Organized by

**T&P Department In association with Fuel Pune At Pune,
Sanjeevan Engineering & Technology Institute, Panhala**

**Sponsored by,
FUEL , Pune**

10 Objectives of the Free One-Month Core Java Training Program (CSR Initiative) at Fuel Pune

1. **Equip Underprivileged Youth:** Empower individuals from underserved communities with in-demand Core Java skills, making them job-ready for entry-level programming positions.
2. **Bridge the Skill Gap:** Address the shortage of qualified Java developers in the IT industry by providing accessible training to bridge the skill gap.
3. **Introduce Programming Fundamentals:** Introduce participants to the fundamentals of Java programming, including syntax, data types, control flow, and object-oriented programming concepts.
4. **Develop Problem-Solving Skills:** Foster critical thinking and problem-solving abilities through practical coding exercises and projects.
5. **Enhance Employability:** Increase participants' employment prospects by equipping them with a valuable technical skill sought after by employers.
6. **Build a Foundation for Further Learning:** Provide a solid foundation in Core Java that allows participants to pursue further education and specialization in programming.

Title: Fuel's Free Core Java Training Program for Sanjeevan Students

Dates: February 13, 2023 - March 13, 2023

Location: Bhudhan, Pune

Sponsored by: Capgemini Pune

Introduction: From February 13 to March 13, 2023, Fuel organized an exceptional one-month Core Java Training Program for students from Sanjeevan Institute. This initiative was made possible through the generous funding of Capgemini Pune. The program aimed to provide students with comprehensive Java programming skills and enhance their employability in the IT sector. The training program was not only free of cost but also included accommodation, food, certification, and job assistance.

Certificate Sample

Key Highlights:

Comprehensive Core Java Training: The program covered all essential aspects of Core Java, including object-oriented programming, data structures, exception handling, multithreading, and database connectivity. The curriculum was designed to make students industry-ready Java developers.

Professional Trainers: Fuel engaged experienced and certified trainers who were experts in Java programming. They provided hands-on training, real-world examples, and practical insights into Java development.

Fully Funded Program: Thanks to the generous sponsorship from Capgemini Pune, the entire program, including training, accommodation, and food, was offered to students free of cost. This removed financial barriers and made quality education accessible to all.

Accommodation and Facilities: Students were provided with comfortable staying facilities in Bhudhan, Pune, ensuring a conducive learning environment. Nutritious meals were provided throughout the training period.

Certification: At the end of the program, students received a certification of completion, which recognized their proficiency in Core Java. This certification would serve as a valuable addition to their resumes.

Job Assistance: Fuel went the extra mile by offering job assistance to program participants. They were provided with guidance on job interviews, resume building, and job search strategies, increasing their chances of securing employment in the IT industry.

Practical Projects: The program included practical projects, allowing students to apply their Java programming skills to real-world scenarios. This hands-on experience was invaluable for building their portfolios.

Interactive Learning: The training sessions were highly interactive, with a focus on problem-solving and collaborative learning. Students had the opportunity to ask questions, seek clarification, and engage in group discussions.

Conclusion: Fuel's Free Core Java Training Program for Sanjeevan students, sponsored by Capgemini Pune, was a remarkable initiative that provided students with a unique opportunity to enhance their Java programming skills. The program's comprehensive curriculum, professional trainers, and additional benefits like accommodation, food, certification, and job assistance made it an outstanding educational experience. This initiative not only enriched the lives of the students but also contributed to their future employability in the IT sector.

We extend our heartfelt appreciation to Fuel and Capgemini Pune for their dedication to nurturing talent and providing students with access to quality education and job opportunities.

Introduction: Securing a high-paying software job in 2023 requires a combination of technical skills, effective job search strategies, and a strong professional network. In this report, I will share insights and tips on how to successfully crack high-paying software jobs based on my experience as an ex-Microsoft employee.

Enhance Your Technical Skills: a. Stay Current: Keep up-to-date with the latest programming languages, frameworks, and technologies in demand in the industry. b. Build a Strong Foundation: Ensure you have a solid understanding of data structures, algorithms, and problem-solving. c.

Specialize: Consider specializing in a niche area such as machine learning, cloud computing, or cybersecurity to stand out.

Develop a Strong Portfolio: a. Personal Projects: Work on personal coding projects to showcase your skills and passion. b. GitHub: Create a GitHub profile with well-documented projects to demonstrate your coding abilities. c. Open-Source Contributions: Contribute to open-source projects to gain visibility and credibility.

Networking: a. Attend Tech Conferences: Participate in conferences, meetups, and workshops to connect with industry professionals. b. Online Communities: Join tech-related forums, LinkedIn groups, and social media communities to engage with peers and experts. c. Alumni Network: Leverage your university or college alumni network for job referrals and insights.

Prepare for Technical Interviews: a. LeetCode and HackerRank: Practice coding challenges on platforms like LeetCode and HackerRank. b. System Design: Master system design concepts for architecture-related interviews. c. Behavioral Interviews: Prepare for behavioral questions by reflecting on past experiences and achievements.

Build a Strong Resume: a. Tailor Your Resume: Customize your resume for each job application, highlighting relevant skills and experiences. b. Quantify Achievements: Use quantifiable metrics to showcase your accomplishments.

Job Search Strategies: a. Targeted Applications: Apply to companies that align with your career goals and interests. b. Networking: Use your professional network to learn about job openings and receive referrals. c. Online Job Boards: Utilize job search platforms like LinkedIn, indeed, and Glassdoor.

Interview Preparation: a. Mock Interviews: Practice technical and behavioral interviews with friends or mentors. b. Research the Company: Understand the company's culture, products, and recent news. c. Ask Questions: Prepare thoughtful questions to ask the interviewer to demonstrate your interest.

Negotiate Your Salary: a. Research Market Rates: Know the salary range for your role and location. b. Leverage Multiple Offers: If you have multiple offers, use them to negotiate a higher salary.

Conclusion: Securing a high-paying software job in 2023 requires a proactive approach, continuous skill development, and effective networking. By following these strategies, you can increase your chances of cracking high-paying software jobs and advancing your career in the tech industry.

Data Transformation: The session delved into the critical aspect of data transformation, which involves cleaning, processing, and structuring raw data into a usable format. Ms. Tummala illustrated real-world examples to demonstrate the significance of data transformation in improving data quality.

Practical Applications: Through case studies and real-life examples, students gained a clear understanding of how Data Science and Transformation are applied across various industries, including finance, healthcare, and e-commerce.

Tools and Technologies: Ms. Tummala introduced popular tools and technologies used in the field, such as Python, R, and machine learning frameworks. She also discussed the importance of staying updated with the latest advancements in technology.

Career Opportunities: The session addressed the numerous career opportunities available in Data Science and Transformation, including data analyst, data engineer, machine learning engineer, and data scientist roles. Students learned about the skills and qualifications needed to excel in these careers.

Challenges and Ethical Considerations: Ms. Tummala emphasized the ethical responsibilities of data professionals, discussing topics like data privacy, bias in algorithms, and the importance of responsible data handling.

Q&A Session: The training concluded with an interactive Q&A session where students had the opportunity to ask questions and seek clarification on various aspects of Data Science and Transformation.

Conclusion: Ms. Susrenitha Tummala's training session on Demystifying the Field of Data Science and transformation provided SETI students with valuable insights into the world of data-driven decision-making. The presentation was informative, engaging, and thought-provoking, equipping students with knowledge that will be invaluable as they pursue careers in this dynamic field. We are grateful to Ms. Tummala for her expertise and guidance.

Title: Emerging Spatial Wave Opportunities and Challenges Presenter: Dr. Ashok Maharaj Date: July 7, 2023 Event: Online Training for SETI Students

Introduction: On July 7, 2023, Dr. Ashok Maharaj, Head of XR Labs at TCS (Tata Consultancy Services), conducted an insightful online training session for students at SETI (Space and Engineering Technology Institute). The session focused on "Emerging Spatial Wave Opportunities and Challenges" and aimed to provide students with a deep understanding of the spatial wave technology landscape.

The banner features the TCS Careers logo at the top left with the tagline "Building on belief" on the right. The main headline reads "Discover science beyond your imagination with TCS Launchpad". Below this, it states "Upcoming Connect2Conquer Session: Emerging Spatial Wave - Opportunities and Challenges". A white box on the left provides the event details: "7th July, 2023 | 4:30 PM IST", "Event Address: <https://bit.ly/3D2oJNa>", "Event Number: 2518 444 5875", and "Event Password: Demo@123". On the right, there is a portrait of Dr. Ashok Maharaj, identified as "Head - XR Labs at TCS". A bio box at the bottom right states: "Dr. Ashok Maharaj works toward building extended reality technologies. Over the years, he has transformed the landscape of customer-facing businesses by combining virtual reality and interactive experiences." At the bottom left, a call to action says "Still not on Launchpad? Hurry up! Visit <https://on.tcs.com/3T1yXV6>".

Key Highlights:

Spatial Wave Technology: Dr. Ashok Maharaj began by introducing the concept of spatial wave technology, highlighting its significance in shaping the future of various industries, including aerospace, telecommunications, and healthcare. He explained how spatial waves differ from traditional waves and their potential applications.

XR (Extended Reality): The session explored the XR spectrum, which encompasses Virtual Reality (VR), Augmented Reality (AR), and Mixed Reality (MR). Dr. Maharaj discussed the role of XR technologies in creating immersive and interactive experiences for users.

Real-world Applications: Through case studies and examples, Dr. Maharaj illustrated how spatial wave technologies are being leveraged across different sectors. These applications ranged from training simulations in aerospace to enhancing medical procedures through AR.

Opportunities for Innovation: Students were encouraged to explore the various opportunities for innovation in spatial wave technology. Dr. Maharaj emphasized the importance of interdisciplinary collaboration and creative thinking in this rapidly evolving field.

Challenges and Considerations: The training addressed the challenges associated with spatial wave technology, including hardware limitations, data security, and user acceptance. Dr. Maharaj emphasized the need for ethical considerations in the development and deployment of XR solutions.

Future Trends: The session concluded with a discussion of future trends and the potential impact of spatial wave technology on industries such as education, entertainment, and healthcare. Students gained insights into the evolving landscape and the skills required to stay relevant in this field.

Q&A Session: An interactive Q&A session allowed students to engage with Dr. Maharaj, ask questions, and seek clarification on topics discussed during the training.

