

Dr Sanjeev N. Jain

Dr. Sanjeev Natvar Jain is a dynamic leader, an enlightened source and motivator is a force to reckon with. He is a visionary educationist with a panoramic experience of about 32 years in engineering education and administration. He has completed his graduation in Electronics Engineering in 1990, post graduation in Electrical engineering by 1994 & completed doctoral degree in 2018.

His vision is to develop holistic responsible citizens who can cater to the needs of industry, ever growing society & to fend themselves keeping in mind the sustainable means of development. He has successfully carried out Accreditation processes like NAAC & NBA, handled responsibility of students association, coordinated International conference of Engineering teachers, National level faculty development programs, Contributed as resource person to a NAAC sponsored webinar, undertaken the charge of annual social gathering, lead the training & placement activity, looked after the Central library in capacity of Faculty in charge, submitted three AQAR as IQAC coordinator, conducted paper presentation competition for students and many more such activities were conducted successfully with his able leadership.

He is a recognized PG teacher & has guided some post graduate students, attended many refresher courses, faculty development programs, workshops & training programs. He has presented papers in national & international conferences, Published research papers in journals of repute, and has nearly 100 citations for his research papers.

He has steered the institute, the staff and the students in right and positive direction, through thick & thin, relentlessly kept the fighting spirit & proved his abilities. He expeditiously handles multiple roles in administration, classroom teaching & beyond. His techniques of prioritization and delegation of tasks guides him to take appropriate decisions at right times.
