One Page Report on
Student Development Program
“Soft Skills”

Organized by CSE Department

Organized by: CSE Department, SETI, Panhala

Resource Person: Mr. Mirza Arshad Baig.

Program Coordinator: Prof. M. N. Chavan

Duration of Program: Monday 05/02/2024 To Friday 09/02/2024

Venue: Seminar hall CSE Department, Sanjeevan Engineering & Technology Institute, Panhala.

The Student Development Program on “Soft Skills” has been organized by the CSE Department for Second Year students. The objectives of this workshop are 1. To develop essential abilities in communication, leadership, teamwork, and problem-solving. 2. To enhance interpersonal effectiveness and workplace adaptability. Resource person covered important topics on Leadership, attitude, organizational structure and behavior, corporate etiquettes, public speaking and verbal communication. Students participated actively in Role play, resume writing and mock interviews. Around 74 students of Second Year had attended the training sessions.

Student development program was successfully organized with the support of Prof. R.S.Nejkar, H.O.D CSE department and Dr.S.N.Jain, Principal, SETI, Panhala.

Sincere thanks to all faculty members who have contributed in arranging Students development program.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

To,

Mr. Mirza Arshad Baig

Soft Skill Trainer Rubicon Skill Development

Pune.

Dear Sir,

We would like to extend our sincere thanks to you for Conducting SDP on "Soft Skill" for Computer Science & Engineering Students from 05th February 2024 To 09th February 2024. We are glad to say that the response from the students was enthusiastic. The information presented by you is definitely beneficial to our students for their career enhancement. We genuinely thank you once again for the support and time given by you and we sincerely hope that you would continue to extend your valuable support in our future initiatives as well.

Thanking you.

Prof. Rahul S. Neelkar

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

To,
Ms. Tanushree Ghosh
Soft Skill Trainer Rubicon Skill Development
Pune.

Dear Sir,

We would like to extend our sincere thanks to you for Conducting SDP on "Soft Skill" for Computer Science & Engineering Students from 05th February 2024 To 09th February 2024. We are glad to say that the response from the students was enthusiastic. The information presented by you is definitely beneficial to our students for their career enhancement. We genuinely thank you once again for the support and time given by you and we sincerely hope that you would continue to extend your valuable support in our future initiatives as well.

Thanking you.

Prof. Rahul S. Nejkar
H.O.D.

Soft Skill Training Program

By

GTT Foundation, Pune

Title of Session : "Soft Skill Training Program".
Date & Time : 12 Feb 24 – 16 Feb 24
Resource Person : Mr.Madan Patil
Targeted Audience : Electrical Department Students (SY & TY)

Programme details:

Electrical Engineering department organized a training on "**Soft Skill**" on 12 Feb 24 – 16 Feb 24 at Sanjeevan Engineering & Technology Institute, Panhala.

The chief guest and Resource person for the course was Mr.Madan Patil.

For this **Training Program** , 90 students from Electrical engineering Departments were present from electrical Department.

Our Resource person Mr.Madan Patil covered topic under the training on **Soft Skill Training Program**.

Students of departments learned and enjoyed guest lecture enthusiastically. This session lecture will be useful for students personal development. The session content includes Attitude building, Group discussion, Aptitude training.

The vote of thanks expressed by Mr. Naik Y.R.

Soft Skill Training Program

By

GTT Foundation, Pune

Title of Session : "Soft Skill Training Program".
Date & Time : 7th Aug 23 - 19th Aug 23
Resource Person : Mr.Pritam Mahamuni
Targeted Audience : Electrical Department Students (TY & B.Tech)

Programme details:

Electrical Engineering department organized a training on "**Soft Skill**" on 7th Aug 23 - 19th Aug 23 at Sanjeevan Engineering & Technology Institute, Panhala.

The chief guest and Resource person for the course was Mr.Pritam Mahamuni.

For this **Training Program**, 40 students from Electrical engineering Departments were present from electrical Department.

Our Resource person Mr.Pritam Mahamuni covered topic under the training on **Soft Skill Training Program**.

Students of departments learned and enjoyed guest lecture enthusiastically. This session lecture will be useful for students personal development. The session content includes Attitude building, Group discussion, Aptitude training.

The vote of thanks expressed by Mr. Naik Y.R.

NOTICE

Subject: Online Python Training Program

The Training and Placement Department, in association with Code Mind Technologies, is conducting an *Online Python Training Program* starting from 11-08-2023. The program will be led by Shri Gajanan Kharat.

Objectives of the Program:

- Provide a solid foundation in Python programming, covering both basic and advanced concepts.
- Equip students with in-demand programming skills for industries like data science, web development, AI, and automation.
- Enhance problem-solving abilities through hands-on projects.

All Final Year interested students are encouraged to participate in this career-enhancing training.

Report on Online Python Training Program

Organized by: Sanjeevan Engineering and Technology Institute,
Panhala

In Association with: Code Mind Technologies, Pune

Duration: 11th August 2023 to December 2023

Trainer: Shri Gajanan Kharat, Code Mind Technologies, Pune

Sanjeevan Engineering and Technology Institute, Panhala, in collaboration with Code Mind Technologies, Pune, conducted a four-month **Online Python Training Program** starting from 11th August 2023. The program was facilitated by Shri Gajanan Kharat, an experienced Python developer and trainer from Code Mind Technologies. The course aimed at equipping students with in-depth knowledge of Python programming and its applications in various domains.

Objectives of the Program

The primary objective of the program was to provide students with a solid foundation in Python programming, covering both basic and advanced concepts. The training was designed to help students develop programming skills that are in high demand across industries, particularly in fields like data science, web development, artificial intelligence, and automation. The course also aimed to enhance students' problem-solving abilities through hands-on projects.

Key Highlights of the Program

1. Comprehensive Python Curriculum:

The program followed a well-structured curriculum, beginning with basic Python syntax and data structures. Topics such as loops, functions, and object-oriented programming were introduced progressively, allowing students to build a strong foundation before moving to advanced topics like file handling, exceptions, and libraries such as NumPy and Pandas.

2. Hands-On Learning Approach:

Shri Gajanan Kharat adopted a hands-on teaching methodology, encouraging students to apply theoretical concepts through coding exercises and mini-projects. Each session was designed to give students practical exposure, helping them to solidify their understanding of Python programming.

3. Project-Based Learning:

One of the standout features of the program was its focus on project-based learning. Throughout the four months, students worked on real-world projects, such as developing Python applications for data analysis, creating web-based applications, and automating repetitive tasks using Python scripts. These projects not only helped students learn but also enhanced their portfolio.

ENGINEER

4. Interactive Online Sessions:

The program was conducted online, allowing for flexibility and remote learning. Shri Kharat maintained an interactive environment through regular live sessions, where students could ask questions and clarify doubts. Code reviews and personalized feedback further ensured that students remained engaged and progressed steadily throughout the course.

5. Assessment and Certification:

Regular assessments, including coding challenges and quizzes, were conducted to evaluate the students' progress. Upon successful completion of the course, students were awarded certificates from Sanjeevan Engineering and Technology Institute and Code Mind Technologies, recognizing their proficiency in Python programming.

Conclusion

The Online Python Training Program, conducted from August to December 2023, was a significant initiative that provided students with valuable programming skills. Shri Gajanan Kharat's expertise and interactive teaching style made learning Python both engaging and effective. By the end of the four months, students had gained a deep understanding of Python and its practical applications, positioning them well for future career opportunities in software development, data science, and related fields. The program was a resounding success, equipping participants with the tools they need to thrive in the tech industry.

Subject: Fuel Java Training Program

The Training and Placement Department, in association with the Fuel Foundation, is conducting a *Fuel Java Training Program* from 10-07-2023 to 24-10-2024. The training will be led by Shri Shyam Kulkarni and Mr. Ketan Joshi.

Objectives of the Program:

- Provide comprehensive Java programming training to develop industry-ready technical skills.
- Create job opportunities through placement drives and industry collaborations.
- Support students with accommodation and food for three months as part of Fuel Foundation's CSR initiative.

All interested students are encouraged to take advantage of this career-enhancing opportunity.

Report on Fuel Java Training Program

**Organized by: Sanjeevan Engineering and Technology
Institute, Panhala**

In Association with: Fuel Foundation, Pune
Program Dates: 10th July 2023 to 24th October 2024

Coordinator: Shyam Kulkarni

Sponsored by: Capgemini

The **Fuel Java Training Program**, conducted at Sanjeevan Engineering and Technology Institute, Panhala, in collaboration with Fuel Foundation, Pune, was an extensive training initiative spanning over 15 months. The program, which ran from 10th July 2023 to 24th October 2024, was sponsored by Capgemini as part of their Corporate Social Responsibility (CSR) initiative. The training focused on enhancing the Java programming skills of students, with the ultimate goal of improving their employability in the IT industry.