Conclusion: Dr. Ashok Maharaj's online training on "Emerging Spatial Wave Opportunities and Challenges" provided SETI students with a comprehensive overview of this transformative technology. The session was enlightening and inspiring, equipping students with knowledge and a forward-thinking mindset that will be instrumental as they navigate the exciting world of spatial wave technology. We extend our gratitude to Dr. Maharaj for his expertise and engaging presentation.

09-07-2023

Guest Speaker

Prakash Nagaonkar, NIIT, Pune

OBJECTIVES OF THE PROGRAM

- **Bridge the Domain Gap:** Equip students with the necessary knowledge and skills specific to the banking industry, even if their academic backgrounds are in Computer Science (CSE) or Electrical Engineering.
- **Develop Financial Technology Expertise:** Focus on training in FinTech (Financial Technology) applications and tools used extensively in modern banking operations, leveraging the students' existing technical foundation.
- **Enhance Banking Operations Skills:** Provide training in core banking operations, regulations, and compliance, preparing students for roles in areas like loan processing, customer service, or risk management.
- **Sharpen Business Acumen:** Develop essential business acumen relevant to the banking sector, including financial analysis, marketing strategies, and customer relationship management.
- **Increase Career Prospects:** Broaden students' career opportunities by equipping them with a specialized skillset that makes them competitive for positions in the growing FinTech and banking industry

Title: NIIT - Banking Career Opportunities Training & Placement Program

Date: July 9, 2023

Event: Overview of IT Opportunities in the Banking Sector

Introduction: On July 9, 2023, NIIT organized a training and placement program aimed at Computer Science and Electrical Engineering students. The session was designed to provide students with an in-depth overview of the IT opportunities available in the banking sector. The program focused on preparing students for career options that bridge technology and finance.

Key Highlights:

Introduction to Banking Technology: The session commenced with an introduction to the essential role of technology in the banking industry. Students gained insights into how information technology is transforming banking operations, customer experiences, and financial products.

Fintech Landscape: The program explored the dynamic fintech landscape and the disruptive innovations that are changing the face of banking. Students learned about digital payment systems, peer-to-peer lending, blockchain, and other emerging technologies.

Career Opportunities: The heart of the training program was an extensive overview of the career opportunities available in the banking sector for IT professionals. This included roles such as software developers, data analysts, cybersecurity specialists, and IT consultants, all tailored to the banking industry.

Skills and Qualifications: NIIT provided guidance on the specific skills and qualifications needed to excel in IT roles within the banking sector. Emphasis was placed on programming languages, database management, data analytics, and financial domain knowledge.

Internship and Placement Programs: Students were introduced to NIIT's training and placement programs, which connect students with leading banks and financial institutions. These programs offer opportunities for internships and entry-level positions in the banking IT sector.

Industry Expertise: The session featured industry experts who shared their experiences and insights. These professionals provided valuable advice on how to prepare for interviews, build a successful career, and stay updated with industry trends.

Q&A Session: The training program concluded with an interactive Q&A session, allowing students to ask questions and seek clarification on career paths, skill development, and job placement opportunities.

Conclusion: NIIT's "Banking Career Opportunities Training & Placement Program" on July 9, 2023, provided Computer Science and Electrical Engineering students with a comprehensive understanding of the IT opportunities within the banking sector. The program equipped students with valuable insights, knowledge, and resources to pursue rewarding careers that merge technology and finance. We extend our appreciation to NIIT for their commitment to preparing the next generation of IT professionals for the banking industry.

7. Objectives of the Workshop:

Life skills go hand in hand with development and can assist students to succeed later in life. Life skills are recognized as those essential skills that bring together the social, emotional, and cognitive capacities of a person to solve problems and achieve goals. Life skills training equip students with the social and interpersonal skills that enable them to cope with the demands of everyday life. The objectives of this training are to build self-confidence, encourage critical thinking, foster independence and help students to communicate more effectively. It helps participants/studnets become more assertive, communicate effectively with others by developing good listening skills and learn to handle stress and deal with disappointments and setbacks. Such training sessions help students to explore their beliefs and attitudes through group discussions and confidence building techniques such as positive visualization. They encourage students to play to their strengths by engaging in creative activities and following a healthy lifestyle. **After completing this workshop students will be able to:**

- Learn how to deal with failure
- Improve their study skills

Title: Life Skills Training Program in Association with Rubicon Skills

Date: September 7-10, 2023

Event: Training Program for Sanjeevan Institute Students

Introduction: From September 7 to 10, 2023, the Sanjeevan Institute organized a comprehensive Life Skills Training Program in collaboration with Rubicon Skills. The program aimed to empower students with essential life skills that are instrumental for personal and professional development.

Key Highlights:

Facilitator Excellence: The training program was conducted by Mr. Zakir Hussien, a highly experienced trainer from Rubicon Skills. His expertise and engaging teaching style made the sessions highly interactive and informative.

Holistic Approach: The program adopted a holistic approach, covering a wide range of life skills including communication, time management, problem-solving, emotional intelligence, and stress management.

Communication Skills: Students actively engaged in activities to enhance their communication skills. They learned effective communication techniques, the art of active listening, and public speaking skills through practical exercises.

Time Management: The importance of time management was stressed, and students were equipped with practical tools and strategies for setting goals and managing their time effectively.

Problem-Solving: Students participated in group activities and case studies to develop their problem-solving and critical thinking abilities, an essential skill set for tackling challenges in various aspects of life.

Emotional Intelligence: The program focused on recognizing and managing emotions, as well as building empathy and emotional resilience. Students were taught techniques to understand and control their emotions in both personal and professional settings.

Stress Management: Stress management techniques and practices were shared, allowing students to learn how to cope with stress effectively and maintain mental well-being.

Interactive Workshops: The program featured interactive workshops, group discussions, and hands-on activities to reinforce the concepts taught, ensuring students had practical experience applying these skills.

Practical Application: Throughout the training, students were encouraged to apply the skills they learned to real-life scenarios, enhancing their ability to use these skills effectively.

Certificate of Completion: At the conclusion of the program, students were awarded certificates of completion, recognizing their dedication to personal growth and skill development.

Conclusion: The Life Skills Training Program in association with Rubicon Skills, conducted from September 7 to 10, 2023, was highly successful in equipping Sanjeevan Institute students with crucial life skills. Mr. Zakir Hussen's engaging training sessions, covering various facets of personal development, have empowered the students with practical skills that will be valuable throughout their lives.

We extend our appreciation to Rubicon Skills and Mr. Zakir Hussen for their invaluable contribution to the personal and professional growth of these students.

Title: Life Skills Training Program in Association with Rubicon Skills

Date: September 7-10, 2023

Event: Training Program for Sanjeevan Institute Students

Introduction: From September 7 to 10, 2023, a comprehensive Life Skills Training Program was conducted in association with Rubicon Skills for students at Sanjeevan Institute. The program aims to equip students with essential life skills that go beyond academics and are crucial for personal and professional development.

Key Highlights:

Holistic Approach: The training program adopted a holistic approach, covering various aspects of life skills, including communication, time management, problem-solving, emotional intelligence, and stress management.

Expert Facilitator: Ankita Kadam, a seasoned expert from Rubicon Skills, led the program. Her expertise and engaging teaching style ensured that students were actively involved in the learning process.

Communication Skills: Students learned effective communication techniques, including verbal and non-verbal communication, active listening, and public speaking. They participated in role-play exercises to practice these skills.

Time Management: The program addressed the importance of time management in academic and professional success. Students were introduced to practical tools and strategies for setting goals and managing their time efficiently.

Problem-Solving: Problem-solving and critical thinking skills were emphasized. Students engaged in group activities and case studies to develop their problem-solving abilities.

Emotional Intelligence: Understanding emotions and managing them was a significant focus. Students learned to recognize and regulate their emotions, as well as empathize with others.

Stress Management: Strategies for coping with stress and maintaining mental well-being were discussed. Students were taught relaxation techniques and mindfulness practices.

Interactive Workshops: The program featured interactive workshops, group discussions, and hands-on activities to reinforce the concepts taught.

Practical Application: Throughout the training, students were encouraged to apply the skills they learned to real-life situations, both within and outside the academic context.

Certificate of Completion: At the end of the program, students received a certificate of completion, recognizing their commitment to personal development.

Conclusion: The Life Skills Training Program in association with Rubicon Skills, held from September 7 to 10, 2023, was a resounding success. It equipped Sanjeevan Institute students with essential life skills that are indispensable for their personal and professional growth. The engaging and interactive sessions, led by Ankita Kadam, provided valuable tools and knowledge that will benefit the students throughout their lives.

We extend our gratitude to Rubicon Skills and Ankita Kadam for their valuable contribution to the development of these students.

LIFE SKILLS TRAINING PROGRAM IN ASSOCIATION WITH RUBICON SKILLS- 01 Batch

Organized By

Training and Placement Department

In Association with

Rubicon Skills Pvt Ltd, Pune

From

12- 09-2023 to 15-09-2023

Trainer

Tanushree Madam, Satara

Objectives of Life Skills Training Program with Rubicon Skills:

1. **Develop Foundational Life Skills:** Equip participants with essential life skills like decision-making, problem-solving, critical thinking, and effective communication, which are crucial for success in various aspects of life.
2. **Boost Employability:** Enhance participants' employability by fostering skills like teamwork, leadership, time management, and conflict resolution – highly sought-after qualities in the workplace.
3. **Promote Personal Growth:** Nurture personal growth and self-awareness by focusing on skills like goal setting, stress management, and emotional intelligence.
4. **Build Confidence and Resilience:** Cultivate confidence and resilience, enabling participants to navigate challenges, adapt to change, and bounce back from setbacks.
5. **Bridge the Skills Gap:** Address the gap between academic qualifications and essential life skills, empowering participants to thrive in today's dynamic world (potentially aligning with Rubicon's mission of making learning aspirational).

Life Skills Training Program Report

In Association with Rubicon Skills Trainer: Tanushree Madam

Sanjeevan Engineering Institute, Panhala Dates: September 12, 2023 – September 15, 2023

Introduction

The Life Skills Training Program, in collaboration with Rubicon Skills and led by Trainer Tanushree Madam, was conducted at Sanjeevan Engineering Institute, Panhala, from September 12, 2023, to September 15, 2023. The program was specially designed for first-year engineering students to equip them with essential life skills necessary for their academic and personal growth.

Program Highlights

Day 1 - September 12, 2023

Orientation: The program began with a warm welcome and orientation session, where students were introduced to the objectives and schedule of the training.

Communication Skills: Tanushree Madam conducted interactive sessions on effective communication, emphasizing the importance of clear and concise expression.

