A/p-Panhala Kolhapur 416201.

Dear Respected Sir,

I am writing to express my heartfelt gratitude to you and your team for organizing the recent blood donation camp in collaboration with Vaibhavlaxmi Blood Center Kolhapur.

The camp was a remarkable success, with numerous donors stepping forward to contribute to this noble cause. This achievement would not have been possible without your meticulous planning, coordination, and dedication.

Thanks to your initiative, we were able to collect 37 units of blood, which will go a long way in saving lives and supporting those in critical need. Your efforts have not only helped replenish blood banks but have also raised awareness about the importance of blood donation.

We deeply appreciate the time, resources, and energy you invested in this event. Your commitment to community service is truly commendable, and it sets a shining example for others to follow. Please extend our gratitude to everyone involved in making this blood donation camp a success.

We look forward to the opportunity to collaborate with you on future initiatives.

Warm regards,

Mr Anmol V. Kamat

Faculty Co-ordinator: Porf. A.M.Momin

Date & Time: 17.10.2023 at 11:00 AM

Venue: Central Drawing Hall

An guest lecture on “Women’s Opportunities in Government Sector” for computer students was held on 17 th October,2023. The guest lecture has been organized by Women Empowerment Cell at SETI Panhala.

The lecture aimed to highlight the various pathways available for women in government roles, the historical context, current opportunities, advantages, challenges, and success stories of women who have made significant contributions in public service.

Keypoints:

1. Advantages of Government Jobs

The lecture highlighted the benefits of government jobs for women:

- Job security and stability.
- Comprehensive benefits including health insurance, retirement plans, and paid leave.
- Better work-life balance with flexible work hours and telecommuting options.

2. Challenges and Barriers

Despite the progress, the speaker acknowledged the ongoing challenges faced by women in government roles:

- Gender bias and discrimination.
- Workplace harassment.
- Balancing demanding careers with personal responsibilities.
- Underrepresentation in senior and leadership positions.

3. Programs and Initiatives for Women

The lecture shed light on various programs and initiatives designed to support and empower women in government:

- Leadership training programs.
- Mentorship opportunities.
- Affirmative action policies.
- Support networks and advocacy groups.

The lecture concluded with a message of encouragement, urging more women to pursue careers in the government sector. The speaker emphasized that while challenges persist, the continuous efforts to promote gender equality and support women's advancement are creating a more inclusive and representative governance.

The lecture was followed by an engaging Q&A session, where attendees had the opportunity to ask questions and share their thoughts. The interactive session provided further insights and allowed for a deeper understanding of the discussed topics.

Overall, the guest lecture was a resounding success, providing valuable information and inspiration to all attendees. The discussion on women's opportunities in the government sector highlighted the progress made and the ongoing efforts needed to achieve true gender equality in public service.

The session ended with with vote of thanks proposed by Prof. A.M.Momin where in she thanked the management and Dr. S.N.Jain, Principal of Sanjeevan Engineering and Technology Institute Panhala for extending their support to organize guest lecture.

Report

Occasion: International Women's Day

Date: 12/03/2024

Venue: Central Drawing hall

Speaker: Judge Mrs. K. J. Khomane

Sub: Right of the women

On the auspicious occasion of International Women's Day, our organization had the honor of hosting a distinguished guest lecture by Judge Mrs.K.J.Khomane, an eminent advocate for women's rights.

The event commenced with a brief introduction by **Dr.S.N.Jain**, who highlighted the significance of International Women's Day and the ongoing struggle for women's rights worldwide. The audience was then introduced to Judge **Mrs.K.J.Khomane**, whose extensive work in the field of gender equality has garnered widespread acclaim.

Judge Mrs.Khomane elaborated on the various legal frameworks that have been instrumental in advancing women's rights. She discussed key legislation, such as the Violence Against Women Act and the Equal Pay Act, emphasizing their impact on women's lives. She also highlighted recent judicial rulings that have furthered gender equality.

Mrs.Khomane stressed the importance of education and awareness in combating gender inequality. She advocated for comprehensive sex education, gender sensitivity training, and public awareness campaigns as crucial tools in the fight for women's rights.

A key highlight of the lecture was the emphasis on empowering women to take on leadership roles. She shared inspiring stories of women leaders who have shattered glass ceilings and made significant contributions to their fields. She encouraged the audience to support and mentor women in their personal and professional lives.

