

A Brief report on “Two Days workshop on Machine Learning using Python”

Title of Workshop: “**Two Days workshop on Machine Learning using Python**”

Duration of Workshop:- 2 days

Workshop Date: 1st and 2nd November 2019

Resource Persons:- Mr. Yogesh Jadhav, Trainer, Technojack Infosolutions, Mumbai

Head of Department -: Mr. Mangesh Hajare (CSE)

Workshop Coordinator:- Mrs. Tejashri Deokar (CSE)

Workshop Details:-

Aiming to provide an intense training on Machine Learning at undergraduate level student and staffs, a two-days workshop on ‘**Machine Learning using Python**’ held during November 1-2, 2019 at Sanjeevan Engineering and Technology Institute, Department of Computer Science and Engineering.

For this workshop 22 staff, 69 students from SETI, Panhala and 2 students from AMGOI wathar, CSE Department, E & TC department and Electrical department were present. The total participants for the workshop were 103. Speaking in the workshop, Mr. Yogesh Jadhav discussed on Artificial Intelligence, Machine Learning, Classification, Clustering and Image classification using CNN. The workshop was basically designed to understand the concept of machine learning and deep learning. The entire workshop was coordinated by Mrs. Tejashri Deokar, CSE Department.

SETI, CSE department thank Workshop Resource person Mr. Yogesh Jadhav, Trainer, Technojack Infosolutions, Mumbai for guiding us and giving us valuable knowledge about Machine Learning. We thank our Management & Principal Dr. Mohan B.Vanarotti sir for motivating us and constantly supporting us to arrange such workshop for students & staff. Lastly we thank one and all who were directly or indirectly involved in making this workshop a grand success.

Felicitation of Resource Person Mr. Yogesh Jadhav by Principal Dr. Mohan B. Vanarotti

Mr. Yogesh Jadhav with all the participants