Day 2 - September 13, 2023

Time Management: The second day focused on time management skills, teaching students how to prioritize tasks, set goals, and make the most of their time.

Conflict Resolution: Students participated in discussions and activities on conflict resolution and problem-solving techniques.

Day 3 - September 14, 2023

Stress Management: Tanushree Madam shared strategies to manage stress, cope with academic pressures, and maintain mental well-being.

Financial Literacy: The afternoon session covered financial literacy, including budgeting, saving, and making informed financial decisions.

Day 4 - September 15, 2023

Career Guidance: The final day of the program focused on career guidance, helping students explore career options and set goals for their academic and professional journey.

Closing Ceremony: The program concluded with a certificate distribution ceremony, where participants received certificates of completion.

Feedback and Impact

The Life Skills Training Program received positive feedback from the first-year engineering students of Sanjeevan Engineering Institute. Participants reported increased self-confidence, improved communication skills, and enhanced time management abilities. They found the stress management and conflict resolution sessions particularly valuable in adapting to their new academic environment.

Tanushree Madam's expertise and engaging teaching style were highly appreciated by both students and college faculty. The program has undoubtedly equipped the first-year students with crucial life skills that will benefit them not only during their academic journey but also in their future careers.

LIFE SKILLS TRAINING PROGRAM IN ASSOCIATION WITH RUBICON SKILLS- 02 Batch

Organized By

Training and Placement Department

In Association with

Rubicon Skills Pvt Ltd, Pune

From

12- 09-2023 to 15-09-2023

Trainer

Yogesh Rahane, Mumbai

Objectives of Life Skills Training Program with Rubicon Skills:

1. **Develop Foundational Life Skills:** Equip participants with essential life skills like decision-making, problem-solving, critical thinking, and effective communication, which are crucial for success in various aspects of life.
2. **Boost Employability:** Enhance participants' employability by fostering skills like teamwork, leadership, time management, and conflict resolution – highly sought-after qualities in the workplace.
3. **Promote Personal Growth:** Nurture personal growth and self-awareness by focusing on skills like goal setting, stress management, and emotional intelligence.
4. **Build Confidence and Resilience:** Cultivate confidence and resilience, enabling participants to navigate challenges, adapt to change, and bounce back from setbacks.
5. **Bridge the Skills Gap:** Address the gap between academic qualifications and essential life skills, empowering participants to thrive in today's dynamic world (potentially aligning with Rubicon's mission of making learning aspirational).

Life Skills Training Program Report

In Association with Rubicon Skills Trainer: Yogesh Rahane

Sanjeevan Engineering Institute, Panhala Dates: September 12, 2023 - September 15, 2023

Introduction

The Life Skills Training Program, in collaboration with Rubicon Skills and led by Trainer Yogesh Rahane, was conducted at Sanjeevan Engineering Institute, Panhala, from August 12, 2023, to September 15, 2023. The program was specifically designed for second-year students of Electrical and Civil Engineering to equip them with essential life skills and provide hands-on experience through field activities.

Program Highlights

Day 1 - September 12, 2023

Orientation: The program began with an orientation session where students were introduced to the objectives and schedule of the training, emphasizing the unique blend of classroom and field activities.

Communication Skills: Yogesh Rahane conducted interactive sessions on effective communication, highlighting its importance in both personal and professional life.

Day 2 - September 13, 2023

Time Management: The second day focused on time management skills, helping students learn how to balance their academic and personal commitments effectively.

Field Activity - Site Visit: Students were taken on a site visit to apply their time management skills in a real-world scenario, observing electrical and civil engineering projects.

Day 3 - September 14, 2023

Stress Management: Yogesh Rahane shared strategies to manage stress, especially in the demanding fields of Electrical and Civil Engineering.

Conflict Resolution: Classroom discussions and activities centered on conflict resolution and effective problem-solving techniques.

Day 4 - September 15, 2023

Field Activity - Practical Application: The program concluded with another field activity, allowing students to apply the skills they had learned in a hands-on manner at the construction site.

Closing Ceremony: The program concluded with a certificate distribution ceremony, where participants received certificates recognizing their successful completion of the program.

Feedback and Impact

The Life Skills Training Program with a focus on field activities received enthusiastic feedback from the second-year students of Electrical and Civil Engineering at Sanjeevan Engineering Institute. Participants appreciated the unique combination of classroom learning and real-world exposure, which enhanced their understanding of life skills in practical settings.

Yogesh Rahane's expertise, both in the classroom and during field activities, was highly appreciated by students and faculty alike. The program successfully equipped students with crucial life skills while providing them with valuable experiences in their respective fields.

Conclusion

The Life Skills Training Program, conducted in collaboration with Rubicon Skills and Trainer Yogesh Rahane, was a highly impactful initiative. It not only provided students with essential life skills but also allowed them to apply these skills in real-world scenarios through field activities. We extend our gratitude to all participants and look forward to future collaborations that enrich the educational experience of our students.

Life Skills Training Program Report

In Association with Rubicon Skills Trainer: Shankri Vaidya, Mumbai

Sanjeevan Engineering Institute, Panhala Dates: September 12, 2023 - September 15, 2023

Introduction

The Life Skills Training Program, in collaboration with Rubicon Skills and led by Trainer Shankri Madam from Mumbai, was conducted at Sanjeevan Engineering Institute, Panhala, from **September 12, 2023, to September 15, 2023**. This unique program was tailored to benefit second-year students of Mechanical Engineering and first-year students of all engineering disciplines, combining classroom training with hands-on field activities.

Program Highlights

Day 1 - September 12, 2023

Orientation: The program began with an orientation session where students were introduced to the objectives and the innovative blend of classroom and field training.

Communication Skills: Shankri Madam led interactive sessions on effective communication, emphasizing its significance in both academic and professional contexts.

Day 2 - September 13, 2023

Time Management: The second day was dedicated to time management skills, helping students strike a balance between their academic and personal commitments.

Field Activity - Mechanical Workshop: Students embarked on a field visit to a mechanical workshop, applying their time management skills and gaining hands-on experience in Mechanical Engineering.

Day 3 - September 14, 2023

Stress Management: Shankri Madam conducted sessions on stress management, addressing the unique challenges students in engineering disciplines may face.

Conflict Resolution: Classroom discussions and practical exercises centered on conflict resolution and effective problem-solving techniques.

Day 4 - September 15, 2023

Field Activity - Engineering Site Visit: The program concluded with another field activity, where students visited an engineering construction site, applying the life skills they had acquired throughout the program.

Closing Ceremony: The program ended with a certificate distribution ceremony, where participants received certificates acknowledging their successful completion of the program.

Feedback and Impact

The Life Skills Training Program with its immersive approach received overwhelmingly positive feedback from second-year Mechanical Engineering students and first-year engineering students at Sanjeevan Engineering Institute. Participants lauded the combination of classroom learning and real-world exposure, which significantly enhanced their grasp of life skills within their engineering context.

Shankri Madam's expertise, both in classroom instruction and during field activities, was highly valued by students and faculty. The program successfully equipped students with essential life skills while allowing them to apply these skills in real-world engineering settings.

Conclusion

The Life Skills Training Program, conducted in partnership with Rubicon Skills and Trainer Shankri Madam, was a resounding success. It not only imparted essential life skills but also provided students with invaluable practical experiences in their respective fields of study. We extend our gratitude to all participants and eagerly anticipate future collaborations that enrich the educational journey of our students.

Subject- Letter of Invitation for One Day Workshop on "Importance of SAP in Current Scenario" for Mechanical Engineering Students.

Dear Sir,

Our Institute is established in 2009 in a view to impart engineering education to Under Graduate (UG) & Post Graduate (PG) Students. By learning your expertise and vast experience in the area of SAP, we are pleased to invite you as a speaker in One Day Workshop on "Importance of SAP in Current Scenario" for Mechanical Engineering Students. We are confident that our students would be enriched with your lecture. This program will be helpful for our Mechanical Engineering Students from their career point of view. The workshop is planned on 12th July 2023. Kindly give your consent

Thanking you.

Yours faithfully,

Date: [25-10-21] Prepared by: [Dr. Ajay Maske] Organizations: GTT Foundation and Barclays Training
Program: Personality Development - Placement Oriented Aptitude Skills Participants: Sanjeevan Students

1. Introduction

This report provides an overview of the Personality Development - Placement Oriented Aptitude Skills training program conducted by GTT Foundation in collaboration with Barclays for the students of Sanjeevan. The program aimed to enhance the participants' personality traits and equip them with the necessary skills to succeed in their future placements. The training encompassed a range of activities, assessments, and practical sessions designed to improve their aptitude skills and overall employability.

2. Objectives of the Training Program

The primary objectives of the Personality Development - Placement Oriented Aptitude Skills training program were as follows:

a) To develop the participants' communication and interpersonal skills. b) To enhance their problem-solving and critical thinking abilities. c) To improve their numerical and analytical skills. d) To cultivate a positive attitude and self-confidence. e) To provide guidance on resume building, interview techniques, and group discussions. f) To acquaint the participants with industry expectations and work etiquette. g) To support their overall employability and placement readiness.

3. Program Details

a) Dates: The training program was conducted over a period of six weeks from 25-10-21]

b) Venue: The program sessions were held at the Sanjeevan engineering institute.

c) Training Modules: The program comprised of the following modules: i) Communication and interpersonal skills ii) Problem-solving and critical thinking iii) Numerical and analytical skills iv) Building a positive attitude and self-confidence v) Resume building and interview techniques vi) Group discussions and presentation skills vii) Industry expectations and work etiquette

d) Training Methodology: The training sessions employed a variety of techniques, including interactive lectures, group discussions, case studies, mock interviews, role-plays, and hands-on exercises. Trainers from both GTT Foundation and Barclays utilized their expertise to provide practical insights into the industry and real-world scenarios.

4. Training Program Outcomes

a) Enhanced Communication and Interpersonal Skills: The participants exhibited notable improvements in their verbal and non-verbal communication skills. They gained confidence in expressing their ideas effectively, actively listening, and engaging in productive conversations.

b) Improved Problem-solving and Critical Thinking Abilities: The program focused on developing the participants' problem-solving and critical thinking skills. They learned techniques to approach complex problems, analyze situations, and make informed decisions.

c) Strengthened Numerical and Analytical Skills: The participants acquired proficiency in numerical and analytical skills, including data interpretation, quantitative aptitude, and logical reasoning. They were better equipped to solve mathematical problems and interpret statistical information.

d) **Positive Attitude and Self-Confidence:** The training program instilled a positive attitude and self-confidence among the participants. They learned strategies to manage stress, overcome challenges, and maintain a growth mindset.

e) **Resume Building and Interview Techniques:** The participants received guidance on creating impactful resumes, highlighting their strengths, and tailoring their profiles for specific job roles. They also learned effective interview techniques, including mock interviews to enhance their confidence.

f) **Group Discussions and Presentation Skills:** The training program included sessions on participating in group discussions and delivering effective presentations. The participants learned how to articulate their thoughts, present ideas persuasively, and engage in productive group interactions.