The event concluded with a vote of thanks from **Mrs.A.M.Momin**, who expressed gratitude to Judge **Mrs.K.J.Khomane** for her enlightening and motivating lecture. The lecture not only deepened the audience's understanding of women's rights but also inspired a renewed commitment to gender equality.

NOTICE

Subject: Life Skills Training Program In Association With Rubicon Skills

Dear Students,

We are excited to announce a fantastic opportunity for students - a Life Skills Training session hosted by Rubicon Skills.

Date: 12-02-2024 to 15-02-2024

Trainer –Mr. Madan Patil

Objectives of Life Skills Training Program with Rubicon Skills

- 1. Develop Foundational Life Skills:** Equip participants with essential life skills like decision-making, problem-solving, critical thinking, and effective communication, which are crucial for success in various aspects of life.
- 2. Boost Employability:** Enhance participants' employability by fostering skills like teamwork, leadership, time management, and conflict resolution – highly sought-after qualities in the workplace.
- 3. Promote Personal Growth:** Nurture personal growth and self-awareness by focusing on skills like goal setting, stress management, and emotional intelligence.
- 4. Build Confidence and Resilience:** Cultivate confidence and resilience, enabling participants to navigate challenges, adapt to change, and bounce back from setbacks.
- 5. Bridge the Skills Gap:** Address the gap between academic qualifications and essential life skills, empowering participants to thrive in today's dynamic world (potentially aligning with Rubicon's mission of making learning aspirational).

Please mark the date on your calendar and be punctual. Dress comfortably and bring any necessary materials. This training is open to all final-year students, regardless of their major.

If you have any questions or need further information, please contact 8855090550

We look forward to seeing you there and supporting your successful journey.

Date: 08/09/2023

All the students of F. Y. B. Tech are pleased to announce a **Life Skills Programme**, aimed at equipping students with essential interpersonal, professional, and personal skills that are crucial for success in both academic and professional life.

Programme Details:

- **Date:** 12/09/2023 to 15/09/2023
- **Time:** 09:15 to 4:15
- **Venue:** Drawing Hall
- **Target Audience:** [All the students of F. Y. B. Tech]

Key Highlights of the Programme:

1. **Effective Communication Skills**
2. **Time Management and Goal Setting**
3. **Team Building and Leadership**
4. **Stress Management Techniques**
5. **Problem-Solving and Critical Thinking**

This is a golden opportunity to enhance your overall personality and prepare for real-world challenges. Students are encouraged to actively participate and make the most of this enriching experience.

Registration:

- Register at department HODcabin by before 10/09/2023.
- Attendance is mandatory.

We look forward to your enthusiastic participation!

A Report
On
Four Days Workshop on "Life Skills
Development"

- Title of Workshop :** Life Skills Development
- Date of Workshop:** 12th To 15th Sep. (From 9:30 am to 4:15 pm)
- Kind of Activity:** Hands on Entrepreneurial skills Training
- Organized By :** Training and Placement Cell & Department
of Basic Sciences and Humanity
- Collaborating Agency:** Rubicon, Pune.
- Resource Person /Trainer :** Mr. Yogesh Rahane, Miss. Shankri Vaidya and
Tanushree Madam
- Objective of Training Program:** Develop students' capacity for ideation, effective
presentation, and clear verbal and written communication.

A report on the Soft Skills Program conducted for the First Year B. Tech engineering students of Sanjeevan Engineering and Technology Institute Panhala. The program, held from 12th Sept to 15th 2023, aimed to equip students with essential soft skills to complement their technical knowledge and enhance their overall employability.

1. Background: Recognizing the increasing importance of soft skills in the professional world, Sanjeevan Engineering and Technology Institute Panhala initiated the Soft Skills Program to bridge the gap between technical expertise and interpersonal proficiency. The program was designed to empower engineering students with the communication, teamwork, leadership, and problem-solving skills essential for success in their future careers.

2. Objective: The following were the main goals of the Soft Skills Program:

a. **Communication Skills:** Develop students' capacity for ideation, effective presentation, and clear verbal and written communication.

b. **Teamwork and Collaboration:** Help students gain an awareness of good teamwork, team dynamics, and how to get along with a variety of group members.

c. **Leadership Skills:** Develop your ability to make decisions, inspire and motivate people, and exercise leadership in a work environment.

d. **Critical Thinking and Problem-Solving Skills:** Give students the tools they need to think critically, tackle complicated problems methodically, and solve analytical difficulties.

e. **Time Management and Stress Management:** Help students manage their time and stress effectively so they can balance their personal and academic obligations.

