---

**A report on One Day Workshop on  
“GENERAL MAINTENANCE OF TWO WHEELERS”  
30TH SEPT., 2016.**

**Objective: -** The objective of the program was to make aware the students of Automobile Engineering about the technology used in two wheelers. More emphasis was given on training the students regarding the general maintenance of common two wheelers. The main objective was to inculcate the practical knowledge of two wheeler maintenance to Automobile Engineering students, with having a projection that the students should be able to carry out the periodic maintenance of at-least their own vehicle and pass on this knowledge to other students too.

**Summary :** The inauguration was commenced at 10:30 am with the dignitaries and experts as: Mr. V.A.Patankar (Resource person- Professor at New Polytechnic, Kolhapur and member of Kolhapur District Two Wheeler Mechanic Association, Kolhapur), Mr. Prashant Salunkhe ( Mechanic,KD2MA), Dr. G.V.Mulgund (Principal, Sanjeevan Engineering and Technology Institute SETI ), Prof. Mrs. T.T.Mohite-Patil ( Academic Dean, SETI), Prof. S.L.Ghodake ( Head of Department, Automobile Engg. Dept., SETI), Prof. A.P.Bhosale (Chief Coordinator & Asst. Prof. in Automobile Engg. Dept.), Prof. M.M.Bepari (Coordinator & Asst. Prof. in Automobile Engg. Dept.).

The main workshop was started after the inauguration and felicitation of the guests. The workshop was in association with “Kolhapur District Two Wheeler Mechanic Association, Kolhapur” with the main aim to impart the practical knowledge about two wheelers maintenance for the students. The Workshop was split into Two sessions. First the common session was conducted in

which common activities such as clutch dismantling-assembly, carburetor tune-up etc were explained and performed which was later followed by practical session which included the practical activities such as Brake, Chain and Clutch settings, engine oil drain and refill etc.

Some of the topics included are: Clutch dismantling-assembly, Carburetor tune-up, factors influencing the mileage of the two wheelers, periodic maintenance points and checklist, safe driving tips, Clutch Setting, Brake setting, Chain tension setting, battery check-up, valve setting, oil drain & refill, RR unit checkup etc.

At last the students were addressed by Prof. A.P.Bhosale and Principal Dr.G.V.Mulgund followed with vote of thanks.

We would like to extend our sincere thanks to Hon. Chairman P.R.Bhosale, Hon. Joint Secretary N.R.Bhosale, Dr. G.V.Mulgund (Principal, Sanjeevan Engineering and Technology Institute SETI ), Prof. Mrs. T.T.Mohite-Patil ( Academic Dean, SETI), Prof. S.L.Ghodake ( Head of Department, Automobile Engg. Dept., SETI) on the behalf of Automobile Department for supporting us and permitting to conduct this workshop.