Objectives of the Program

The key objective of the program was to provide students with comprehensive training in Java programming, ensuring they develop the technical skills required to excel in the software industry. The program also aimed at creating job opportunities for the participants through placement drives and collaborations with industry partners. Additionally, the Fuel Foundation took care of the students' accommodation and food for three months, as part of their CSR efforts.

Key Highlights of the Program

1. Java Programming Curriculum:

The training followed a detailed and progressive Java curriculum, starting from the basics and advancing to complex topics like object-oriented programming, data structures, algorithms, and Java frameworks. The structured approach ensured that students gained a strong foundation and practical experience in Java development.

2. **Hands-On Training and Projects:**

The program emphasized hands-on learning, with students engaging in real-world projects and coding exercises throughout the training. The project-based approach helped students apply theoretical knowledge to practical problems, boosting their problem-solving abilities and coding efficiency.

3. **Job Opportunities and Placements:**

One of the most significant outcomes of the program was the job opportunities provided to students. After successfully completing the training, participants were given the chance to attend placement drives organized by Capgemini and other partner companies. Several students secured job offers, demonstrating the effectiveness of the training in preparing them for industry roles.

4. **Support and Sponsorship by Capgemini:**

The program was generously sponsored by Capgemini under their CSR initiative. In addition to funding the training, Capgemini also provided placement opportunities, helping students transition smoothly into the professional world. This partnership was crucial in offering students a pathway to employment after the program.

5. **Accommodation and Food Facilities:**

Fuel Foundation played a significant role in ensuring the students' well-being during the training period. They provided accommodation and food for the first three months of the program, ensuring that students from different locations could focus entirely on their learning without worrying about basic necessities.

Role of the Coordinator

Shyam Kulkarni, the program coordinator, played a pivotal role in ensuring the smooth execution of the training. He managed the logistical arrangements, coordinated between the students, trainers, and sponsoring organizations, and provided continuous support throughout the program.

Conclusion

The Fuel Java Training Program, held at Sanjeevan Engineering and Technology Institute, was a highly successful initiative that empowered students with critical Java programming skills. Sponsored by Capgemini and supported by Fuel Foundation's comprehensive care, the program not only enhanced students' technical knowledge but also opened doors to job opportunities in the IT industry. The collaboration between academia, industry, and non-profit organizations proved to be a model for effective skill development and employability enhancement.

NOTICE

Subject: Bajaj Engineering Skills Training Program (BEST)

The Training and Placement Department, in association with Symbiosis International (Deemed) University, is pleased to announce the *Bajaj Engineering Skills Training Program (BEST)* for the students of Sanjeevan Engineering and Technology Institute, Panhala. This six-month intensive training program, conducted by Dr. Javed Sayyad, aims to enhance the technical and professional skills of electrical engineering students.

Program Details:

- **Duration:** 01 December 2023 to 05 May 2024
- **Trainer:** Dr. Javed Sayyad
- **Sponsor:** Bajaj Group (under CSR initiative)

All eligible students are encouraged to make the most of this valuable opportunity.

Sponsored by: Bajaj Group

The **Bajaj Engineering Skills Training Program (BEST)**, conducted by Symbiosis International (Deemed) University for the students of Sanjeevan Engineering and Technology Institute, Panhala, was a six-month intensive training program designed to enhance the technical and professional skills of electrical engineering students. The program, held from 1st December 2023 to 5th May 2024, was sponsored by the Bajaj Group as part of their Corporate Social Responsibility (CSR) initiative.

Objectives of the Program

The BEST program aimed to provide electrical engineering students with industry-relevant skills, bridging the gap between academic knowledge and practical applications. The focus was on equipping students with hands-on training in the latest engineering technologies, improving their employability in the competitive job market. Additionally, the program emphasized holistic development, including soft skills training to ensure the students are job-ready.

Bajaj Engineering Skills Training

A Flagship CSR Initiative of

Bajaj Auto Ltd.

In association with

Symbiosis Institute of Technology

Symbiosis International Deemed University

Key Highlights of the Program

1. Comprehensive Skill Development:

The program covered a wide range of technical topics relevant to electrical engineering, including power systems, control systems, circuit design, automation

JAIN,
O=SANJEEVAN
ENGINEERING &

and renewable energy technologies. Students received practical training through workshops and lab sessions that were aligned with current industry practice:

2. Industry-Oriented Curriculum:

The curriculum, designed by Symbiosis International University, was tailored to meet industry demands. Apart from the technical modules, the program also included training on soft skills such as communication, teamwork, and problem-solving, which are crucial for success in the workplace.

3. Free Accommodation and Facilities:

As part of the CSR initiative by Bajaj Group, students were provided with free accommodation and food for six months at Pune, where the training was conducted. This arrangement ensured that students could focus entirely on their learning without any financial burden related to their stay.

4. Practical Exposure and Workshops:

The training included multiple workshops, industrial visits, and interaction with industry professionals. Students worked on live projects, gaining valuable insights into how theoretical concepts are applied in real-world electrical systems. This hands-on exposure was a critical aspect of the BEST program.

5. Mentorship and Guidance:

Dr. Javed Sayyad, the coordinator of the program, provided continuous mentorship and support to the students. He ensured smooth coordination between the university, students, and the industry experts involved in the program. His role was pivotal in ensuring the success of the training.

Impact on Students

The BEST program significantly enhanced the students' technical competencies and made them more confident in tackling industry challenges. Several students expressed that the combination of theoretical learning and practical exposure helped them build a solid foundation for their future careers in the electrical engineering field.

Conclusion

The Bajaj Engineering Skills Training Program (BEST) was a transformative experience for the electrical engineering students of Sanjeevan Engineering and Technology Institute. Conducted by Symbiosis International University and sponsored by the Bajaj Group, the program successfully equipped students with essential skills, preparing them for a bright future in the engineering industry. The free accommodation and extensive hands-on training made it a comprehensive learning journey that would benefit the students immensely in their professional careers.

Report on Full Stack Java Training Program

Organized by: Sanjeevan Engineering and Technology Institute,
Panhala

Conducted by: Symbiosis Skills and Professional University

Program Dates: 30th January 2024 to 29th May 2024

Coordinator: Shri. Baliram Londe

Target Group: CSE and Electrical Engineering Students

Training Location: Sanjeevan Engineering and Technology Institute Premises

The **Full Stack Java Training Program**, conducted by Symbiosis Skills and Professional University for the students of Sanjeevan Engineering and Technology Institute, Panhala, was a four-month comprehensive training initiative aimed at providing both Computer Science Engineering (CSE) and Electrical Engineering students with essential full stack Java development skills. The program ran from 30th January 2024 to 29th May 2024 and was coordinated by Shri. Baliram Londe.

Objectives of the Program

The main objective of the Full Stack Java Training Program was to equip students with the necessary knowledge and skills to develop end-to-end Java-based applications. The course covered front-end, back-end, database management, and other essential technologies, giving students a holistic understanding of full stack development. The program aimed to enhance their employability by making them proficient in building complete software solutions.

Key Highlights of the Program

1. Comprehensive Java Curriculum:

The program provided in-depth training on Java programming, starting from core Java concepts and advancing to frameworks such as Spring and Hibernate. The curriculum also included front-end technologies such as HTML, CSS, and JavaScript, as well as back-end services and database integration using MySQL.

Kit Distribution to Students for the Program

2. On-Site Training by Symbiosis Trainers:

For the duration of the program, Symbiosis Skills and Professional University sent experienced trainers to the Sanjeevan Engineering and Technology Institute premises. The trainers conducted on-site classes for four months, ensuring students received continuous guidance and mentorship throughout the course.

3. Hands-On Projects and Practical Learning:

The training program adopted a project-based learning approach. Students worked on various projects involving the design, development, and deployment of full stack applications. These real-world projects gave students the opportunity to apply their theoretical knowledge in practical scenarios, enhancing their coding and problem-solving skills.

4. **Cross-Disciplinary Learning for CSE and Electrical Students:**

While the program primarily focused on Java development, it also allowed Electrical Engineering students to broaden their technical skill set by learning software development. This cross-disciplinary approach empowered students from both departments to become well-rounded professionals capable of working in diverse technology fields.

5. **Effective Program Coordination:**

The program was efficiently coordinated by Shri. Baliram Londe, who ensured smooth communication between the students, trainers, and university officials. His efforts in organizing the training, managing schedules, and addressing student queries contributed to the program's success.

6.

Impact and Student Feedback

The Full Stack Java Training Program proved to be a valuable experience for both CSE and Electrical Engineering students. By the end of the training, students were proficient in full stack development, with many expressing increased confidence in their ability to build and deploy Java-based web applications. The hands-on approach and continuous support from trainers were highly appreciated by the participants.