3. Program Elements: Taught by seasoned instructors and business experts, the Soft Skills Program included a number of interactive workshops, seminars, and sessions. Among the elements of the program were:

a. **Communication Workshops:** Interactive classes aimed at enhancing written and verbal communication abilities, such as business writing, public speaking, and efficient interaction in work environments.

b. **Team-building Activities:** Interesting games and activities that encourage collaboration, teamwork, and efficient group communication.

c. **Leadership Seminars:** These are talks and debates facilitated by prominent figures in the field to enlighten students and motivate them with regards to good leadership traits and techniques.

d. **Problem-Solving Labs:** Hands-on lessons designed to hone students' critical thinking and problem-solving abilities using case studies and real-world settings.

e. **Time and Stress Management Workshops:** These instructional sessions offer students effective time management and stress-reduction strategies for both academic and professional contexts.

4. Student Input: The vast majority of pupils who took part had positive feedback. They conveyed gratitude for the program's application in the real world and its ability to have a big influence on their career advancement. Pupils stated feeling more assured about their ability to communicate and realizing the value of soft skills for their future employment.

5. Suggestions: Considering the efficacy of the Soft Skills Program, we suggest including soft skills education into the engineering curriculum on a regular basis. Such programs can be made even more effective by including real-world scenarios and continuing to collaborate with industry professionals.

6. Conclusion: Sanjeevan Engineering and Technology Institute Panhala made a great effort with the Soft Skills Program to give engineering students the fundamental interpersonal skills needed to succeed in the workplace. We have high hopes that the soft skills our students have gained will help them grow as individuals and better equip them for the workforce.

We appreciate your dedication to improving the educational experience at Sanjeevan Engineering and Technology Institute Panhala and your support. We eagerly anticipate new projects focused on our pupils' overall growth.

Rubicon Skills Trainer: Yogesh Rahane
Introduction

The Life Skills Training Program, in collaboration with Rubicon Skills and led by Trainer Yogesh Rahane, was conducted at Sanjeevan Engineering Institute, Panhala, from August 12, 2023, to September 15, 2023. The program was specifically designed for second-year students of Electrical and Civil Engineering to equip them with essential life skills and provide hands-on experience through field activities.

Program Highlights

Day 1 - September 12, 2023

Orientation: The program began with an orientation session where students were introduced to the objectives and schedule of the training, emphasizing the unique blend of classroom and field activities.

Communication Skills: Yogesh Rahane conducted interactive sessions on effective communication, highlighting its importance in both personal and professional life.

Day2 -September 13, 2023

Time Management: The second day focused on time management skills, helping students learn how to balance their academic and personal commitments effectively.

Field Activity - Site Visit: Students were taken on a site visit to apply their time management skills in a real-world scenario, observing electrical and civil engineering projects.

Day3 -September 14, 2023

Stress Management: Yogesh Rahane shared strategies to manage stress, especially in the demanding fields of Electrical and Civil Engineering.

Conflict Resolution: Classroom discussions and activities centered on conflict resolution and effective problem-solving techniques.

Day4 -September 15, 2023

Field Activity - Practical Application: The program concluded with another field activity, allowing students to apply the skills they had learned in a hands-on manner at the construction site.

Closing Ceremony: The program concluded with a certificate distribution ceremony, where participants received certificates recognizing their successful completion of the program.

Feedback and Impact

The Life Skills Training Program with a focus on field activities received enthusiastic feedback from the second-year students of Electrical and Civil Engineering at Sanjeeva Engineering Institute. Participants appreciated the unique combination of classroom learning and real-world exposure, which enhanced their understanding of life skills in practical settings.

YogeshRahane's expertise, both in the classroom and during field activities, was highly appreciated by students and faculty alike. The program successfully equipped students with crucial life skills while providing them with valuable experiences in their respective fields.

Conclusion

The Life Skills Training Program, conducted in collaboration with Rubicon Skills and Trainer Yogesh Rahane, was a highly impactful initiative. It not only provided students with essential life skills but also allowed them to apply these skills in real-world scenarios through field activities. We extend our gratitude to all participants and look forward to future collaborations that enrich the educational experience of our students.

