. Abhey Kelkar, a renowned career counselor and expert in international careers, led the program. With his extensive knowledge and experience, he provided valuable insights into the process of pursuing a career abroad, including study opportunities, work permits, visa requirements, and global job market trends.

Understanding International Careers: The program focused on creating awareness among students about the benefits and challenges of pursuing international careers. Mr. Kelkar discussed various aspects, including cultural adaptation, language proficiency, and the importance of building a global mindset. He emphasized the significance of developing cross-cultural competencies for success in an international work environment.

Exploring Study Abroad Opportunities: The program provided information on study opportunities abroad, including undergraduate and postgraduate programs, scholarships, and research opportunities. Mr. Kelkar highlighted the advantages of studying in foreign universities, such as exposure to diverse cultures, advanced academic resources, and better career prospects.

Global Job Market Insights: To help students understand the international job market, Mr. Kelkar shared insights into emerging industries, in-demand skills, and job search strategies. He discussed the significance of building a strong professional network, leveraging online platforms, and utilizing internships and exchange programs to gain international work experience.

Success Stories and Alumni Interactions: The program featured success stories of individuals who pursued international careers, providing inspiration and motivation to the students. Additionally, Mr. Kelkar facilitated interactions with alumni who had successfully pursued international opportunities, allowing students to gain firsthand insights and guidance.

Conclusion: The Career Enhancement Program on International Career Opportunities conducted by Mr. Abhey Kelkar from Mahalaxmi Academy Kolhapur was a valuable initiative for students at Sanjeevan Institute in Panhala. The program equipped students with essential knowledge and guidance on pursuing careers abroad and exploring international job opportunities.

Mr. Kelkar's expertise and insights into the international job market, study abroad opportunities, and cross-cultural competencies provided students with a comprehensive understanding of the steps required for a successful international career. The program's focus on success stories and alumni interactions further inspired and motivated students to pursue their global ambitions.

The collaboration between Mahalaxmi Academy Kolhapur and Sanjeevan Institute showcased a commitment to providing students with holistic career development opportunities. The Career Enhancement Program undoubtedly expanded students' horizons, enabling them to consider and plan for rewarding international career paths.

Career Opportunities After Engineering: Unacademy Webinar Report

Date: June 4, 2022 Prepared by: [ajay maske] Organizer: Unacademy Webinar: Career Opportunities After Engineering Audience: Sanjeevan Students

1. Introduction

This report provides an overview of the webinar on "Career Opportunities After Engineering" conducted by Unacademy on June 4, 2022. The webinar aimed to provide Sanjeevan students with valuable insights into various career paths and opportunities available to them after completing their engineering degrees. Through expert presentations and interactive sessions, the webinar focused on guiding students towards successful career choices and paths.

2. Webinar Details

a) Date: The webinar on "Career Opportunities After Engineering" was conducted on June 4, 2022.

b) **Organizer:** The webinar was organized by Unacademy, a leading online learning platform that provides educational resources and career guidance to students.

c) **Target Audience:** The webinar specifically targeted students from Sanjeevan, aiming to assist in making informed decisions about their career paths after completing their engineering degree.

3. Webinar Objectives

The webinar on "Career Opportunities After Engineering" had the following objectives:

i) **Awareness of Career Paths:** The webinar aimed to broaden students' understanding of the various career paths available to engineering graduates. It provided insights into both traditional and emerging fields that are in high demand in the current job market.

ii) **Expert Guidance:** The webinar featured expert speakers who shared their experiences and knowledge in specific career domains. They provided guidance on the skills, qualifications, and career trajectories associated with each field.

iii) **Interactive Sessions:** The webinar encouraged active participation through interactive sessions, Q&A sessions, and discussions. This allowed students to clarify doubts, seek personalized advice, and engage in meaningful conversations with the speakers.

iv) **Personal Development:** The webinar emphasized the importance of personal development and acquiring additional skills beyond core engineering knowledge. It highlighted the value of continuous learning, adaptability, and soft skills in career growth.

4. Webinar Highlights

a) **Expert Presentations:** The webinar featured expert presentations from professionals in various career domains. These experts shared insights into their respective fields, including industry trends, job roles, skill requirements, and potential growth opportunities.

b) **Career Path Discussions:** The webinar provided in-depth discussions on different career paths available to engineering graduates. Topics such as software development, data science, artificial intelligence, renewable energy, entrepreneurship, and management were explored to offer students a diverse range of options to consider.

c) **Q&A and Panel Discussions:** Students had the opportunity to interact with the speakers through Q&A sessions and panel discussions. They could seek advice, ask questions about specific career paths, and gain further clarity on the skills and qualifications required for success in those domains.

d) **Guidance on Skill Development:** The webinar emphasized the importance of acquiring additional skills and certifications to enhance career prospects. Students received guidance on relevant courses, online resources, and learning platforms that can help them acquire the necessary skills in their chosen fields.

5. Webinar Outcomes

a) **Expanded Career Awareness:** The webinar broadened students' awareness of various career opportunities beyond traditional engineering roles. They gained insights into emerging fields and industries, allowing them to make more informed career choices.

SETI/COC/20-21/10

Annual Report of Career Development Cell (Academic Year 2020-21)

Career Counseling Activity

As a part of continuous endeavor to impart add on values in addition to formal academics , the career development cell of the institute engaged in conducting career counseling activity wherein students of final year were exposed to information regarding competitive examinations

Following is a brief overview of the activity conducted by the cell in academic year 2020-21.

Name of the Activity	: Competitive Examinations Introductory Session
Commencement of Activity	: 13 March 2021, Saturday
Closure of Activity	: 13 March 2021, Saturday
Total Sessions	: 2 sessions (4Hrs.)
Total Students Benefited	: 369
Conducted by	: Conducted by Prof. N.B.Tharkar
Content of the Session	: Introduction to structure and pattern of various non-technical Competitive examinations.

The session emphasized on creating awareness of career opportunities available through various competitive examinations for engineering graduates.

The target subscribers for the course were primarily, final year students.

Prof. Nishant B Tharkar

Career Development Cell

Sanjeevan Engineering and Technology Institute, Panhala

Career Development Cell

Trainers Information

Name : Nishant B . Tharkar

Qualification : B.E. (Mechanical)

Work Profile : Academician

Experience : 15 years

Exposure to competitive Examinations :

- Appeared for interview of RBI grade B Officer 2017
- Appeared for **main**s examinations of
 - UPSC Civil Services Examination 2016
 - UPSC Civil Services Examination 2015
 - UPSC Civil Services Examination 2014
 - NABARD grade B Officer 2016
 - SBI Probationary Officer 2016
 - NICL Administrative Officer 2016

Annual Report of Career Development Cell (Academic Year 2020-21)

The career development cell of the institute completed the foundation course towards preparation of civil services examinations in the academic year 2020-21 with relevant modifications from the prior courses conducted in previous years .

Following is a brief overview of the course conducted by the cell in academic year 2020-21.

Name of the course	:	Career Counseling of Final Year students
Session I	:	6 March 2021
Session II	:	27 March 2021
Total Sessions	:	2 sessions (4Hrs.)
Total Students Benefited	:	253
Conducted by	:	Prof. Nishant B Tharkar
Content of the Course	:	Exposure to career opportunities for final year students

The course emphasized on creating a strong foundation of social science subjects towards preparation of civil services examinations at central and state level and casting them as a examination ready entity by the time they pass out from the institute.

The target subscribers for the course were primarily, final year and pre-final year students.