Respected Sir/Madam,

Greetings from **GTT Foundation!!!**

It is my pleasure to introduce GTT Foundation (GTTF); education and training venture, set up by some of the best minds from the industry. We at GTTF aim to provide '**quality with scale**' through programs delivered with the help of innovative technologies and compelling content.

We have decided to skill unemployed youths as per the industry requirement as part of a CSR Program supported by our client, a Global MNC.

GTT Foundation would be executing the training program under this initiative, with a limited number of colleges across India.

Training Programme Details:

1. 120 hrs (15 Days) duration, focusing on any pursuing their final year degree Batch. **topics are attached with the mail.**

A) **BFSI** - any commerce graduates (Currently pursuing their final year degree) for Finance & Accounting openings or any graduates like **B.COM / BFM / BMS M.COM / MBA / PGDM FINANCE/ BBA FINANCE** for Finance and Accounting

B) **IT** – any IT graduates (Currently pursuing their final year degree) like **BE – CS/IT / B.Tech – CS/IT / BCA / Bsc. – CS/IT / MCA / Ms.c – CS/IT**

C) **IT/ITES** - any graduates (Currently pursuing their final year degree)

D) **HealthCare** - any graduates from **HealthCare Domain** (Currently pursuing their final year degree from **HealthCare Domain**)

E) **CRM / Logistics** – any commerce graduates/graduates in **CRM and Logistics Domain**

2. As of now, this program is open for all Final year students with **Family Income less than or equal to 4.0 Lac PA** and this program would help the student during their placements.

3. List of documents (**Only Scan Copy NOT Originals**) to be submitted by students **10th,12th, Graduation Marksheet, Aadhar Card, Passport Photo, Income Proof (Any one member in the family only salary slip, income certificate, form 16 applicable, Bank statement (Page of Salary credited))** as it is **FREE TRAINING UNDER CSR** initiative of our client.

4. All the participating student would get an e-Certificate once the validation is done.

5. Trained and eligible candidate will get **100% Placement Assistance**.

Note- please let us know the convenient date to conduct the **Skill Development Training** for your students and share the list of the participant in the attached format.

Date: 22nd November 2021 Prepared by: [Dr. Ajay Maske] Organizations: GTT Foundation and Sanjeevan Training Program: Aptitude Training and English Grammar Training Participants: [80]

1. Introduction

This report provides an overview of the Aptitude Training and English Grammar Training program conducted in association with GTT Foundation and Sanjeevan on 22nd November 2021. The program aimed to enhance the participants' aptitude skills and proficiency in English grammar. Through interactive sessions, practice exercises, and practical examples, the program focused on improving the participants' understanding and application of aptitude concepts and English grammar rules.

2. Program Objectives

The primary objectives of the training program were as follows:

- a) To develop participants' aptitude skills and problem-solving abilities.
- b) To enhance their understanding and usage of English grammar.
- c) To improve their quantitative and logical reasoning skills.
- d) To provide strategies and techniques for solving aptitude-based questions.
- e) To enhance participants' verbal and written communication skills in English.
- f) To build confidence in using English grammar effectively.
- g) To support participants in their academic and professional pursuits.

3. Program Details

a) Date: The training program was conducted on 22nd November 2021.

b) Venue: The program sessions were held at [SETI PANHALA].

c) Training Modules:

i) Aptitude Training: - Quantitative aptitude: Concepts and problem-solving techniques related to numerical calculations, data interpretation, and quantitative analysis. - Logical reasoning: Techniques for analyzing and solving logical puzzles, syllogisms, and other logical reasoning problems.

ii) English Grammar Training: - Parts of speech: Understanding and usage of nouns, pronouns, verbs, adjectives, adverbs, prepositions, conjunctions, and interjections. - Sentence structure: Building grammatically correct sentences, understanding subject-verb agreement, tenses, and sentence formation. - Punctuation and capitalization: Proper usage of punctuation marks, capitalization rules, and sentence formatting. - Common errors: Identifying and correcting common grammatical errors, such as subject-verb agreement, tense consistency, and pronoun-antecedent agreement.

d) Training Methodology: The program utilized a combination of interactive lectures, group discussions, practice exercises, and quizzes. Trainers from GTT Foundation and Sanjeevan employed a hands-on approach, providing real-life examples and guidance to reinforce the participants' understanding of aptitude concepts and English grammar rules.

4. Program Outcomes

a) Enhanced Aptitude Skills: The participants exhibited improvement in their aptitude skills, including quantitative and logical reasoning abilities. They gained confidence in solving aptitude-based questions and applying problem-solving techniques effectively.

b) Improved English Grammar Proficiency: The participants developed a better understanding of English grammar rules and their application. They demonstrated improvement in sentence formation, punctuation usage, subject-verb agreement, and other grammatical aspects.

c) **Strengthened Quantitative and Logical Reasoning Skills:** The program focused on enhancing the participants' quantitative and logical reasoning abilities. They learned techniques to solve numerical calculations, interpret data, and analyze logical puzzles.

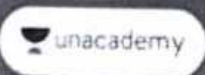

d) **Increased Verbal and Written Communication Skills:** Through the English grammar training, the participants improved their verbal and written communication skills. They developed greater fluency, accuracy, and confidence in expressing themselves in English.

e) **Enhanced Confidence:** The program contributed to the participants' confidence in their aptitude and English grammar skills. They gained the necessary knowledge and practice to tackle aptitude-based questions and use English grammar effectively.

Career Opportunities After Engineering: Unacademy Webinar Report

Date: June 4, 2022 Prepared by: [ajay maske] Organizer: Unacademy Webinar: Career Opportunities After Engineering Audience: Sanjeevan Students

1. Introduction

This report provides an overview of the webinar on "Career Opportunities After Engineering" conducted by Unacademy on June 4, 2022. The webinar aimed to provide Sanjeevan students with valuable insights into various career paths and opportunities available to them after completing their engineering degrees. Through expert presentations and interactive sessions, the webinar focused on guiding students towards successful career choices and paths.

b) Organizer: The webinar was organized by Unacademy, a leading online learning platform that provides educational resources and career guidance to students.

c) Target Audience: The webinar specifically targeted students from Sanjeevan, aiming to assist them in making informed decisions about their career paths after completing their engineering degrees.

3. Webinar Objectives

The webinar on "Career Opportunities After Engineering" had the following objectives:

i) Awareness of Career Paths: The webinar aimed to broaden students' understanding of the various career paths available to engineering graduates. It provided insights into both traditional and emerging fields that are in high demand in the current job market.

ii) Expert Guidance: The webinar featured expert speakers who shared their experiences and knowledge in specific career domains. They provided guidance on the skills, qualifications, and career trajectories associated with each field.

iii) Interactive Sessions: The webinar encouraged active participation through interactive sessions, Q&A sessions, and discussions. This allowed students to clarify doubts, seek personalized advice, and engage in meaningful conversations with the speakers.

iv) Personal Development: The webinar emphasized the importance of personal development and acquiring additional skills beyond core engineering knowledge. It highlighted the value of continuous learning, adaptability, and soft skills in career growth.

4. Webinar Highlights

a) Expert Presentations: The webinar featured expert presentations from professionals in various career domains. These experts shared insights into their respective fields, including industry trends, job roles, skill requirements, and potential growth opportunities.

b) Career Path Discussions: The webinar provided in-depth discussions on different career paths available to engineering graduates. Topics such as software development, data science, artificial intelligence, renewable energy, entrepreneurship, and management were explored to offer students a diverse range of options to consider.

c) Q&A and Panel Discussions: Students had the opportunity to interact with the speakers through Q&A sessions and panel discussions. They could seek advice, ask questions about specific career paths, and gain further clarity on the skills and qualifications required for success in those domains.

d) Guidance on Skill Development: The webinar emphasized the importance of acquiring additional skills and certifications to enhance career prospects. Students received guidance on relevant courses, online resources, and learning platforms that can help them acquire the necessary skills in their chosen fields.

5. Webinar Outcomes

a) Expanded Career Awareness: The webinar broadened students' awareness of various career opportunities beyond traditional engineering roles. They gained insights into emerging fields and industries, allowing them to make more informed career choices.

Subject- Invitation as a Guest Speaker for "Aptitude Training Program".

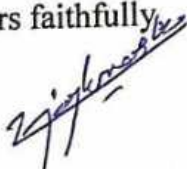

Dear Sir / Madam,

Our Institute is established in 2009 in a view to impart engineering education to Under Graduate (UG) & Post Graduate (PG) Students. We wish to arrange "Aptitude Training Program" for our third year & final year engineering students. This will include sessions on solving various aptitude test problems. This program will be helpful for our third year & final year engineering students from their career point of view.

We would like to invite you to deliver your knowledge in the above mentioned field and address our students from 22nd November 2021 to 24th November 2021.

Thanking you...

Yours faithfully,

Personality Development Program by Gillette at Sanjeevan Engineering College

Report Overview

Date: May 17, 2022 Prepared by: [Your Name] Organization: **Gillette** Program: Personality Development Program Location: Sanjeevan Engineering College

1. Introduction

This report provides an overview of the Personality Development Program conducted by **Gillette** at Sanjeevan Engineering College on May 17, 2022. The program aimed to enhance participants' personality traits, specifically focusing on behavioral skills. Additionally, **Gillette** provided a unique offering of free shaving bald to the students, adding a special element to the program.

2. Program Details

a) Date: The Personality Development Program was conducted on May 17, 2022.

b) Organizer: The program was organized by **Gillette**, a professional organization specializing in personality development and grooming services.

c) Program Objectives:

i) Behavioral Skills: The program focused on enhancing participants' behavioral skills, including communication, interpersonal relationships, leadership, teamwork, and emotional intelligence. Participants learned practical techniques to improve their overall behavior and social interactions.

ii) Personality Enhancement: The program aimed to boost participants' self-confidence, self-esteem, and presentation skills. Through various activities and exercises, participants gained insights into their strengths and areas for improvement, enabling them to develop a more confident and engaging personality.

iii) Free Shaving Bald: As a unique offering, **Gillette** provided free shaving bald to the students. This service allowed students to experience a grooming transformation and learn about personal grooming habits and the importance of a well-groomed appearance.