Objectives of Java & Python Training Program

The primary goal of the program was to equip students with essential Python and Java programming skills, helping them become proficient in key programming languages widely used in various industries. The training focused on enhancing their technical knowledge, making them job-ready for roles in software development, data analysis, and related fields. Additionally, the program aimed to create job opportunities for the students by facilitating placement support after the training.

NOTICE

Subject: Java & Python Training Program

The Training and Placement Department, in association with Symbiosis Skills and Professional University, is pleased to announce a *Java & Python Training Program* starting on 11-06-2024. The program will be coordinated by Ms. Hema R.

Program Details:

- **Start Date:** 11-06-2024
- **Organized by:** Training and Placement Department in collaboration with QSpider
- **Coordinator:** Ms. Hema R

Objectives of the Java & Python Training Program:

1. **Skill Development in Key Programming Languages:** The program aims to equip students with essential skills in Java and Python, which are widely used in software development, data analysis, artificial intelligence, and more.
2. **Enhanced Technical Knowledge:** Students will gain a comprehensive understanding of both languages, from foundational to advanced concepts, enhancing their technical proficiency and confidence in coding.
3. **Job Readiness for Various Roles:** The training is designed to prepare students for roles in software development, data analysis, and related fields, making them highly competitive in the job market.
4. **Placement Support:** The program also aims to provide placement support, helping students access job opportunities in their chosen fields after completing the training.

All interested students are encouraged to register and make the most of this opportunity to advance their programming skills and career prospects.

Training Locations: Pune and Bangalore

Sponsored by: CSR Initiative (Free of Cost)

The **Python Training Program**, conducted by QSpiders for the students of Sanjeevan Engineering and Technology Institute, was a remarkable initiative aimed at providing high-quality Python and Java training. The program, which began on 11th June 2024, was offered to both Computer Science (CSE) and Electrical Engineering students and was part of a Corporate Social Responsibility (CSR) initiative, ensuring that the training was free of cost. Students had the opportunity to choose between two prestigious training locations—Pune and Bangalore.

Objectives of the Program

The primary goal of the program was to equip students with essential Python and Java programming skills, helping them become proficient in key programming languages widely used in various industries. The training focused on enhancing their technical knowledge, making them job-ready for roles in software development, data analysis, and related fields. Additionally, the program aimed to create job opportunities for the students by facilitating placement support after the training.

Key Highlights of the Program

1. Python and Java Curriculum:

The training provided in-depth knowledge of Python programming, covering fundamental concepts such as data structures, object-oriented programming, and libraries such as NumPy and Pandas. Java training modules were also included, giving students exposure to multi-language coding environments. Both programming languages were taught from a beginner to advanced level, ensuring students gained proficiency in full-stack development.

2. Flexible Training Locations:

Students were given the unique opportunity to choose their preferred training location—Pune or Bangalore. This flexibility allowed students from various regions to participate in the training without worrying about logistical challenges. Both locations provided state-of-the-art facilities, ensuring a high-quality learning experience.

SANJEEV NATVAR JAIN
SANJEEVAN
ENGINEERING

3. **Free-of-Cost Training:**

Sponsored by QSpiders under their CSR initiative, the entire program was offered at no cost to the students. This generous initiative ensured that all participants had access to high-quality education and skill development without any financial burden.

4. **Job Opportunities and Placement Support:**

A key highlight of the program was the guaranteed placement support provided to the students after completing the training. Each participant was offered a minimum of six job openings, with recruitment drives conducted by leading companies in the software and IT industry. This strong placement support significantly enhanced the employability of the students.

5. **Efficient Coordination:**

Hema R, the coordinator for the program, played a crucial role in managing the logistics, student engagement, and communication with QSpiders. Her dedication ensured that students had a seamless learning experience, whether they chose Pune or Bangalore as their training location.

Impact on Students

The Python and Java Training Program made a substantial impact on the students' technical capabilities. Many participants expressed their appreciation for the hands-on learning approach, which included practical coding exercises and real-world projects. By the end of the program, students were well-versed in Python and Java, and they had multiple job opportunities lined up, thanks to the robust placement support.

Conclusion

The Python and Java Training Program, conducted by QSpiders for Sanjeevan Engineering and Technology Institute, was a resounding success. The program's free-of-cost nature, coupled with flexible training locations and guaranteed job placements, made it a highly beneficial opportunity for CSE and Electrical students. Through this initiative, students gained valuable programming skills, significantly boosting their career prospects in the software development industry.

Interview Skills and Resume Building Using AI Online

Organized By

Training and Placement Department

In Association with

Rubicon Skills Pvt Ltd , Pune

22-06-2024

Coordinator

Kanupriya M

Objectives of Interview Skills and Resume Building Using AI Online

The primary objective of the program was to introduce first-year students to the modern-day tools and techniques used in interviews and resume building. Special emphasis was placed on the role of **Artificial Intelligence (AI)** in optimizing resumes and preparing for interviews. The program aimed to make students aware of how AI-powered tools can streamline job applications and improve their chances of getting hired.

NOTICE

Subject: Interview Skills and Resume Building Using AI Workshop

The Training and Placement Department, in association with Rubicon Skills Pvt Ltd, Pune, is organizing an *Interview Skills and Resume Building Using AI* online workshop on 22-06-2024. The session will be coordinated by Ms. Hema R.

Objectives of the Workshop:

- Equip students with advanced skills in interview techniques and resume building using AI tools.
- Help students develop strong, industry-ready resumes.
- Prepare participants for successful job interviews with personalized AI-driven insights.

All students are encouraged to attend this online workshop to boost their career readiness.

Report on Interview Skills and Resume Building Using AI

Organized by: Sanjeevan Engineering and Technology Institute,
Panhala
Conducted by: Rubicon Skills Pvt. Ltd.

Program Date: 22nd June 2024
Target Group: All First-Year Students
Trainer: Kanupriya M

On 22nd June 2024, Sanjeevan Engineering and Technology Institute, in collaboration with Rubicon Skills Pvt. Ltd., conducted an **Online Workshop on Interview Skills and Resume Building Using AI** for all first-year students. The workshop, led by experienced trainer Kanupriya M, aimed to equip students with essential skills to enhance their employability early in their academic journey.

Objectives of the Program

The primary objective of the program was to introduce first-year students to the modern-day tools and techniques used in interviews and resume building. Special emphasis was placed on the role of **Artificial Intelligence (AI)** in optimizing resumes and preparing for interviews. The program aimed to make students aware of how AI-powered tools can streamline job applications and improve their chances of getting hired.

Key Highlights of the Program

1. AI-Powered Resume Building:

Kanupriya M demonstrated how AI tools can help students create professional and tailored resumes. She explained the importance of keyword optimization, formatting, and customizing resumes based on job descriptions. The session also covered AI platforms that review resumes and offer real-time suggestions for improvement, helping students stand out in competitive job markets.

Signature Not Ver
SANJEEV
NATVAR JAIN
Q-SAN
ENGINE

2. **Interview Preparation Techniques:**

The workshop provided in-depth guidance on how AI tools are being used by recruiters for pre-interview screening, including mock interviews using AI profiles. Students were given insights into common interview questions and how to effectively communicate their skills and experiences. Kanupriya highlighted the importance of body language, confidence, and clarity in virtual interviews.

3. **Interactive Learning:**

The session was highly interactive, with live demonstrations of AI tools used for resume building and mock interviews. Students were encouraged to engage, ask questions, and participate in activities designed to help them apply the skills they learned. Real-time feedback was provided, ensuring students could identify areas for improvement.

4. **Personalized Tips for Students:**

Kanupriya offered personalized tips to students on how to effectively showcase their academic achievements, internships, and extracurricular activities in their resumes. She also provided guidance on preparing for various types of interviews—ranging from technical to HR rounds—and shared best practices for first-time interviewees.

Conclusion

The **Interview Skills and Resume Building Using AI** workshop was a highly informative and engaging session for first-year students at Sanjeevan Engineering and Technology Institute. With practical insights and demonstrations by Kanupriya M, students learned how to leverage AI tools to create impactful resumes and prepare for interviews effectively. This early exposure to essential career skills will greatly benefit the students as they progress through their academic and professional journeys.

Report on TCS Youth Skill Development Program

Organized by: Sanjeevan Engineering and Technology Institute,
Panhala

Conducted by: Tata Consultancy Services (TCS)

Platform: Online via LinkedIn

Program Date: 21st June 2024

Target Group: Sanjeevan Engineering and Technology Institute Students

On 21st June 2024, the students of Sanjeevan Engineering and Technology Institute actively participated in the **TCS Youth Skill Development Program**, conducted online through the LinkedIn platform. The program, organized by Tata Consultancy Services (TCS), aimed at providing students with essential skills for employability, career development, and professional growth. Sanjeevan Institute facilitated the participation of its students by sharing details of the program and encouraging widespread attendance.