Rubicon Skills Trainer: Miss. Shankri Vaidya

Introduction

The Life Skills Training Program, in collaboration with Rubicon Skills and led by Trainer Shankri Madam from Mumbai, was conducted at Sanjeevan Engineering Institute, Panhala, from September 12, 2023, to September 15, 2023. This unique program was tailored to benefit second-year students of Mechanical Engineering and first-year students of all engineering disciplines, combining classroom training with hands-on field activities.

Program Highlights

Day 1 -September 12, 2023

Orientation: The program began with an orientation session where students were introduced to the objectives and the innovative blend of classroom and field training.

Communication Skills: Shankri Madam led interactive sessions on effective communication, emphasizing its significance in both academic and professional contexts.

Day 2 -September 13, 2023

Time Management: The second day was dedicated to time management skills, helping students strike a balance between their academic and personal commitments.

Field Activity - Mechanical Workshop: Students embarked on a field visit to a mechanical workshop, applying their time management skills and gaining hands-on experience in Mechanical Engineering.

Day 3 -September 14, 2023

Stress Management: Shankri Madam conducted sessions on stress management, addressing the unique challenges students in engineering disciplines may face.

Conflict Resolution: Classroom discussions and practical exercises centered on conflict resolution and effective problem-solving techniques.

Day 4 -September 15, 2023

Field Activity - Engineering Site Visit: The program concluded with another field activity, where students visited an engineering construction site, applying the life skills they had acquired throughout the program.

Closing Ceremony: The program ended with a certificate distribution ceremony, where participants received certificates acknowledging their successful completion of the program.

Feedback and Impact

The Life Skills Training Program with its immersive approach received overwhelmingly positive feedback from second-year Mechanical Engineering students and first-year engineering students at Sanjeevan Engineering Institute. Participants lauded the combination of classroom learning and real-world exposure, which significantly enhanced their grasp of life skills within their engineering context.

Shankri Madam's expertise, both in classroom instruction and during field activities, was highly valued by students and faculty. The program successfully equipped students with essential life skills while allowing them to apply these skills in real-world engineering settings.

Rubicon Skills Trainer: Tanushree Madam

Introduction

The Life Skills Training Program, in collaboration with Rubicon Skills and led by Trainer Tanushree Madam, was conducted at Sanjeevan Engineering Institute, Panhala, from September 12, 2023, to September 15, 2023. The program was specially designed for first-year engineering students to equip them with essential life skills necessary for their academic and personal growth.

Program Highlights

Day 1 -September 12, 2023

Orientation: The program began with a warm welcome and orientation session, where students were introduced to the objectives and schedule of the training.

Communication Skills: Tanushree Madam conducted interactive sessions on effective communication, emphasizing the importance of clear and concise expression.

Day 2 -September 13, 2023

Time Management: The second day focused on time management skills, teaching students how to prioritize tasks, set goals, and make the most of their time.

Conflict Resolution: Students participated in discussions and activities on conflict resolution and problem-solving techniques.

Day 3 -September 14, 2023

Stress Management: Tanushree Madam shared strategies to manage stress, cope with academic pressures, and maintain mental well-being.

Financial Literacy: The afternoon session covered financial literacy, including budgeting, saving, and making informed financial decisions.

Day 4 -September 15, 2023

Career Guidance: The final day of the program focused on career guidance, helping students explore career options and set goals for their academic and professional journey.

Closing Ceremony: The program concluded with a certificate distribution ceremony, where participants received certificates of completion.

Feedback and Impact

The Life Skills Training Program received positive feedback from the first-year engineering students of Sanjeevan Engineering Institute. Participants reported increased self-confidence, improved

communication skills, and enhanced time management abilities. They found the stress management and conflict resolution sessions particularly valuable in adapting to their new academic environment.

Tanushree Madam's expertise and engaging teaching style were highly appreciated by both students and college faculty. The program has undoubtedly equipped the first-year students with crucial life skills that will benefit them not only during their academic journey but also in their future careers.

Conclusion

The Life Skills Training Program, conducted in collaboration with Rubicon Skills and Trainer Tanushree Madam, was a successful initiative. It has empowered the first-year engineering students of Sanjeevan Engineering Institute, Panhala, with essential life skills that will contribute to their personal and academic development. We extend our gratitude to all participants and look forward to future collaborations.