3. Program Highlights

a) Behavioral Skills Training: **Gillette** conducted interactive sessions, workshops, and role-playing activities to develop participants' behavioral skills. Through real-life scenarios, participants learned effective communication techniques, conflict resolution strategies, and team-building exercises.

b) Personality Assessment: **Gillette** administered personality assessments to help participants gain a deeper understanding of their personality traits, strengths, and areas for improvement. These assessments served as a foundation for personalized feedback and guidance.

c) Confidence Building: The program incorporated activities to enhance participants' self-confidence and public speaking abilities. They received tips and techniques to overcome stage fright, deliver impactful presentations, and project confidence in various settings.

d) Free Shaving Bald: **Gillette** provided free shaving bald to the students, offering them a unique grooming experience. This service not only enhanced their physical appearance but also highlighted the significance of personal grooming and its impact on self-confidence and professional success.

4. Program Outcomes

a) **Improved Behavioral Skills:** Participants developed a better understanding of behavioral skills and acquire practical strategies to enhance their communication, interpersonal relationships, and leadership abilities. They learned how to navigate social situations with confidence and professionalism.

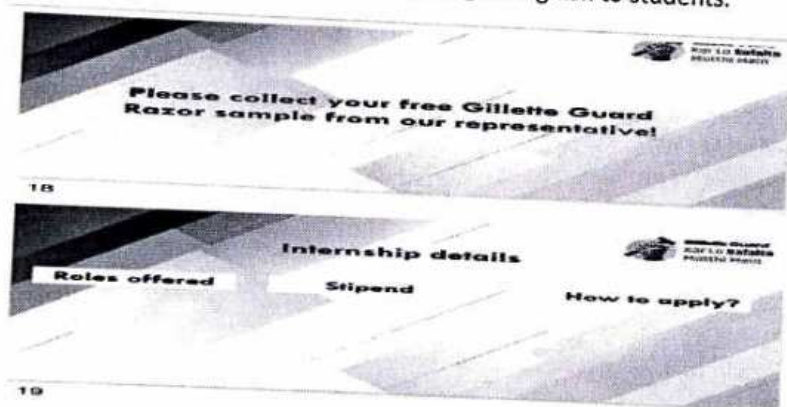

b) **Enhanced Personality:** The program contributed to participants' personality development by boosting their self-confidence, self-esteem, and presentation skills. They gained a greater awareness of their strengths and weaknesses, allowing them to work towards a more well-rounded and engaging personality.

c) **Grooming Awareness:** The free shaving bald offered by **Gillette** created awareness among participants about personal grooming habits. They learned the importance of maintaining a well-groomed appearance and its positive impact on self-image and professional opportunities.

d) **Self-Reflection and Growth:** The program encouraged self-reflection and self-improvement among participants. Through personality assessments and individual feedback, students gained insights into their personal development journey and areas to focus on for further growth.

5. Conclusion

The Personality Development Program conducted by **Gillette** at Sanjeevan Engineering College on May 17, 2022, successfully focused on enhancing participants' behavioral skills and personal grooming. The program provided valuable insights into effective communication, interpersonal relationships, and self-presentation. The addition of free shaving bald given to students.

INTERVIEW & COMMUNICATION TRAINING PROGRAM

FOR ELECTRICAL DEPARTMENT

Rahul Rao

TRAINING OBJECTIVES FOR AN INTERVIEW & COMMUNICATION TRAINING PROGRAM FOR THE ELECTRICAL DEPARTMENT:

1. **Enhance Technical Communication Skills:** Equip electrical department personnel with the ability to clearly and concisely communicate technical concepts to interviewers and future colleagues. This includes training on technical terminology, data presentation, and explaining complex electrical systems in layman's terms.
2. **Develop Confident Interview Responses:** Build participants' confidence in answering technical and behavioral interview questions through role-playing, mock interviews, and feedback sessions.
3. **Highlight Electrical Engineering Achievements:** Train participants on effectively showcasing their electrical engineering skills, experience, and accomplishments during the interview process. This includes crafting compelling project descriptions, quantifying results, and demonstrating their problem-solving abilities.
4. **Master Interview Etiquette:** Instruct participants on professional interview etiquette, including proper dress code, body language, and active listening skills.
5. **Prepare for Industry-Specific Questions:** Tailor training to address interview questions commonly encountered in the electrical engineering field, covering areas like safety regulations, codes, and emerging industry trends.

Report on Interview Skills and Communication Skills Training, December 15, 20221

Sanjeevan Engineering and Technology Institute

Report on the Interview Skills and Communication Skills Training program conducted for the Electrical final year students of Sanjeevan Engineering and Technology Institute, Panhala, in collaboration with the GTT Foundation, Pune, on December 15, 2021. This program aimed to enhance the employability and communication skills of 60 participating students.

Introduction: The Interview Skills and Communication Skills Training program was designed to equip the Electrical final-year students with essential skills necessary for successful job interviews and effective communication in the professional world. The program was facilitated by experts from the GTT Foundation, Pune, who specialize in training and development.

Key Highlights:

Comprehensive Training: The training program included in-depth sessions covering various aspects of interview preparation, from resume building and grooming to effective communication and body language. Students were given practical tips and guidance to ace job interviews.

Mock Interviews: Students participated in mock interview sessions where they faced interview scenarios relevant to their field. Feedback and constructive critique were provided to help students understand their strengths and areas for improvement.

Group Activities: Group activities and team-building exercises were incorporated to enhance teamwork and communication skills. These activities encouraged students to collaborate effectively and develop their interpersonal skills.

Interactive Workshops: The program featured interactive workshops on verbal and non-verbal communication, including effective public speaking and professional email writing. These workshops aimed to refine students' communication abilities.

Impact:

The Interview Skills and Communication Skills Training program had a significant impact on the participants. The students reported improved self-confidence, better interview performance, and increased comfort in professional settings. The training also enhanced their ability to communicate ideas and information effectively, which will be invaluable in their future careers.

Conclusion:

The collaboration with the GTT Foundation and the training program for our Electrical final-year students was a resounding success. It provided students with the skills and knowledge they need to excel in job interviews and communicate effectively in the workplace. We are grateful to GTT Foundation, Pune, for their support and expertise in conducting this training.

We anticipate that the students who participated in this program will have a competitive edge when seeking employment opportunities in the field of Electrical Engineering, thanks to the newfound confidence and skills they have acquired.

Please feel free to reach out if you need further information or have additional inquiries regarding this training program.

Sincerely,

Dhairyasheel Desai – CEO - Megacorp sol

OBJECTIVES FOR A TRAINING ON INTERVIEW SKILLS FOR THE ELECTRICAL DEPARTMENT:

1. **Confident Communication of Technical Expertise:** Enhance participants' ability to confidently articulate their technical knowledge and skills in electrical engineering during interviews. This includes training on clear explanations of complex concepts, utilizing technical vocabulary effectively, and tailoring responses to the specific role requirements.
2. **Mastering Behavioral Interview Techniques:** Equip participants with the skills to excel in behavioral interview questions, commonly used to assess problem-solving, team dynamics, and leadership abilities within the electrical engineering field. This involves crafting impactful responses using the STAR (Situation, Task, Action, Result) method and highlighting relevant work experiences.
3. **Demonstrate Electrical Engineering Achievements:** Train participants on effectively showcasing their electrical engineering accomplishments and projects during the interview process. This includes quantifying results, highlighting transferable skills, and demonstrating problem-solving strategies used in past projects.
4. **Practice and Feedback Through Mock Interviews:** Provide participants with opportunities to practice interview skills through realistic mock interviews with industry professionals or experienced electrical engineers. Offer constructive feedback on communication style, technical explanations, and overall interview presence.
5. **Industry-Specific Interview Preparation:** Tailor training to address interview questions commonly encountered in the electrical engineering field. This includes covering topics like safety regulations, specific codes relevant to the industry, and emerging trends and technologies that demonstrate up-to-date knowledge.

Interview Skills Program Report

Date: 23-07-22

Venue: Drawing Hall, Sanjeevan Engineering College

Program Title: Interview Skills Program

Conducted By: Mr. Dhairasheel Desai, CEO of MegacorpsoI

Introduction: On 23rd July 2022, a highly informative and engaging Interview Skills Program was conducted by Mr. Dhairasheel Desai, the esteemed CEO of MegacorpsoI. The program aimed to equip the students of Sanjeevan Engineering College with essential skills and knowledge to excel in job interviews and enhance their employability prospects.

Program Highlights:

Expert Guidance: Mr. Dhairasheel Desai, a veteran in the industry, shared his vast knowledge and experience with the students. His insights into the hiring process and valuable tips on interview preparation were highly appreciated by the participants.

Interview Techniques: The program covered a wide range of interview techniques, including effective communication, body language, active listening, and proper etiquette. Participants were guided on how to present themselves confidently and make a positive impression on the interviewer.

Resume Writing: Recognizing the significance of a well-crafted resume, the program dedicated a section to the art of resume writing. Mr. Desai highlighted the key elements to include, how to tailor the resume to specific job requirements, and how to make it stand out from the competition.

Mock Interviews: To provide hands-on experience, mock interview sessions were conducted during the program. Participants were given the opportunity to practice their interview skills in a simulated environment. Mr. Desai provided personalized feedback and suggestions for improvement, helping the students understand their strengths and areas of development.

Question and Answer Session: An interactive question and answer session was held, allowing students to seek clarification on interview-related topics. Mr. Desai patiently addressed the queries, providing valuable insights and practical solutions to the challenges faced during job interviews.

Conclusion: The Interview Skills Program conducted by Mr. Dhairasheel Desai, CEO of MegacorpsoI, was an immense success, benefitting the students of Sanjeevan Engineering College. The program equipped them with essential skills, enhanced their interview techniques, and boosted their confidence for future job opportunities. The participants expressed their gratitude for the valuable guidance and knowledge shared by Mr. Desai, which will undoubtedly contribute to their career growth and success.

Overall, the program served as a valuable platform for students to learn and refine their interview skills, positioning them as competitive candidates in the job market. The collaboration between MegacorpsoI and Sanjeevan Engineering College proved to be a remarkable initiative, preparing the students for a successful transition from academia to the professional world.