Objectives of the Program

The primary goal of the TCS Youth Skill Development Program was to equip students with critical skills needed to succeed in today's rapidly evolving job market. The program focused on fostering technical proficiency, soft skills, and digital literacy among the youth. Through online modules and expert talks, students were exposed to various industry-relevant skills that could enhance their employability and career readiness.

TCS Youth Employment Program

TCS Empowers

Training start date - 21 June 24

Training time - 6PM - 7PM

Key Highlights of the Program

1. Comprehensive Skill Development:

The program offered training on multiple skills ranging from technical topics like coding, data analysis, and cloud computing to soft skills such as communication, problem-solving, and teamwork. The holistic approach aimed to develop both the technical and interpersonal capabilities of students.

2. Flexible Online Learning:

Conducted through LinkedIn, the program provided a flexible and accessible learning environment. Students could engage with the content at their own pace, ensuring they gained maximum benefit from the learning modules. The platform offered a range of video lectures, interactive content, and quizzes to reinforce learning.

3. Industry Insights and Expert Talks:

As part of the program, industry experts from TCS shared their insights on current trends in the IT and business sectors. These sessions helped students understand the expectations of employers and how they can align their skills to meet industry demands. The discussions on emerging technologies and career paths were particularly beneficial for the students.

4. Practical Knowledge and Real-World Application:

The program emphasized practical knowledge, giving students an opportunity to apply what they learned through case studies and project-based exercises. The hands-on approach enabled them to better understand the real-world applications of the skills they were acquiring.

Impact on Students

The TCS Youth Skill Development Program provided Sanjeevan students with a unique opportunity to learn from a globally recognized organization. Many students expressed that the online format allowed them to balance the program with their regular academic activities while gaining valuable skills. The training not only improved their technical knowledge but also boosted their confidence in approaching job interviews and career opportunities.

NOTICE

Subject: TCS Youth Skill Development Program

The Training and Placement Department, in association with TCS, is organizing a *TCS Youth Skill Development Program* on 22-06-2024. The program will be coordinated by Mr. Sameer Jain, CSR Manager at TCS.

Objectives of the Program:

1. Equip students with essential skills to succeed in today's rapidly evolving job market.
2. Develop technical proficiency, soft skills, and digital literacy among participants.
3. Provide exposure to industry-relevant skills through online modules and expert talks to enhance employability and career readiness.

All interested students are encouraged to participate and take advantage of this valuable opportunity for skill development.

Aptitude SKILLS TRAINING PROGRAM IN ASSOCIATION WITH GTT Foundation

Organized By

Training and Placement Department

In Association with

GTT Foundation

From

05-02-2024 to 09-02-2024

Trainers

Pritam Mahamuni, Pune

OBJECTIVES FOR THE APTITUDE SKILLS TRAINING PROGRAM IN ASSOCIATION WITH GTT FOUNDATION:

1. **Sharpen Aptitude Test Skills:** Enhance participants' ability to identify patterns, solve logical reasoning problems, and excel in quantitative reasoning sections commonly found in aptitude tests.
2. **Boost Exam Confidence:** Increase participants' confidence and preparedness for aptitude tests used in competitive exams for higher education or job placements.
3. **Develop Problem-Solving Strategies:** Equip participants with effective problem-solving strategies and critical thinking skills applicable to various aptitude test formats.
4. **Level Up Employability:** Improve participants' overall employability by strengthening their aptitude, making them more competitive in the job market.

Report on Aptitude Skills Development Program

Organized by: Sanjeevan Engineering and Technology Institute,
Panhala

In Association with: GTT Foundation, Pune

Date: 5th February 2024 to 9th February 2024

Trainer: Mr. Pritam Mahamuni, Rubicon Skills Pvt. Ltd., Nagar

The Aptitude Skills Development Program, conducted from 5th to 9th February 2024 at Sanjeevan Engineering and Technology Institute, Panhala, in collaboration with GTT Foundation, Pune, was a comprehensive training program aimed at enhancing the aptitude and analytical abilities of the students. Mr. Pritam Mahamuni, an expert trainer from Rubicon Skills Pvt. Ltd., led the sessions with a focus on preparing students for competitive exams and placement opportunities.

Objectives of the Program

The main objective of the program was to strengthen the students' aptitude skills, including quantitative reasoning, logical thinking, and problem-solving abilities. These skills are critical for excelling in competitive exams and placement interviews. The program also aimed to familiarize students with various types of aptitude tests commonly used by recruiters in hiring processes.

ENGINEERING &

Key Highlights of the Program

1. Quantitative Aptitude:

The first two days of the program focused on developing the students' quantitative aptitude. Mr. Mahamuni covered topics such as arithmetic, algebra, percentages, ratios, and time-speed-distance problems. Students participated in problem-solving exercises designed to enhance their calculation speed and accuracy, which are essential for competitive exams.

2. Logical Reasoning:

On the third day, the focus shifted to logical reasoning skills. Mr. Mahamuni introduced various reasoning techniques that are commonly tested in aptitude exams, including puzzles, series completion, and syllogisms. The students were actively engaged in solving logical problems, which helped them improve their analytical thinking abilities.

3. Data Interpretation and Analysis:

Day four was dedicated to data interpretation and analysis. Mr. Mahamuni guided students through different types of data representation, such as graphs, charts, and tables. He taught them how to interpret data accurately and make informed decisions based on the information presented. This session was particularly useful for students aiming to excel in corporate job assessments.

4. Test-Taking Strategies and Time Management:

On the final day, Mr. Mahamuni focused on test-taking strategies and time management, crucial aspects for performing well in aptitude tests. He provided tips on how to approach difficult questions, prioritize tasks, and manage time efficiently during exams. Mock tests were conducted to give students practical experience in applying these strategies under timed conditions.

Interactive Learning Environment

The program was designed to be highly interactive, with a mix of lectures, practical exercises, and mock tests. Mr. Mahamuni's engaging teaching style kept the students motivated and involved throughout the sessions. The use of real-world examples and exam-like problems helped students grasp complex concepts and apply them effectively.

Conclusion

The Aptitude Skills Development Program was a successful initiative that provided students with the necessary skills to excel in aptitude-based assessments. Mr. Pritam Mahamuni's structured approach to teaching quantitative aptitude, logical reasoning, and data interpretation helped the students build confidence in their abilities. The program, conducted in association with GTT Foundation, Pune, played a pivotal role in preparing the students for competitive exams and job placements, equipping them with the skills needed to achieve success in their careers.

LIFE SKILLS TRAINING PROGRAM IN ASSOCIATION WITH RUBICON SKILLS- 01 Batch

Organized By

Training and Placement Department

In Association with

Rubicon Skills Pvt Ltd , Pune

From

12- 02-2024 to 16-02-2024

Trainer

Shri Madam Patil

Objectives of Life Skills Training Program with Rubicon Skills:

1. **Develop Foundational Life Skills:** Equip participants with essential life skills like decision-making, problem-solving, critical thinking, and effective communication, which are crucial for success in various aspects of life.
2. **Boost Employability:** Enhance participants' employability by fostering skills like teamwork, leadership, time management, and conflict resolution – highly sought-after qualities in the workplace.
3. **Promote Personal Growth:** Nurture personal growth and self-awareness by focusing on skills like goal setting, stress management, and emotional intelligence.
4. **Build Confidence and Resilience:** Cultivate confidence and resilience, enabling participants to navigate challenges, adapt to change, and bounce back from setbacks.
5. **Bridge the Skills Gap:** Address the gap between academic qualifications and essential life skills, empowering participants to thrive in today's dynamic world (potentially aligning with Rubicon's mission of making learning aspirational).

NOTICE

Subject: Life Skills Training Program In Association With Rubicon Skills

Dear Students,

We are excited to announce a fantastic opportunity for students - a Life Skills Training session hosted by Rubicon Skills.

Date: 12-02-2024 to 15-02-2024

Trainer –Mr. Madan Patil

Objectives of Life Skills Training Program with Rubicon Skills

1. **Develop Foundational Life Skills:** Equip participants with essential life skills like decision-making, problem-solving, critical thinking, and effective communication, which are crucial for success in various aspects of life.
2. **Boost Employability:** Enhance participants' employability by fostering skills like teamwork, leadership, time management, and conflict resolution – highly sought-after qualities in the workplace.
3. **Promote Personal Growth:** Nurture personal growth and self-awareness by focusing on skills like goal setting, stress management, and emotional intelligence.
4. **Build Confidence and Resilience:** Cultivate confidence and resilience, enabling participants to navigate challenges, adapt to change, and bounce back from setbacks.
5. **Bridge the Skills Gap:** Address the gap between academic qualifications and essential life skills, empowering participants to thrive in today's dynamic world (potentially aligning with Rubicon's mission of making learning aspirational).

