

Professional Profile: Principal, Sanjeevan Group of Institutions

With an extensive 35-year journey in the education sector, I have continually demonstrated a commitment to academic excellence, institutional growth, and student empowerment. As Principal of the Sanjeevan Group of Institutions, I lead a multidisciplinary establishment that offers engineering degree and diploma programs, undergraduate courses in fine arts, design, and management, as well as postgraduate management studies. My leadership is driven by a passion for fostering a dynamic learning environment and promoting innovation across diverse disciplines.

Throughout my career, I have undertaken numerous responsibilities that highlight my dedication and versatility as an academic and administrator. From serving as an IQAC Coordinator to steering national and international conferences, I have actively contributed to elevating academic standards and enhancing student engagement. My pivotal roles as Coordinator for NBA Committees, Convenor for student conferences, and Central Staff Coordinator for the library have allowed me to ensure smooth institutional operations while nurturing an environment of research and learning. Notably, I was entrusted as the Chairman of the Vigilance Squad by DBATU University, where I upheld academic integrity and discipline.

As a researcher, I have authored 33 research papers that have enriched scholarly dialogue across various disciplines. Successfully completing my doctoral program further solidified my expertise and commitment to advancing knowledge. My tenure as a Professor for seven years involved mentoring students, guiding faculty, and contributing to the intellectual growth of the institution. Subsequently, as Principal for the last three years, I have taken a leading role in shaping the vision and operational framework of the Sanjeevan Group of Institutions.

My vision as Principal is rooted in fostering academic and professional excellence while building an inclusive and research-oriented ecosystem. I aim to prepare students not only for future professional challenges but also for meaningful societal contributions by encouraging social responsibility and community engagement. By promoting industry collaborations,

interdisciplinary approaches, and holistic development, I strive to advance the institution's reputation as a beacon of innovation, ethical leadership, and impactful service to society.