Guest Speaker

Vishwanath Powar – Regional Head, West

OBJECTIVES FOR AN ENTREPRENEURSHIP DEVELOPMENT PROGRAM FOCUSED ON STARTUP ACTIVITY:

1. **Ignite Entrepreneurial Passion:** Cultivate an entrepreneurial mindset and inspire participants to transform their innovative ideas into viable startup ventures.
2. **Develop a Business Model Canvas:** Equip participants with the framework and tools to develop a comprehensive business model canvas, outlining their startup's value proposition, target market, revenue streams, and key resources needed for success.
3. **Market Research and Customer Validation:** Train participants on conducting effective market research to validate their startup ideas, understand customer needs, and identify potential market gaps their venture can address.
4. **Financial Planning and Pitching:** Provide training on financial forecasting, building a strong pitch deck, and effectively communicating the financial viability of their startup to potential investors or funding sources.
5. **Building a Startup Ecosystem Network:** Connect participants with mentors, industry experts, and other aspiring entrepreneurs to foster collaboration, knowledge sharing, and access to valuable resources within the startup ecosystem.

Reports On - Entrepreneurship Development Program - Startup Activity Report (4th May 2022,)

On 4th May 2022, an Entrepreneurship Development Program - Startup Activity was conducted in association with Sanjeevan and Bharti Yuva Shakti Foundation. The program aimed to provide aspiring entrepreneurs with valuable knowledge and insights on starting their own startups. Vishwanath Powar, a renowned expert in the field, was invited as the guest speaker to share his expertise and experiences.

The program commenced at [10.30 Am] and was held at [Mechanical Dept]. The event saw a remarkable turnout of [insert number of participants] enthusiastic individuals, eager to learn and explore the world of entrepreneurship.

Key Highlights:

Vishwanath Powar's Expertise: Vishwanath Powar, a highly accomplished entrepreneur, shared his invaluable knowledge and experiences with the attendees. He discussed various aspects of starting a startup, including ideation, market research, product development, funding, and marketing strategies. His engaging presentation and interactive approach captivated the audience throughout the session.

Interactive Q&A Session: Following the presentation, a vibrant question-and-answer session took place, allowing participants to seek clarification on specific entrepreneurial challenges they faced. Mr. Powar patiently addressed each query, providing practical advice and insights based on his personal journey.

Networking Opportunities: The program also provided an excellent platform for participants to network and connect with like-minded individuals. During breaks and after the event, attendees had the chance to exchange ideas, share experiences, and build potential collaborations.

Participant Engagement: The participants actively participated in various group activities and discussions organized during the program. These activities encouraged teamwork, brainstorming, and problem-solving, fostering a spirit of entrepreneurship among the attendees.

Resource Materials and Handouts: To ensure participants could further enhance their understanding, resource materials and handouts were distributed at the end of the program. These materials included relevant case studies, success stories, and recommended readings, which served as valuable references for attendees' entrepreneurial journeys.

Overall, the Entrepreneurship Development Program - Startup Activity conducted on 4th May 2022 was a resounding success. The attendees greatly appreciated Vishwanath Powar's insightful guidance and benefited from the opportunity to network with peers. The program played a crucial role in equipping aspiring entrepreneurs with essential knowledge, skills, and inspiration to embark on their startup ventures.

We extend our heartfelt gratitude to Sanjeevan, Bharti Yuva Shakti Foundation, and Mr. Vishwanath Powar for their support in making this event possible and contributing to the growth of the entrepreneurial ecosystem. We look forward to organizing similar programs in the future to empower and nurture the next generation of entrepreneurs.

SOFT SKILL DEVELOPMENT

Organized By

Training and Placement Department

11/5/2022

Guest Speaker

Prof. Ashok B Kolekar

KEY OBJECTIVES OF SOFT SKILLS DEVELOPMENT:

1. **Enhance Communication and Interpersonal Skills:** This includes improving verbal and non-verbal communication, active listening, conflict resolution, and teamwork abilities. Effective communication fosters collaboration, builds trust, and allows individuals to navigate professional and personal interactions with greater ease.
2. **Boost Emotional Intelligence (EQ):** Developing EQ involves understanding and managing your own emotions, as well as recognizing and responding appropriately to the emotions of others. This enhances self-awareness, empathy, and the ability to build positive relationships, all crucial for success in various aspects of life.
3. **Increase Adaptability and Problem-Solving:** Soft skills training can help individuals become more adaptable and resourceful in handling challenges and changing situations. By fostering critical thinking, creativity, and time management skills, individuals can approach problems with a solution-oriented mindset.

BUSINESS COMMUNICATION

Organized By

Training and Placement Department

Sept.2022

Guest Speaker

Prof. Ashok B Kolekar

OBJECTIVES FOR A BUSINESS COMMUNICATION PROGRAM:

1. **Clarity and Conciseness:** Equip participants to communicate information, concisely, and effectively in writing and verbally. This includes structuring messages logically, using appropriate language for the audience, and ensuring accuracy and professionalism.
2. **Collaboration and Relationship Building:** Foster strong collaboration and relationship-building skills through effective communication. This involves active listening, providing constructive feedback, and understanding diverse communication styles to navigate interactions with colleagues, clients, and stakeholders.
3. **Achieving Business Goals:** Train participants to tailor their communication for specific business objectives. This involves understanding the audience, purpose, and desired outcome of each communication, whether it's delivering presentations, negotiating contracts, or writing persuasive emails.

Report on AWS Academy and Cloud Computing Training Program, December 12, 2021

Report on the AWS Academy and Cloud Computing Training Program that was conducted for the students of the Computer Science and Engineering (CSE), Electrical, and Electronics and Telecommunication (ENTC) departments at Sanjeevan Engineering and Technology Institute, Panhala, in collaboration with AWS Academy, on December 12, 2021.

Introduction: The AWS Academy and Cloud Computing Training Program were organized with the objective of enhancing the knowledge and practical skills of the students in the fields of cloud computing, Amazon Web Services (AWS), and related technologies. The program aimed to equip students with valuable competencies relevant to the modern tech industry.

Key Highlights:

Comprehensive Training: The program provided a comprehensive overview of cloud computing, AWS services, and their applications. It included both theoretical knowledge and practical hands-on experience to ensure a well-rounded understanding of the subject.

Expert Instructors: The training was conducted by certified AWS instructors with extensive industry experience. They shared insights into real-world cloud computing scenarios and industry best practices.

Hands-on Labs: Students had the opportunity to work on practical exercises and hands-on labs, which allowed them to apply their learning in a simulated AWS environment. This practical experience was invaluable in building their cloud computing skills.

Certification Preparation: The program also prepared students for AWS certification exams, which are highly regarded in the IT industry. Students were provided with study materials and guidance to help them prepare for these certifications.

Impact:

The AWS Academy and Cloud Computing Training Program had a significant impact on the participating students. It equipped them with the knowledge and skills required to harness the power of cloud computing, setting them on a path to becoming cloud professionals. Students

reported increased confidence in working with AWS services and a better understanding of the practical applications of cloud computing.

Conclusion:

The collaboration with AWS Academy for the training program at our institute was a remarkable initiative that provided our students with a competitive edge in the rapidly evolving field of cloud computing. We believe that the knowledge and skills gained during this program will be instrumental in their future careers, whether in cloud architecture, system administration, or related roles.

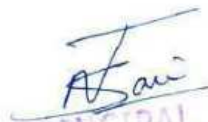

We extend our sincere gratitude to AWS Academy for their support and expertise in conducting this training program. We look forward to more such collaborations to continually enhance the quality of education and skill development for our students.

Should you require further information or have additional inquiries regarding this training program, please do not hesitate to contact us.

Sincerely,

C++ and Java Training Report

Date: 13-09-2022

Venue: Drawing Hall and Computer Lab, Sanjeevan Engineering College

Training Conducted By: Mr. Amle, GTT

Introduction: From 13th to 27th September 2022, a comprehensive training program on C++ and Java was conducted by Mr. Amle from GTT at Sanjeevan Engineering College. The training aimed to enhance the students' programming skills and prepare them for the industry's requirements. The program was held in the drawing hall for theory sessions and the computer lab for practical exercises.

Program Highlights:

Expert Trainer: Mr. Amle, a highly experienced professional from GTT, led the training program. With his in-depth knowledge and expertise in C++ and Java, he provided valuable insights into the programming concepts and best practices. Students greatly benefited from his guidance and mentorship.

Comprehensive Curriculum: The training program covered a wide range of topics, including basic and advanced concepts of C++ and Java programming languages. Participants were introduced to data types, control structures, object-oriented programming, exception handling, and more. The curriculum was designed to build a solid foundation of programming skills.

Hands-on Practical Sessions: To reinforce the theoretical concepts, hands-on practical sessions were conducted in the computer lab. Students were given coding exercises and projects to work on, allowing them to apply their newly acquired knowledge. Mr. Amle provided individual attention, clarifying doubts and guiding students throughout the practical sessions.

Industry-Relevant Assignments: To simulate real-world scenarios, students were assigned industry-relevant programming assignments. These assignments challenged students to think critically, solve complex problems, and apply their programming skills effectively. This practical exposure helped them gain confidence and develop a deeper understanding of the concepts.

Placement Opportunities: The training program focused not only on imparting technical knowledge but also on preparing students for placements. Mr. Amle provided valuable insights into the interview process, resume writing, and soft skills development. As a result, several students who participated in the training program secured job placements in renowned companies.

Conclusion: The C++ and Java training program conducted by Mr. Amle from GTT at Sanjeevan Engineering College was a resounding success. The program provided students with a strong foundation in programming languages and equipped them with industry-relevant skills. The hands-on practical sessions, industry assignments, and guidance from Mr. Amle played a pivotal role in enhancing the students' programming abilities.

Furthermore, the training program's focus on placement preparation proved to be highly beneficial, as a significant number of students secured job placements in reputed companies. This achievement highlights the effectiveness of the training program in bridging the gap between academia and industry requirements.