Please mark the date on your calendar and be punctual. Dress comfortably and bring any necessary materials. This training is open to all final-year students, regardless of their major.

If you have any questions or need further information, please contact 8855090550

We look forward to seeing you there and supporting your successful journey.

Notice

Date: 08/09/2023

All the students of F. Y. B. Tech are pleased to announce a **Life Skills Programme**, aimed at equipping students with essential interpersonal, professional, and personal skills that are crucial for success in both academic and professional life.

Programme Details:

- **Date:** 12/09/2023 to 15/09/2023
- **Time:** 09:15 to 4:15
- **Venue:** Drawing Hall
- **Target Audience:** [All the students of F. Y. B. Tech]

Key Highlights of the Programme:

1. **Effective Communication Skills**
2. **Time Management and Goal Setting**
3. **Team Building and Leadership**
4. **Stress Management Techniques**
5. **Problem-Solving and Critical Thinking**

This is a golden opportunity to enhance your overall personality and prepare for real-world challenges. Students are encouraged to actively participate and make the most of this enriching experience.

Registration:

- Register at department HODcabin by before 10/09/2023.
- Attendance is mandatory.

We look forward to your enthusiastic participation!

A Report
On
Four Days Workshop on "Life Skills
Development"

1. **Title of Workshop :** Life Skills Development
2. **Date of Workshop:** 12th To 15th Sep. (From 9:30 am to 4:15 pm)
3. **Kind of Activity:** Hands on Entrepreneurial skills Training
4. **Organized By :** Training and Placement Cell & Department
of Basic Sciences and Humanity
5. **Collaborating Agency:** Rubicon, Pune.
6. **Resource Person /Trainer :** Mr. Yogesh Rahane, Miss. Shankri Vaidya and
Tanushree Madam
7. **Objective of Training Program:** Develop students' capacity for ideation, effective
presentation, and clear verbal and written communication.

A report on the Soft Skills Program conducted for the First Year B. Tech engineering students of Sanjeevan Engineering and Technology Institute Panhala. The program, held from 12th Sept to 15th 2023, aimed to equip students with essential soft skills to complement their technical knowledge and enhance their overall employability.

1. Background: Recognizing the increasing importance of soft skills in the professional world, Sanjeevan Engineering and Technology Institute Panhala initiated the Soft Skills Program to bridge the gap between technical expertise and interpersonal proficiency. The program was designed to empower engineering students with the communication, teamwork, leadership, and problem-solving skills essential for success in their future careers.

2.Objective: The following were the main goals of the Soft Skills Program:

- a. **Communication Skills:** Develop students' capacity for ideation, effective presentation, and clear verbal and written communication.
- b. **Teamwork and Collaboration:** Help students gain an awareness of good teamwork, team dynamics, and how to get along with a variety of group members.
- c. **Leadership Skills:** Develop your ability to make decisions, inspire and motivate people, and exercise leadership in a work environment.
- d. **Critical Thinking and Problem-Solving Skills:** Give students the tools they need to think critically, tackle complicated problems methodically, and solve analytical difficulties.
- e. **Time Management and Stress Management:** Help students manage their time and stress effectively so they can balance their personal and academic obligations.

3. Program Elements: Taught by seasoned instructors and business experts, the Soft Skills Program included a number of interactive workshops, seminars, and sessions. Among the elements of the program were:

- a. **Communication Workshops:** Interactive classes aimed at enhancing written and verbal communication abilities, such as business writing, public speaking, and efficient interaction in work environments.
- b. **Team-building Activities:** Interesting games and activities that encourage collaboration, teamwork and efficient group communication.
- c. **Leadership Seminars:** These are talks and debates facilitated by prominent figures in the field to enlighten students and motivate them with regards to good leadership traits and techniques.
- d. **Problem-Solving Labs:** Hands-on lessons designed to hone students' critical thinking and problem-solving abilities using case studies and real-world settings.
- e. **Time and Stress Management Workshops:** These instructional sessions offer students effective time management and stress-reduction strategies for both academic and professional contexts.

4. Student Input: The vast majority of pupils who took part had positive feedback. They conveyed gratitude for the program's application in the real world and its ability to have a big influence on their career advancement. Pupils stated feeling more assured about their ability to communicate and realizing the value of soft skills for their future employment.

5. Suggestions: Considering the efficacy of the Soft Skills Program, we suggest including soft skills education into the engineering curriculum on a regular basis. Such programs can be made even more effective by including real-world scenarios and continuing to collaborate with industry professionals.

6. Conclusion: Sanjeevan Engineering and Technology Institute Panhala made a great effort with the Soft Skills Program to give engineering students the fundamental interpersonal skills needed to succeed in the workplace. We have high hopes that the soft skills our students have gained will help them grow as individuals and better equip them for the workforce.

We appreciate your dedication to improving the educational experience at Sanjeevan Engineering and Technology Institute Panhala and your support. We eagerly anticipate new projects focused on our pupils' overall growth.

Rubicon Skills Trainer: Yogesh Rahane

Introduction

The Life Skills Training Program, in collaboration with Rubicon Skills and led by Trainer Yogesh Rahane, was conducted at Sanjeevan Engineering Institute, Panhala, from August 12, 2023, to September 15, 2023. The program was specifically designed for second-year students of Electrical and Civil Engineering to equip them with essential life skills and provide hands-on experience through field activities.

Program Highlights

Day 1 - September 12, 2023

Orientation: The program began with an orientation session where students were introduced to the objectives and schedule of the training, emphasizing the unique blend of classroom and field activities.

Communication Skills: Yogesh Rahane conducted interactive sessions on effective communication, highlighting its importance in both personal and professional life.

Day2 -September13, 2023

Time Management: Thesecond day focused on time management skills, helping students learn how to balance their academic and personal commitments effectively.

Field Activity - Site Visit: Students were taken on a site visit to apply their time management skills in a real-world scenario, observing electrical and civil engineering projects.

Day3 -September14, 2023

Stress Management: Yogesh Rahane shared strategies to manage stress, especially in the demanding fields of Electrical and Civil Engineering.

Conflict Resolution: Classroom discussions and activities centered on conflict resolution and effective problem-solving techniques.

Day4 -September15, 2023

Field Activity - Practical Application: The program concluded with another field activity, allowing students to apply the skills they had learned in a hands-on manner at the construction site.

Closing Ceremony: The program concluded with a certificate distribution ceremony, where participants received certificates recognizing their successful completion of the program.

Feedback and Impact

The Life Skills Training Program with a focus on field activities received enthusiastic feedback from the second-year students of Electrical and Civil Engineering at Sanjeeva Engineering Institute. Participants appreciated the unique combination of classroom learning and real-world exposure, which enhanced their understanding of life skills in practical settings.

Yogesh Rahane's expertise, both in the classroom and during field activities, was highly appreciated by students and faculty alike. The program successfully equipped students with crucial life skills while providing them with valuable experiences in their respective fields.

Conclusion

The Life Skills Training Program, conducted in collaboration with Rubicon Skills and Trainer Yogesh Rahane, was a highly impactful initiative. It not only provided students with essential life skills but also allowed them to apply these skills in real-world scenarios through field activities. We extend our gratitude to all participants and look forward to future collaboration that enriches the educational experience of our students.

Rubicon Skills Trainer: Miss. Shankri Vaidya

Introduction

The Life Skills Training Program, in collaboration with Rubicon Skills and led by Trainer Shankri Madam from Mumbai, was conducted at Sanjeevan Engineering Institute, Panhala, from September 12, 2023, to September 15, 2023. This unique program was tailored to benefit second-year students of Mechanical Engineering and first-year students of all engineering disciplines, combining classroom training with hands-on field activities.

Program Highlights

Day1 -September12, 2023

Orientation: The program began with an orientation session where students were introduced to the objectives and the innovative blend of classroom and field training.

Communication Skills: Shankri Madam led interactive sessions on effective communication, emphasizing its significance in both academic and professional contexts.

Day2 -September13, 2023

Time Management: The second day was dedicated to time management skills, helping students strike a balance between their academic and personal commitments.

Field Activity - Mechanical Workshop: Students embarked on a field visit to a mechanical workshop, applying their time management skills and gaining hands-on experience in Mechanical Engineering.

Day3 -September14, 2023

Stress Management: Shankri Madam conducted sessions on stress management, addressing the unique challenges students in engineering disciplines may face.

Conflict Resolution: Classroom discussions and practical exercises centered on conflict resolution and effective problem-solving techniques.

Day4 -September15, 2023

Field Activity - Engineering Site Visit: The program concluded with another field activity, where students visited an engineering construction site, applying the life skills they had acquired throughout the program.

