To,
Dear Sir/Ma'am,

Accept our heartfelt greetings!!

As we are longtime admirer of the outstanding work done by your organization in recent past, this proposal is in continuation to our attempt of updating your students with latest soft skills at your doorstep in short time.

It's my pleasure to introduce AIMS a Training Organization, well known for providing quality workshops in advance fields such as **Personality Development , Team Work, Career Guidance , Presentations Skills, Placement Training, EDP , Study Skills And Memory, Business Communications Skills, Leadership, TTP, Campus Recruitment Preparation**. Currently, these are the hottest and largest job-providing techniques. Apropos to same, we wish to conduct workshop programs in these fields at your college campus.

Your college students may be well placed in the market, but being trained in workshops by professionals, definitely gives them an edge. This workshop program is designed as per market survey to provide the advanced concepts along with basics to aptly fit in the hectic semester schedule and at the nominal cost as well. For the benefit of student fraternity, an exposure and hiring trends along with facts & figures of the Industry is provided by our team in the first session or induction training programme.

We look forward for this mutually beneficial opportunity and your benign cooperation in this endeavor.

I will be glad to your positive reply.

Thanking you