Overall, the training program served as a valuable platform for students to enhance their programming skills and pave the way for a successful career in the IT industry. The collaboration between GTT and

SKILL AND CAREER DEVELOPMENT

Organized By

Training and Placement Department

In Association with

Megacorpso

From

22nd March – 03rd April 2021 Trainer

Sachin Harpale

OBJECTIVES FOR A SKILL AND CAREER DEVELOPMENT PROGRAM:

1. **Identification and Enhancement of Relevant Skills:** The program aims to help individuals identify the skills necessary for success in their chosen career paths or desired industries. Through assessments, self-reflection, and guidance, participants will discover their strengths, weaknesses, and areas for improvement. They will then engage in targeted skill-building activities, training sessions, and professional development opportunities to enhance their competencies and capabilities.
2. **Career Planning and Goal Setting:** The program seeks to assist participants in developing clear career goals and creating actionable plans to achieve them. Participants will receive guidance on career exploration, goal setting, and strategic planning, considering factors such as personal interests, values, strengths, market demand, and industry trends. They will learn how to set SMART (Specific, Measurable, Achievable, Relevant, Time-bound) goals, create career roadmaps, and adapt their plans to changing circumstances.
3. **Networking and Professional Branding:** Foster the development of networking skills and the cultivation of a strong professional brand. Participants will learn how to effectively network with peers, mentors, and industry professionals, both in-person and online. They will also receive guidance on building a compelling professional brand, including crafting resumes, optimizing LinkedIn profiles, preparing elevator pitches, and leveraging social media platforms to showcase their skills, experiences, and achievements.

REPORT

Two Weeks Students Training Program on "SKILL & CAREER DEVELOPMENT (Hands on) " Under National Skill Development Corporation (N.S.D.C.)

SESSION SCHEDULE

22nd March-03rd April, 2021

Title of STP-: "SKILL & CAREER DEVELOPMENT (Hands on) "

Duration-: 22nd March-03rd April, 2021

Resource Persons-: 1) Mr. Arif A. Shaikh, Admin, Sangli.

HOD -: Prof. Prasad P. Kulkarni (Electrical)

Coordinator-: Prof. Arvind M. Bhandare (Electrical)

SDP Details-:

The Electrical Engineering Department of Sanjeevan Engineering and Technology Institute, Panhala organized Two Week Workshop on "Skill & Career Development (Hands on)" Under National Skill Development Corporation (N.S.D.C) from 22nd March-03rd April, 2021

The Programme was inaugurated by the Chief Guest Mr. Arif A. Shaikh (Admin, Sangli), Hon'ble Principal of Sanjeevan Engineering and Technology Institute Dr. M. B. Vanarotti Vice-Principal Prof. S. L. Ghodake, Prof. E. P. Salokhe, Prof. P. P. Kulkarni HOD (Electrical), Prof. S. P. Jadhav HOD (Automobile), Prof. S. V. Vanmore HOD (E&TC), Prof. M. M. Hajare HOD (Computer) Prof. S. L. Ghodake HOD (Mechanical) Prof. A. M. Bhandare Workshop coordinator along with all faculty members & students.

This Students Training Program around 36 students' members were present from Electrical Departments. The resource person Mr. Arif A. Shaikh delivered the session for Ten days. The total session based of hands on of Testing of domestic & industrial electrical & electronics components, chemical PCB circuit Design, PCB assemble & testing methods, Arduino board working & software installation LED interfacing on Arduino board, Basic information & practice of various sensors, Basic information of solar cell, position & generation, testing & fault finding of solar charge controller. Making, Single & three phase capacitor test & fault finding fault finding Testing & insulation test of single phase transformer, Earthing & magger test This SDP is useful for practical knowledge and carrier development. The entire program is coordinated by Prof. A. M. Bhandare (Electrical Dept.)

PLC AND INDUSTRIAL AUTOMATION PROGRAM

Organized By

Training and Placement Department

From

13th August - 14th August, 2021

OBJECTIVES FOR A PLC AND INDUSTRIAL AUTOMATION PROGRAM:

1. **Understanding of PLC Fundamentals:** Provide participants with a comprehensive understanding of Programmable Logic Controllers (PLCs), including their architecture, operation, programming languages (such as ladder logic), and applications in industrial automation systems. This objective aims to lay the groundwork for participants to comprehend the role of PLCs in controlling machinery and processes within various industries.
2. **Proficiency in PLC Programming:** Develop participants' proficiency in PLC programming techniques and methodologies. Through hands-on exercises, simulations, and real-world case studies, participants will learn how to program PLCs to perform tasks such as sequence control, motion control, data manipulation, and communication with other industrial devices. This objective aims to equip participants with the skills necessary to design, develop, and troubleshoot PLC-based control systems effectively.
3. **Integration of PLCs with Industrial Systems:** Enable participants to integrate PLCs seamlessly with other components of industrial automation systems, such as sensors, actuators, Human Machine Interfaces (HMIs), Supervisory Control and Data Acquisition (SCADA) systems, and Distributed Control Systems (DCS). This objective aims to familiarize participants with the principles of interfacing PLCs with various hardware and software components to create integrated automation solutions that improve efficiency, productivity, and safety in industrial processes.
4. **Implementation of Safety Practices:** Emphasize the importance of safety in PLC programming and industrial automation. Participants will learn about safety standards, regulations, and best practices relevant to PLC-based control systems, including risk assessment, emergency stop procedures, fault tolerance, and safety interlocking. This objective aims to ensure that participants can design and implement PLC programs that prioritize the safety of personnel, equipment, and the environment in industrial settings.

“Two Day Workshop on PLC & Industrial Automation”

Title of FDP:- “Two Day Workshop on PLC & Industrial Automation”

Duration:- 13th & 14th Aug 2021. Two Days

Time:- 10.30 am – 4:30 pm Daily

Venue:- Google Meet Platform

Link:- <https://meet.google.com/gno-ahft-qkp>

Resource Persons:- 1) Mr. Dinesh (Instructor, The World of Automation, Pune)

Program Coordinator:- Prof . Naik Y R [Electrical Dept]

Target Audience:- Students & Faculty of Electrical Dept, SETI, Panhala, 224 attended

Workshop Details:-

On 13th & 14th Aug 2021. Two Day, Institute Hosted a full-day workshop entitled “Two Day Workshop on PLC & Industrial Automation” at SETI , Panhala. This Workshop is organized for Students & Faculties