Closing Ceremony: The program ended with a certificated distribution ceremony, where participants received certificates acknowledging their successful completion of the program.

Feedback and Impact

The Life Skills Training Program with its immersive approach received overwhelmingly positive feedback from second-year Mechanical Engineering students and first-year engineering students at Sanjeevan Engineering Institute. Participants lauded the combination of classroom learning and real-world exposure, which significantly enhanced their grasp of life skills within their engineering context.

Shankri Madam's expertise, both in classroom instruction and during field activities, was highly valued by students and faculty. The program successfully equipped students with essential life skills while allowing them to apply these skills in real-world engineering settings.

RubiconSkillsTrainer: Tanushree Madam

Introduction

The Life Skills Training Program, in collaboration with Rubicon Skills and led by Trainer Tanushree Madam, was conducted at Sanjeevan Engineering Institute, Panhala, from September 12, 2023, to September 15, 2023. The program was specially designed for first-year engineering students to equip them with essential life skills necessary for their academic and personal growth.

Program Highlights

Day 1 -September 12, 2023

Orientation: The program began with a warm welcome and orientation session, where students were introduced to the objectives and schedule of the training.

Communication Skills: Tanushree Madam conducted interactive sessions on effective communication, emphasizing the importance of clear and concise expression.

Day 2 -September 13, 2023

Time Management: The second day focused on time management skills, teaching students how to prioritize tasks, set goals, and make the most of their time.

Conflict Resolution: Students participated in discussions and activities on conflict resolution and problem-solving techniques.

Day 3 -September 14, 2023

Stress Management: Tanushree Madam shared strategies to manage stress, cope with academic pressures, and maintain mental well-being.

Financial Literacy: The afternoon session covered financial literacy, including budgeting, saving, and making informed financial decisions.

Day 4 -September 15, 2023

Career Guidance: The final day of the program focused on career guidance, helping students explore career options and set goals for their academic and professional journey.

Closing Ceremony: The program concluded with a certificate distribution ceremony, where participants received certificates of completion.

Feedback and Impact

The Life Skills Training Program received positive feedback from the first-year engineering students of Sanjeevan Engineering Institute. Participants reported increased self-confidence, improved

Signature

NATVAR JAIN

communication skills, and enhanced time management abilities. They found the stress management and conflict resolution sessions particularly valuable in adapting to their new academic environment.

Tanushree Madam's expertise and engaging teaching style were highly appreciated by both students and college faculty. The program has undoubtedly equipped the first-year students with crucial life skills that will benefit them not only during their academic journey but also in their future careers.

Conclusion

The Life Skills Training Program, conducted in collaboration with Rubicon Skills and Trainer Tanushree Madam, was a successful initiative. It has empowered the first-year engineering students of Sanjeevan Engineering Institute, Panhala, with essential life skills that will contribute to their personal and academic development. We extend our gratitude to all participants and look forward to future collaborations.

Student Feedback Life Skill Programme 2023/24

1. How would you rate to the quality of your Life Skill Programme overall?

<input checked="" type="checkbox"/> Excellent	<input type="checkbox"/> Good	<input type="checkbox"/> Average	<input type="checkbox"/> Needs Improvement
---	-------------------------------	----------------------------------	--

2. Did it provide you with valuable information to help you in your life?

<input checked="" type="checkbox"/> Excellent	<input type="checkbox"/> Good	<input type="checkbox"/> Average	<input type="checkbox"/> Needs Improvement
---	-------------------------------	----------------------------------	--

3. Did it motivate you to think about new things in your life?

<input checked="" type="checkbox"/> Excellent	<input type="checkbox"/> Good	<input type="checkbox"/> Average	<input type="checkbox"/> Needs Improvement
---	-------------------------------	----------------------------------	--

4. Did it help you to understand Physical, Mental and Social health?

<input checked="" type="checkbox"/> Excellent	<input type="checkbox"/> Good	<input type="checkbox"/> Average	<input type="checkbox"/> Needs Improvement
---	-------------------------------	----------------------------------	--

5. Did it help you to understand more about the Soft Skills?

<input checked="" type="checkbox"/> Excellent	<input type="checkbox"/> Good	<input type="checkbox"/> Average	<input type="checkbox"/> Needs Improvement
---	-------------------------------	----------------------------------	--

6. Did it help you to understand more about the Environment and Human relations?

<input checked="" type="checkbox"/> Excellent	<input type="checkbox"/> Good	<input type="checkbox"/> Average	<input type="checkbox"/> Needs Improvement
---	-------------------------------	----------------------------------	--

7. How was the quality of information provided?

<input checked="" type="checkbox"/> Excellent	<input type="checkbox"/> Good	<input type="checkbox"/> Average	<input type="checkbox"/> Needs Improvement
---	-------------------------------	----------------------------------	--

8. Did the Programme meet your needs and expectations?

<input checked="" type="checkbox"/> Excellent	<input type="checkbox"/> Good	<input type="checkbox"/> Average	<input type="checkbox"/> Needs Improvement
---	-------------------------------	----------------------------------	--

9. How was the Topics chosen in all sessions?

<input checked="" type="checkbox"/> Excellent	<input type="checkbox"/> Good	<input type="checkbox"/> Average	<input type="checkbox"/> Needs Improvement
---	-------------------------------	----------------------------------	--

10. How did you find the structure and arrangement of the Programme?

<input checked="" type="checkbox"/> Excellent	<input type="checkbox"/> Good	<input type="checkbox"/> Average	<input type="checkbox"/> Needs Improvement

Entrepreneurship Development Program

Organized By

Training and Placement Department

In Association with

Bharti Yuva Shakti Trust, Kolhapur

From

28-02-2024

Guest Speaker

Vishwanath Powar – Regional Head, West

OBJECTIVES FOR AN ENTREPRENEURSHIP DEVELOPMENT PROGRAM FOCUSED

1. **Ignite Entrepreneurial Passion:** Foster an entrepreneurial mindset among participants, inspiring them to transform innovative ideas into viable startup ventures.
2. **Develop a Business Model Canvas:** Provide participants with the tools and framework necessary to create a comprehensive business model canvas that defines their startup's value proposition, target market, revenue streams, and essential resources for success.
3. **Market Research and Customer Validation:** Equip participants with the skills to conduct effective market research, validate their startup ideas, understand customer needs, and identify potential market gaps that their venture can fill.
4. **Financial Planning and Pitching:** Offer training on financial forecasting, crafting a compelling pitch deck, and effectively communicating the financial viability of their startup to potential investors and funding sources.
5. **Building a Startup Ecosystem Network:** Facilitate connections between participants and mentors, industry experts, and fellow aspiring entrepreneurs to promote collaboration, knowledge sharing, and access to valuable resources within the startup ecosystem.

Department of Basic Sciences and Humanities

Notice

Date 25/02/2024

Department of Basic Sciences and Humanities is excited to announce a **Guest Lecture on Entrepreneurship**, aimed at inspiring and guiding students towards understanding the journey of building successful ventures.

Details of the Lecture:

- **Date:** 28/02/2024
- **Time:** 11:20 to 01:20
- **Venue:** Class Room 206
- **Guest Speaker:** Mr. Vishwanath Patil
- **Topic:** "Entrepreneurship Development For Engineering Student"

Key Highlights:

- Insights into starting and managing a business.
- Understanding market challenges and innovative solutions.
- Strategies for sustainable growth and leadership.
- Real-world experiences and Q&A session.

This is an excellent opportunity to gain practical knowledge and interact with an industry expert. All students are encouraged to attend.

Report on
Entrepreneurship Development Program for First-Year Engineering Students

1. Title: Entrepreneurship Development Program for First-Year Engineering Students
2. Date of Lecture: 28th February 2024 (11:20 to 1:20)
3. Venue: First Year (206 Classroom)
4. Organized by: Training and Placement Cell & Basic Science and Humanities
5. Resource Person / Speaker: Mr. Vishwanath pawar

Introduction:

The Entrepreneurship Development Program (EDP) conducted for 54 first-year engineering students was spearheaded by Vishwanath Patil, Head of the Business and Young Startup Program (BYSP). The primary objective of this program was to instill an entrepreneurial mindset among students and equip them with the necessary skills and knowledge to embark on entrepreneurial ventures.

Program Overview:

Vishwanath Pawar initiated the program by outlining the significance of entrepreneurship in today's dynamic business landscape. He emphasized the role of innovation, creativity, and resilience in driving entrepreneurial success and encouraged students to explore entrepreneurial opportunities.

