

SANJEEVAN ENGINEERING & TECHNOLOGY INSTITUTE, PANHALA
DEPARTMENT OF ELECTRICAL ENGINEERING
A.Y.2018-19
Faculty Publication Details

Sr No	Name of Faculty	Title of Paper	Paper Publication Details (Conference)	Paper Publication Date
1	Ms.Shendage P.P.	industrial Parameters Monitoring forPollution	International Conference on Education & Technology (IC ET - 19)	13-Apr-19
2	Mr..Bhandare Arvind Madhukar	Pitch angle control of wind mill by PID controller	International Conference on Recent Devlopment in Engineering Science,	14-Apr-19
3	Mrs. S. P. Kulkarni	Distribution line Open circuit Fault detection	Conference on Recent Devlopment in	14-Apr-19
4	Ms. P. G. Bendre	Under ground line fault detection	International Conference on Recent Devlopment in Engineering Science, Humanities & Management	14-Apr-19
5	Mr. Y. R. Naik	Electricl Hybrid Vehicle(Motorcycle)	International Conference on Recent Devlopment in Engineering Science, Humanities & Management	14-Apr-19

6	Mr. A. M. Bhandare	Load equilisor transformer	International Conference on Recent Development in Engineering Science, Humanities & Management	14-Apr-19
7	Mr. P. P. Kulkarni	Single Phase Seven level invertor with solar system	International Conference on Recent Development in Engineering Science, Humanities & Management	14-Apr-19
8	Mr. P. P. Kulkarni	Improving an efficiency of solar panel using automatic cleaning system	International Conference on Recent Development in Engineering Science, Humanities & Management	14-Apr-19
9	Mr. P. B. Gurav	Automatic Parellel operation of alternator using arduino	International Conference on Recent Development in Engineering Science, Humanities & Management	14-Apr-19
10	Mr. V. T. Metkari	Community Radio station	International Conference on Recent Development in Engineering Science, Humanities & Management	14-Apr-19

11	Mr. N. S. Jadhav	Smart solar grass cutter	International Conference on Recent Development in Engineering Science, Humanities & Management	14-Apr-19
12	Mr. P. B. Gurav	Improving Power quality by using series compensator	International Conference on Recent Development in Engineering Science, Humanities & Management	14-Apr-19
13	Mr. N. S. Jadhav	Voltage sensor based MPPT for photovoltaic system with SEPIC converter	International Conference on Recent Development in Engineering Science, Humanities & Management	14-Apr-19
14	Mr. P. B. Gurav	Electric energy audit of Sanjeevan Knowledge city	International Conference on Recent Development in Engineering Science, Humanities & Management	14-Apr-19

Project Coordinator
Prof. P.P.Kulkarni
Prof.N.S.Jadhav

HOD (Electrical Dept.)