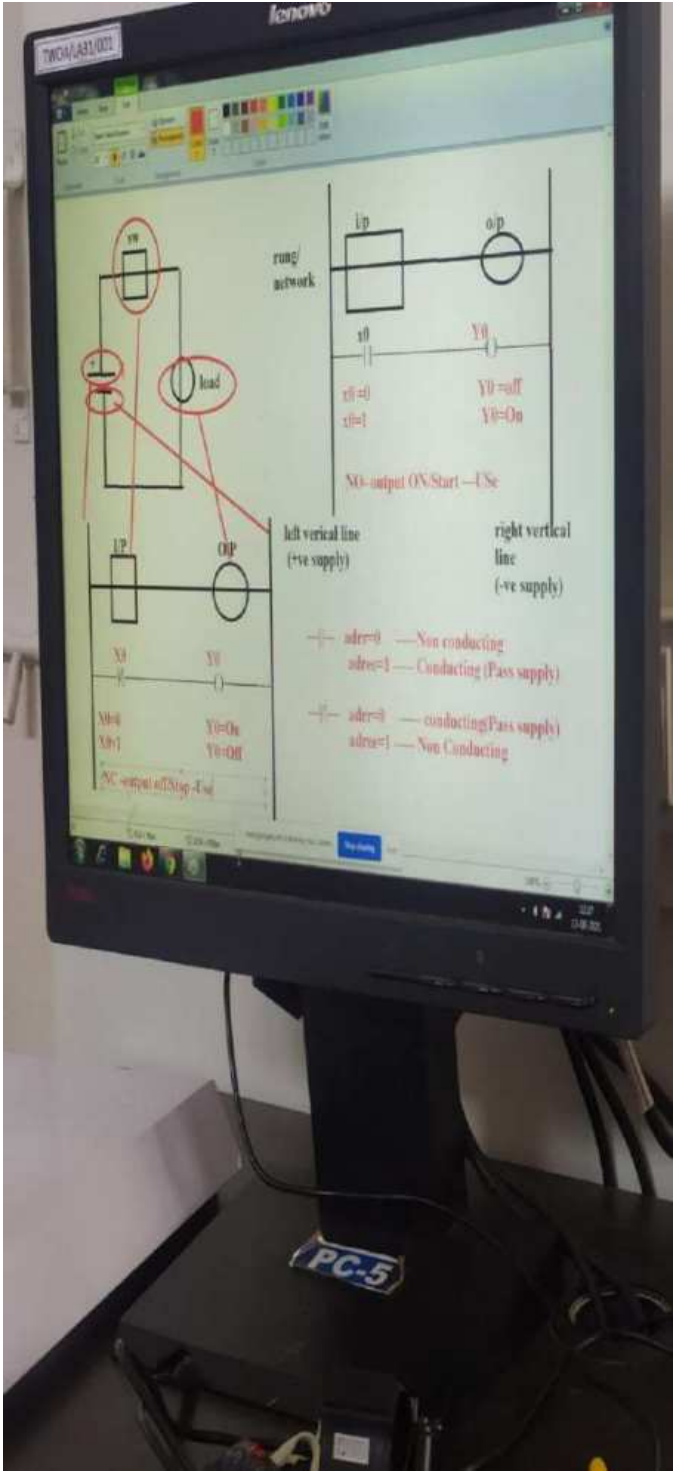

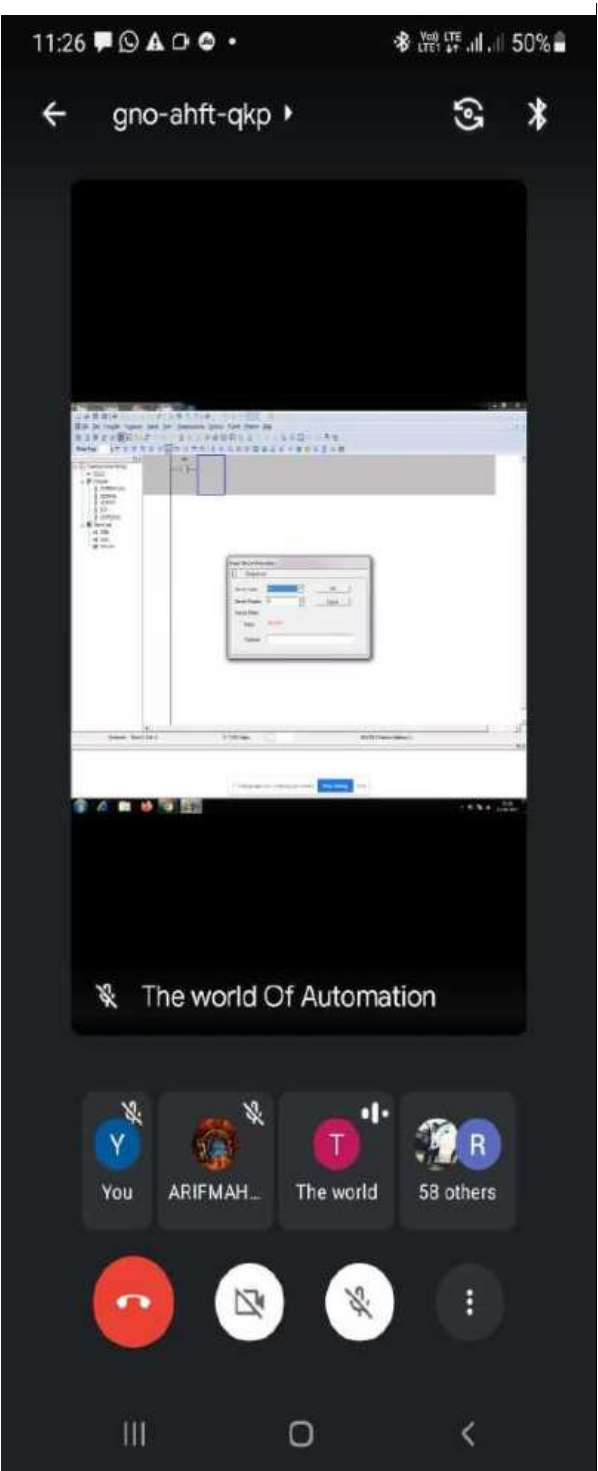

The purpose of the workshop was to get Clear Idea about Basics of PLC automation as well as brief introduction about industrial automation

The Workshop Was Coordinated By Prof. Naik Y. R. Initiated the Anchoring for the workshop followed by HOD speech in order to introduce the electrical dept. in Brief.

The workshop was conducted from 10.30 am – 4:30 pm Daily

This Workshop was Organized by electrical dept in alliance with The World of Automation, Pune

Snapshots of Sessions:-

Session & Content Discussed :-

OBJECTIVES FOR A SOFT SKILLS AND PERSONALITY DEVELOPMENT PROGRAM

- **Effective Communication:** Enhance participants' communication skills, including verbal, nonverbal, and written communication, to enable clear expression of ideas, active listening, and effective interpersonal interactions in both personal and professional contexts.
- **Confidence Building:** Foster self-confidence and assertiveness among participants, enabling them to express themselves confidently, handle challenging situations with composure, and pursue their goals with determination and resilience.
- **Interpersonal Skills Enhancement:** Develop participants' interpersonal skills, such as empathy, teamwork, collaboration, conflict resolution, and relationship building, to facilitate positive interactions with colleagues, clients, and stakeholders in diverse environments.
- **Leadership Development:** Cultivate leadership qualities and attributes among participants, including decision-making, problem-solving, delegation, motivation, and mentorship, to prepare them for leadership roles and responsibilities in their careers and communities.
- **Personal Growth and Self-awareness:** Facilitate self-discovery and personal growth by encouraging participants to reflect on their strengths, weaknesses, values, and aspirations, and providing them with tools and strategies to enhance their self-awareness, self-management, and self-improvement journey.

FIVE SUCCINCT OBJECTIVES FOR A SAHAJA YOGA MEDITATION SESSION TRAINING PROGRAM

- Introduction to Sahaja Yoga: Provide participants with an overview of Sahaja Yoga Meditation, including its principles, techniques, and benefits, to foster a basic understanding and appreciation of the practice.
- Guided Meditation Practice: Lead participants through guided meditation sessions to help them experience a state of thoughtless awareness and inner silence, facilitating relaxation, stress reduction, and mental clarity.
- Understanding Kundalini Awakening: Educate participants about the concept of Kundalini energy and its role in Sahaja Yoga Meditation, enabling them to understand the process of self-realization and spiritual awakening.
- Exploration of Chakra System: Introduce participants to the subtle energy centers (chakras) within the body and their significance in Sahaja Yoga Meditation, promoting awareness of energy flow and balance for holistic well-being.
- Integration into Daily Life: Provide practical tips and techniques for integrating Sahaja Yoga Meditation into daily life, empowering participants to cultivate mindfulness, emotional balance, and spiritual growth in their personal and professional endeavors.

Report on Sahajayoga Meditation Session

Date: 22/02 and 15/03/2021

Time 2Hr.

Trainer: Mr. Suhas Devmore, Co-ordinator Sahajayoga Trust, Kolhapur

Beneficiary: F.Y. B.Tech Students

Contents of Session:

Introduction to Meditation:

Sahaja Yoga is a unique method of meditation based on an experience called Self Realization (Kundalini awakening) that can occur within each human being. Through this process an inner transformation takes place by which **one becomes moral, united, integrated and balanced.**

Awareness of Subtle system in Body:

Inside every human being there is a network of nerves and sensory organs that interprets the outside physical world. At the same time, within us resides a subtle system of channels (*nadis*) and centers of energy (*chakras*) which look after our physical, intellectual, emotional and spiritual being.

Steps in self realization:

Now, after the end of the meditation, see if you are feeling relaxed and if your thoughts have slowed down or gradually disappeared. This is the first stage of meditation - thoughtless awareness - where you are fully alert but without any thoughts, in a state of pure and peaceful consciousness.

Name of the Activity	Workshop on How to use Google Classroom
Type of Activity	Co- Curricular
Date and Time	15/3/2021, 10 AM to 12 PM
Details of the participants	20 Students
Organizing Department	Mechanical Engineering
Details of resource person	Prof. A. N. Naik

A workshop on “How to use Google Classroom” was held on 15th March 2021 in our departments lecture hall no 206.

Prof. A. N. Naik explains Google Classroom is a handy tool for teachers to organize their classes and share resources with students. explained how to use it, teachers can create a class online and invite students to join. Once everyone is in, teachers can post assignments, announcements, and links to materials like videos or documents. Students can then complete and turn in assignments digitally, and teachers can provide feedback. It's all in one place, making it easy for both teachers and students to stay organized and connected throughout the learning process.

Prof. S.N. Shinde

OBJECTIVES FOR A SOFT SKILLS AND PERSONALITY DEVELOPMENT PROGRAM:

- **Enhancement of Communication Skills:** Improve participants' ability to communicate effectively in various contexts, including interpersonal interactions, public speaking, presentations, and written correspondence. This objective aims to equip individuals with the skills to express themselves clearly, listen actively, and convey their ideas with confidence and impact.
- **Development of Interpersonal Skills:** Foster the development of interpersonal skills such as empathy, teamwork, conflict resolution, and relationship building. This objective focuses on enhancing participants' ability to collaborate harmoniously with others, build positive relationships, and navigate social interactions with sensitivity and understanding.
- **Promotion of Self-awareness and Personal Growth:** Facilitate self-discovery, reflection, and personal growth among participants. This objective aims to help individuals gain a deeper understanding of themselves, their strengths, weaknesses, values, and aspirations. By promoting self-awareness and self-reflection, the program empowers participants to identify areas for improvement, set meaningful goals, and embark on a journey of continuous self-improvement and development.

EN 6315

SANJEEVAN

ENGINEERING & TECHNOLOGY INSTITUTE, PANHALA

Yoga Program

Organized By

Training and Placement Department

on

21-06-18

Prof. Ranjit Ingawale

YOGA TRAINING PROGRAM

- **Introduction to Yoga:** Provide participants with an overview of Sahaja Yoga Meditation, including its principles, techniques, and benefits, to foster a basic understanding and appreciation of the practice.
- **Guided Meditation Practice:** Lead participants through guided meditation sessions to help them experience a state of thoughtless awareness and inner silence, facilitating relaxation, stress reduction, and mental clarity.
- **Understanding Kundalini Awakening:** Educate participants about the concept of Kundalini energy and its role in Yoga Meditation, enabling them to understand the process of self-realization and spiritual awakening.
- **Exploration of Chakra System:** Introduce participants to the subtle energy centers (chakras) within the body and their significance in Sahaja Yoga Meditation, promoting awareness of energy flow and balance for holistic well-being.
- **Integration into Daily Life:** Provide practical tips and techniques for integrating Sahaja Yoga Meditation into daily life, empowering participants to cultivate mindfulness, emotional balance, and spiritual growth in their personal and professional endeavors.

Sahajayoga Center,

OBJECTIVES FOR A MEDITATION PRACTICE

- **Stress Reduction and Relaxation:** The primary objective of meditation is often to reduce stress and induce relaxation. Through techniques such as deep breathing, mindfulness, and visualization, individuals aim to calm their minds, release tension from the body, and cultivate a sense of inner peace and tranquility.
- **Enhanced Mental Clarity and Focus:** Meditation helps improve concentration and mental clarity by training the mind to focus on the present moment and let go of distractions. Practitioners develop the ability to maintain sustained attention, sharpen their cognitive abilities, and make clearer decisions in their daily lives.
- **Emotional Regulation and Well-being:** Meditation cultivates emotional awareness and resilience, enabling individuals to manage their emotions more effectively. By observing their thoughts and feelings without judgment, practitioners learn to respond to challenging situations with greater equanimity, compassion, and self-control, leading to improved emotional well-being and psychological resilience.
- **Spiritual Growth and Self-discovery:** For many practitioners, meditation serves as a pathway to spiritual growth and self-discovery. By delving into the depths of their inner selves, individuals explore existential questions, connect with their inner wisdom or higher consciousness, and experience a sense of unity with the universe or higher power.

Report on Sahajayoga Meditation Session

Date: 10/08/2018 Time 2Hr.

Trainer: Mr. Nilesh Nadgonda, Co-ordinator Sahajayoga Trust, Kolhapur

Beneficiary: First Year Students 80 nos.

Contents of Session:

Introduction to Meditation:

Sahaja Yoga is a unique method of meditation based on an experience called Self Realization (Kundalini awakening) that can occur within each human being. Through this process an inner transformation takes place by which **one becomes moral, united, integrated and balanced.**

Awareness of Subtle system in Body:

Inside every human being there is a network of nerves and sensory organs that interprets the outside physical world. At the same time, within us resides a subtle system of channels (*nadis*) and centers of energy (*chakras*) which look after our physical, intellectual, emotional and spiritual being.

Steps in self realization:

Now, after the end of the meditation, see if you are feeling relaxed and if your thoughts have slowed down or gradually disappeared. This is the first stage of meditation - thoughtless awareness - where you are fully alert but without any thoughts, in a state of pure and peaceful consciousness.