Key Discussion Points:

1. **Understanding Entrepreneurship:** Patil delved into the fundamentals of entrepreneurship, including identifying market opportunities, understanding customer needs, and developing viable business ideas. He emphasized the importance of problem-solving and value creation in entrepreneurial endeavors.
2. **Business Planning:** The program included sessions on business planning, market research, and feasibility analysis. Patil guided students through the process of drafting business plans, setting objectives, and formulating strategies to achieve business goals.
3. **Financial Management:** Recognizing the importance of financial literacy in entrepreneurship, Patil provided insights into budgeting, financial forecasting, and managing cash flow. He highlighted the significance of financial discipline and prudent decision-making in ensuring the financial sustainability of a business.
4. **Risk Management:** Patil discussed the various risks associated with entrepreneurship, including market risks, operational risks, and financial risks. He emphasized the importance of risk assessment and mitigation strategies in minimizing potential threats to business success.
5. **Networking and Mentorship:** The program emphasized the value of networking and mentorship in entrepreneurship. Patil encouraged students to leverage their networks, seek guidance from experienced entrepreneurs, and actively engage with industry stakeholders to foster collaboration and growth.

Interactive Workshops and Activities:

To facilitate active learning and engagement, the program included interactive workshops, case studies, and group activities. Students had the opportunity to brainstorm ideas, collaborate on projects, and receive feedback from peers and mentors.

Conclusion:

The Entrepreneurship Development Program led by Vishwanath Patil provided first-year engineering students with a comprehensive understanding of entrepreneurship and equipped them with essential skills and knowledge to pursue entrepreneurial ventures. By fostering an entrepreneurial mindset and providing practical insights into business planning and management, the program aimed to inspire students to unleash their entrepreneurial potential and contribute to economic growth and innovation.

Recommendations:

- Offer ongoing support and mentorship to students interested in pursuing entrepreneurial ventures.
- Organize networking events, pitch competitions, and incubation programs to provide students with opportunities to showcase their ideas and receive guidance from industry experts.
- Collaborate with industry partners and alumni networks to create internship and employment opportunities for aspiring entrepreneurs.

LIFE SKILLS TRAINING PROGRAM IN ASSOCIATION WITH RUBICON SKILLS- 01 Batch

Organized By

Training and Placement Department

In Association with

Rubicon Skills Pvt Ltd , Pune

From

05-02-2024 to 09-02-2024

Trainer

Ms Tanushree Shinde

Objectives of Life Skills Training Program with Rubicon Skills:

1. **Develop Foundational Life Skills:** Equip participants with essential life skills like decision-making, problem-solving, critical thinking, and effective communication, which are crucial for success in various aspects of life.
2. **Boost Employability:** Enhance participants' employability by fostering skills like teamwork, leadership, time management, and conflict resolution – highly sought-after qualities in the workplace.
3. **Promote Personal Growth:** Nurture personal growth and self-awareness by focusing on skills like goal setting, stress management, and emotional intelligence.
4. **Build Confidence and Resilience:** Cultivate confidence and resilience, enabling participants to navigate challenges, adapt to change, and bounce back from setbacks.
5. **Bridge the Skills Gap:** Address the gap between academic qualifications and essential life skills, empowering participants to thrive in today's dynamic world (potentially aligning with Rubicon's mission of making learning aspirational).

Report on Life Skills Development Program

Organized by: Sanjeevan Engineering and Technology Institute, Panhala

In Association with: Rubicon Skills Pvt. Ltd.

Date: 5th February 2024 to 9th February 2024

Trainer: Ms. Tanushree Shinde, Rubicon Skills Pvt. Ltd.

The Life Skills Development Program for second-year students, organized by Sanjeevan Engineering and Technology Institute in collaboration with Rubicon Skills Pvt. Ltd., took place from 5th February to 9th February 2024. The program was facilitated by Ms. Tanushree Shinde, an experienced trainer from Rubicon Skills Pvt. Ltd., who brought her expertise in personal and professional development to the students.

Objectives of the Program

The Life Skills Development Program aimed at equipping students with essential soft skills that are critical for both personal growth and career success. The five-day workshop focused on enhancing the students' communication skills, teamwork, problem-solving abilities, leadership qualities, and emotional intelligence. The goal was to prepare the students for real-world challenges and help them become well-rounded professionals.

Key Highlights of the Program

1. Effective Communication Skills:

The first day focused on developing communication skills, with an emphasis on both verbal and non-verbal communication. Ms. Shinde conducted interactive sessions where students participated in activities designed to improve clarity, confidence, and active listening. The importance of effective communication in both personal and professional settings was stressed.

2. Teamwork and Collaboration:

On the second day, the session revolved around the significance of teamwork. Through group activities and role-playing exercises, students learned how to work collaboratively, respect diverse opinions, and resolve conflicts in a team setting. Ms.

Signature Not Verified
SANJEEV
NATVAR JAIN
O-SAN
ENGINEERING

Shinde demonstrated how strong teamwork can lead to enhanced productivity and innovation.

3. Problem-Solving and Critical Thinking:

Day three concentrated on developing problem-solving skills. Ms. Shinde introduced students to various problem-solving frameworks and encouraged them to think critically and analytically. Case studies and practical exercises helped students apply these techniques to real-life scenarios, fostering a solution-oriented mindset.

4. Leadership and Decision-Making:

The fourth day focused on leadership skills, where students explored different leadership styles and the importance of adaptability in decision-making. Ms. Shinde guided them through activities that tested their decision-making abilities in challenging situations, preparing them to take on leadership roles in their future careers.

5. Emotional Intelligence and Self-Awareness:

The final day of the program emphasized emotional intelligence (EQ) and self-awareness. Ms. Shinde explained how understanding and managing one's emotions can improve relationships and personal well-being. Students participated in self-assessment exercises that helped them identify their emotional strengths and areas for improvement.

Interactive Learning Environment

The program was highly interactive, with a mix of lectures, group discussions, hands-on activities, and reflective exercises. Ms. Shinde's engaging teaching style kept the students motivated throughout the program. She also provided individual feedback to students helping them recognize their potential and areas where they could further develop.

Conclusion

The Life Skills Development Program was a valuable learning experience for the second-year students of Sanjeevan Engineering and Technology Institute. Ms. Tanushree Shinde's sessions provided the students with crucial life skills that will not only benefit them in their academic journey but also in their professional careers. The program was successful in enhancing the students' confidence, teamwork, and problem-solving abilities, setting a strong foundation for their future endeavors.

LIFE SKILLS TRAINING PROGRAM IN ASSOCIATION WITH RUBICON SKILLS- 01 Batch

Organized By

Training and Placement Department

In Association with

Rubicon Skills Pvt Ltd, Pune

From

05-02-2024 to 09-02-2024

Trainer

Ms Tanushree Shinde

Objectives of Life Skills Training Program with Rubicon Skills:

1. **Develop Foundational Life Skills:** Equip participants with essential life skills like decision-making, problem-solving, critical thinking, and effective communication, which are crucial for success in various aspects of life.
2. **Boost Employability:** Enhance participants' employability by fostering skills like teamwork, leadership, time management, and conflict resolution – highly sought-after qualities in the workplace.
3. **Promote Personal Growth:** Nurture personal growth and self-awareness by focusing on skills like goal setting, stress management, and emotional intelligence.
4. **Build Confidence and Resilience:** Cultivate confidence and resilience, enabling participants to navigate challenges, adapt to change, and bounce back from setbacks.
5. **Bridge the Skills Gap:** Address the gap between academic qualifications and essential life skills, empowering participants to thrive in today's dynamic world (potentially aligning with Rubicon's mission of making learning aspirational).

Report on Life Skills Development Program

Organized by: Sanjeevan Engineering and Technology Institute,
Panhala

In Association with: Rubicon Skills Pvt. Ltd.

Date: 5th February 2024 to 9th February 2024

Trainer: Mr. Arshad Shaikh, Rubicon Skills Pvt. Ltd., Nagar

The Life Skills Development Program, held from 5th to 9th February 2024 at Sanjeevan Engineering and Technology Institute, Panhala, was a five-day interactive workshop conducted in collaboration with Rubicon Skills Pvt. Ltd. The program was led by Mr. Arshad Shaikh, a skilled trainer from Rubicon's Nagar branch, who brought a wealth of experience in developing students' interpersonal and professional skills.

Objectives of the Program

The program aimed to empower students with essential life skills that are crucial for their success in both academic and professional spheres. The focus areas included effective communication, teamwork, leadership, problem-solving, and emotional intelligence. These skills were designed to prepare students to face real-world challenges and foster holistic personal growth.

Key Highlights of the Program

1. Communication Skills Enhancement:

The first day centered around improving communication skills. Mr. Shaikh facilitated various interactive activities that helped students practice clear and effective communication. The sessions covered both verbal and non-verbal communication, emphasizing the importance of listening and articulating ideas confidently in professional environments.

Signature
SANJEEV
NATVAR JA

2. Teamwork and Collaboration:

On the second day, the emphasis was on teamwork and the importance of collaboration. Through team-building exercises, students learned how to work cohesively with others, share responsibilities, and resolve conflicts. Mr. Shaikh highlighted how collaboration is essential in both academic projects and professional careers.

3. Critical Thinking and Problem-Solving:

The third day focused on developing critical thinking and problem-solving skills. Mr. Shaikh introduced students to practical strategies for approaching challenges systematically. Students were engaged in problem-solving scenarios and case studies, encouraging them to think creatively and find effective solutions to complex problems.

4. Leadership and Decision-Making:

Leadership skills were the focus of the fourth day. Mr. Shaikh explored different leadership styles and guided students through decision-making exercises. The activities allowed students to experience real-world leadership challenges, teaching them how to make informed decisions, lead teams, and handle responsibilities.

5. Emotional Intelligence and Self-Management:

The final day of the program centered on emotional intelligence, with Mr. Shaikh explaining the significance of understanding and managing emotions. Students participated in exercises designed to improve self-awareness, emotional regulation, and stress management. These skills were emphasized as essential for building strong interpersonal relationships and maintaining mental well-being.

Interactive Approach

Mr. Shaikh's dynamic and interactive training style created an engaging learning environment throughout the five-day workshop. The program incorporated a blend of lectures, group discussions, role-play, and hands-on activities, ensuring students remained actively involved and could apply their learnings in real-life situations.

Conclusion

The Life Skills Development Program, conducted by Mr. Arshad Shaikh, was a tremendous success. It provided the students of Sanjeevan Engineering and Technology Institute with critical life skills that will not only enhance their academic journey but also prepare them for their future professional endeavors. The program equipped the students with enhanced communication, leadership, teamwork, and emotional intelligence skills, laying the groundwork for them to thrive in their careers.

One Page Report

on

5 days Student Development Program on

"Aptitude training"

Organized by CSE department from 05/02/2024 to 09/02/2024

Organized by: CSE and T & P Department, SETI, Panhala

Resource Person: Mr. Pritam Mahamuni

Program Coordinator: Prof. N.A. Magdum

Duration of Program: 5 days.

Venue: Class Room No 306, CSE Department, SETI, Panhala.

A five days training program was organized by the CSE and T&P Department. The purpose of this training was to develop the aptitude skills of the students as well as to teach them some new tricks to solve aptitude questions. This training was conducted with the support and guidance of the Principal of college Dr. S.N. Jain, Head of computer Department Prof. R.S. Nejkar and Dr. A.J. Maske.

Taking into consideration the feedback of the students, it is understood that this training was very beneficial for the students. All students from third year attended the training session. The training session was conducted from 05/02/2024 to 09/02/2024 in three sessions. As per the schedule the various topics are covered during this SDP.

Thanks to all faculty members who have contributed to this SDP.

"AI and Recent Technologies"
Organized by CSE Department

Organized by: CSE Department, SETI, Panhala

Resource Person: Dr. S. V. Patil, H.O.D. AI ML, (D. Y. Patil COE) Kolhapur.

Program Coordinator: Prof. V. B. Ulape

Duration of Program: 2nd November 2023

Venue: Classroom no. 306, CSE Department, Sanjeevan Engineering & Technology Institute, Panhala.

The Guest Lecture on "AI and Recent Technologies" has been organized by the CSE department on student demand. The objective of this lecture is flourish the basic knowledge & practical approach of AI and Recent Technologies. The training which was held under your guidance and support of Prof. R. S. Nejkar, H.O.D CSE department and Dr. S. N. Jain, Principal, SETI, Panhala. Students are flourished with the thoroughly knowledge of Artificial Intelligence.

Total 74 students of Final Year B.Tech had attended the training session. The students from are benefited with the thorough knowledge of Artificial Intelligence and Recent Technologies in it. The lecture was conducted from on 2nd Nov. 2023.

To,

The Principal,

Sanjeevan Engineering & Technology Institute,

Panhala.

Subject: Permission to conduct Two Days Guest Lecture on "Artificial Intelligence for Students.

Respected Sir,

The department of Computer Science & Engineering is going to organize two days guest lecture on "AI" as per students demand (Based on students feedback). The resource person for this guest lecture is Dr.S.V.Patil, HOD (AIML), D.Y.P. COE, Kolhapur. This two days guest lectures will enhance the students to learn basic core concept of AI.

So grant the permission for the same and also sanction the remuneration.

Thanking you,

*Permitted for 2 days
as remuneration

Subject- Letter of Invitation for Guest Lecture on "AI and Recent Technologies" for Computer Science & Engineering Students.

Dear Sir,

Our Institute is established in 2009 in a view to impart engineering education to Under Graduate (UG) & Post Graduate (PG) Students. By learning your expertise and vast experience in the area of Artificial Intelligence and Machine Learning, we are pleased to invite you to deliver a guest lecture on "AI and Recent Technologies for Computer Science & Engineering Students." We are confident that our students would be enriched with your lecture. This lecture will be helpful for our engineering students from their career point of view. The lecture is planned on 2nd November 2023. Kindly give your consent.

Thanking you.

Yours faithfully,

Received

Dear Sir,

We would like to extend our sincere thanks to you for delivering a lecture on "AI and Recent Technologies" for Computer Science & Engineering Students on 2nd November 2023. We are glad to say that the response from the students was enthusiastic. The information presented by you is definitely beneficial to our students for their career enhancement. We genuinely thank you once again for the support and time given by you and we sincerely hope that you would continue to extend your valuable support in our future initiatives as well.

Thanking you.

Yours faithfully,

**One Page Report on
"Recent Trends in IT Sector"**

Organised by: CSE Department

Resource Person 1: Mr. Ajay Patil, Dyanish Technology Pune.

Resource Person 2: Mr. Vivek Patil, Infosys Pvt. Ltd.

Program Coordinator: Prof.V.S.Pawar

Duration of Program: 2.00pm to 4.00pm

Venue: Seminar hall, CSE Dept. SETI.

The seminar on "Recent trends in IT Sector" had organised by the CSE department for placement and Career point of view. By learning about the latest trends, students can identify areas to focus on for skill development, ensuring they are equipped with the knowledge needed to succeed in the job market. The session was held with support of Prof.R.S.Nejkar, H.O.D CSE department, Dr.S.N.Jain, Principal of SETI, Panchala, and Prof.V.S.Pawar T & P Coordinator CSE department. Total 98 students had attended the session. Overall, a talk on recent trends in the IT sector can serve as a valuable educational and motivational resource for students, helping them prepare for successful careers in technology-related fields.

Two Day Self-financed workshop

“Introduction to Excel for Civil Perspective”

20th & 21st January 2023

Organised by

Department of Civil Engineering

Sanjeevan Engineering & Technology Institute, Panhala

Objectives:

- ✦ To introduce Students and faculty with theory and practical concepts of Spreadsheet.
- ✦ To Make Industrial Competent and Familiar working with EXCEL.
- ✦ To make each one capable for utilizing frequently used commands.
- ✦ To imbibe new application areas within Constructions for future projects.

Subject:-About permission for organization of two days workshop on
"Introduction to Word and Excel".

Through: HOD Civil

Respected Sir,

The Department of Civil Engineer is planning to organize self-financed Two Days workshop form 9th February 2024 to 10th February 2024" Introduction to Word and Excel"

The details of the workshop are attached with this letter.

We request you to grand the permission to conduct the workshop in our institute.

Thanking you
Yours Sincerely

Workshop Coordinator
Prof. A. C. Thoke

Workshop Name: Two Days workshop on "Introduction to Word and Excel "

Dates of Workshop: 9th February 2024 to 10th February 2024

Attendees:

1. Students

Summary:

Two Days workshop on "Introduction to Word and Excel" is meant for all those who are working on one or other document product. The workshop is focus to achieve the confidence using various commands used consecutively. Workshop aiming on developing a skill set to use various commands in word and excel.

Workshop emphasizes problem and its solution in word and Excel from Civil Engineering Perspective

Objectives:

- To introduce Students with basic settings in word and excel
- To Make individual work independently as require
- To make each one capable for utilizing frequently used commands.
- To imbibe new application areas within Constructions for future projects.

Resource Persons:

Prof. Shrivallabh S. Chavan

Assistant Professor, SETI, Panhala

Coordinators:

Prof. Amit. C. Thoke

Organizing Committee:

1. Registration & finance Committee: Mr. A. M. Patil
2. Inaugural and Valedictory function Committee: Prof. A. M. Momin

Programme Schedule:

Day One:

Basic windows commands, Conditional formatting, Alignments and formatting, Page setup, themes, fonts etc

Day Two:

Introduction to spreadsheet, settings, use of formulae, performing mathematical operations, introduction to graphs.
